

# Schedule inspections

## Select Text

Test permit # 25-1234

# TEXT 844-630-0011

- You need a permit #
- The system lets you switch between languages by typing “Spanish” or “Español” and English” or “ingles”
- “List” will provide you the list of inspections available (similar to CLick2Gov)
- Confirmation # provided is a Select Text internal number – it is not a number shown on Naviline
- Inspection assigned automatically to TBA (following the 3PM same rules)
- “Results” will give you only the status not the comment left by the inspector.
- Emojis are not received by the system. Note left if emoji is added does not get registered
- “Reschedule” is cancelling the active inspection and scheduling a new inspection
- If a customer has issues scheduling an inspection they will be guided to the 956-794-1625
- Holidays and weekends are already programed into the system
- If there are fees pending the system does not let inspections to be scheduled.
- Select text is monitoring the system, if issues occur they may be reached at [CMackura@selectron.com](mailto:CMackura@selectron.com) ; [KGustke@selectron.com](mailto:KGustke@selectron.com) ; [cgarza1@ci.laredo.tx.us](mailto:cgarza1@ci.laredo.tx.us)
