City of Laredo
Texas

For the Fiscal Year Beginning

October 01, 2024

Christopher P. Morrill

Executive Director

City of Laredo
Fiscal Year 2025-2026
Budget Cover Page

This budget will raise more revenue from property taxes than last year's budget by an amount of $13,523,779, which is a 11.94% increase from last year's budget. The property tax revenue to be raised from new property added to the tax roll this year is $4,024,459.

The members of governing body voted on the budget as follows:

FOR:	
District I	Gilberto Gonzalez
District II	Ricardo Rangel
District III	Melissa Cigarroa
District IV	Ricardo Garza
District V	Ruben Gutierrez, Jr.
District VI	Dr. David Tyler King
District VII	Vanessa J. Perez
AGAINST:	None
PRESENT and not voting:	None
ABSENT:	
Mayor	Dr. Victor D Trevino
District VIII	Alyssa C. Cigarroa

Property Tax Rate Comparison

	FY2025-2026	**FY2024-2025**
Property Tax Rate:	$0.506090/100	$0.507623/100
No-New-Revenue Tax Rate:	$0.462402/100	$0.464498/100
No-New-Revenue Maintenance & Operations	$0.364830/100	$0.373520/100
Voter-Approval Tax Rate:	$0.506090/100	$0.507623/100
Debt Rate:	$0.128491/100	$0.110735/100

The total debt obligation for the City of Laredo secured by property taxes is $222,333,854

CITY OF LAREDO
ADMINISTRATIVE OFFICIALS

Mayor Victor D Treviño M.D.

Dr. Treviño is a product and a son of Laredo. Being born and raised in Laredo, Texas, he is a descendant of Capt. Tomas Sanchez (Founder of Laredo), and product of the public-school system, attending Nixon high school, where he graduated in 1966. Dr. Treviño attended Laredo Junior College and Texas A&M University at Kingsville before going to medical school in Coahuila, Mexico. After finishing his residency in 1984 at LSU Charity Hospital in New Orleans, Louisiana, Dr. Treviño attained medical licenses in Texas, Louisiana, Alabama and Mexico.

Understanding the medical need that existed in his hometown, and encouraged by family members, like his father Raul Treviño, and the late Dr. Murray Malakoff, he returned to his hometown in 1985 were he immediately started working with the City of Laredo Health Department, and in Family Medicine and Obstetrics. Always having a passion in helping the medically underserved community, Dr. Treviño has served in several roles over the last 35 years. As medical director of the health department, he oversaw the no-cost Maternity clinics, STD clinics, and various other public health programs. Dr. Treviño has also served as the medical director of Retama West Nursing home and Director of the Skilled Nursing Unit at LMC. He also continues to hold privileges at Doctors Hospital, Laredo Medical Center, and Specialty Hospital where he has served in several leadership capacities as Department Chair and Chief of Staff.

Most recently Dr. Treviño served as the Health Authority for the City of Laredo where he guided the City through the Global COVID pandemic. Understanding the international dynamics and vulnerability of the community to COVID, Dr. Treviño helped create a pilot binational vaccination program with Mexican bordering communities like Nuevo Laredo, Tamaulipas and Colombia, Nuevo Leon. The vaccination program which is still underway has had great success, and is nearing 300,000 vaccines administered. This has greatly reduced the level of hospitalizations and death on both sides of the border and has resulted in Laredo and Nuevo Laredo as two of the most vaccinated municipalities in the United States and Mexico.

Dr. Treviño continues to believe that any challenge can be met and resolved, as long as people work together with leadership, integrity and transparency. This is the reason why he feels privileged and an honored to work in public health, and in service to the community.

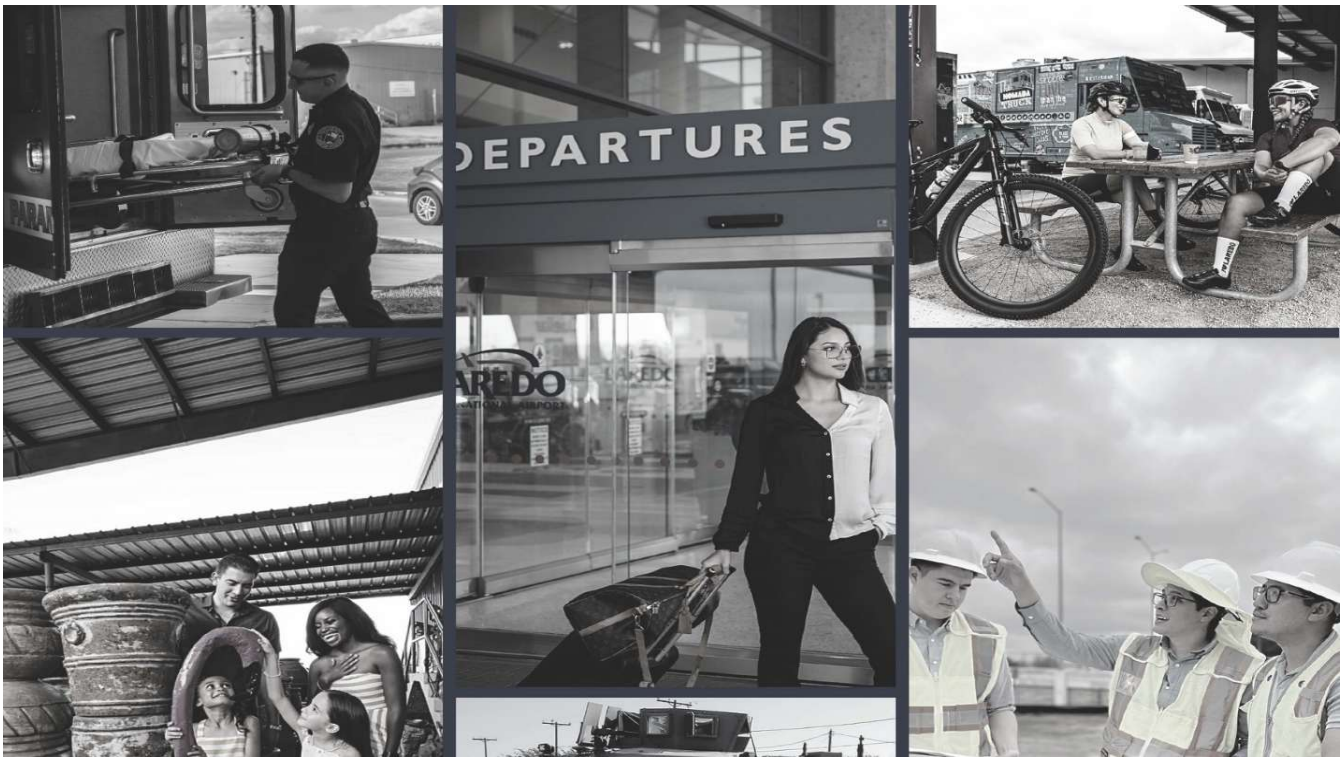
City Manager's Budget Message



September 2025

Honorable Mayor, Members of the City Council, and Citizens of Laredo:

As City Manager, I am pleased to present the Adopted Fiscal Year (FY) 2025–2026 budget for the City of Laredo. This budget reflects our continued progress toward building a more efficient, transparent, and accountable local government. It incorporates recent guidance from the City Council and builds on our efforts to define services by mandate, align spending with outcomes, and use data to support decision-making. While there is still work ahead, this year's proposal highlights meaningful progress, especially through the introduction of new financial resolutions and our expanded ability to track spending across departments and programs.

The FY 2025–2026 budget incorporates lessons learned from recent challenges, including the failed bond referendum and increased demand for faster, more responsive service delivery. In response, we have sharpened our focus on core services, accelerated our efficiency study, and expanded the presentation of alternatives requested by the Council. Our approach respects the Council's role in policymaking and aims to provide you with the best tools to make informed, thoughtful decisions on behalf of the people of Laredo.

Challenges Facing a Growing City

The City of Laredo is experiencing significant growth, bringing both opportunities and challenges. Our increasing population has increased demand for essential services, expanded

City Manager's Budget Message

infrastructure, and more housing. At the same time, we must address the need to maintain public safety, improve transportation systems, and promote sustainable environmental practices. Meeting these demands requires thoughtful planning and careful use of resources to ensure our City grows in a balanced and sustainable way.

Importance of Prioritization of Services

Given these challenges, prioritizing services remains a key part of our annual budget process. With limited funding available, it's essential to focus our resources on the most pressing needs of our community. This means identifying and investing in core services directly impacting residents' quality of life, such as public safety, healthcare, parks, and infrastructure maintenance. By focusing on these areas, we can help ensure that Laredo remains a safe, healthy, and thriving city for all.

Strategic Allocation of Limited Funding

The Adopted FY 2025–2026 budget reflects a strategic and prudent approach to allocating limited resources to where they are needed most. We continue to evaluate services through the lens of the Viva Laredo Comprehensive Plan, conduct thorough needs assessments, and hold community consultations to identify priority areas. Our focus remains on:

- **Public Safety:** Strengthening police, fire, and emergency medical services to ensure faster response times and a safer community.
- **Infrastructure:** Investing in key infrastructure projects such as road repairs, water and sewer system upgrades, and improvements to public transportation.
- **Health and Social Services:** Supporting programs that improve public health, mental health services, and overall community well-being.
- **Education and Workforce Development:** Partnering with educational institutions to expand access to quality education and workforce training, helping prepare residents for future opportunities.

Evaluating and Streamlining City Services

To ensure that every dollar spent has a meaningful impact, the City reviews all services and expenses in detail. The goal is to clearly define essential services and phase out those that do not provide a measurable benefit to the community. This effort will continue in future budget cycles. Steps we are taking include:

- **Performance Audits:** Conducting regular audits of City departments to identify inefficiencies and opportunities for savings.
- **Community Feedback:** Engaging residents to understand which services they value most, helping guide our priorities.
- **Cost-Benefit Analysis:** Using data to evaluate the effectiveness of programs and ensuring funds go to the most impactful initiatives.
- **Partnerships:** Exploring collaborations with private organizations and other government agencies to share resources and reduce costs.

City Manager's Budget Message

Laredo remains resilient and committed to improving the quality of life for all its residents. We've celebrated many accomplishments and completed projects while identifying areas for improvement. By continuing our conservative, protective approach—allocating limited revenues to our highest priorities—we've strengthened our financial position more than ever. Bridge and sales tax revenues are showing stronger performance compared to previous years. While inflation still presents uncertainty, signs indicate that our local economy is steadily recovering and trending upward.

The Adopted FY 2025–2026 Budget, with its strategic allocation of resources, is expected to significantly contribute to our city's growth and development, particularly in areas such as public health, housing, and job creation.

The Adopted FY 2025–2026 Budget addresses critical issues we've prioritized over the past year and new challenges that continue to emerge, particularly in public health, housing, and job creation. We are also fortunate to be able to leverage federal and state assistance, including grants, to help fund vital programs in these areas.

Budget Expense Appropriation Overview

Below is an overview of the Adopted Budget for FY 2025–2026, compared to the previous fiscal year's Adopted Budget. Key highlights include:

- The Adopted **Consolidated Budget** for FY 2025–2026 is projected to increase by **2.8%** compared to the FY 2024–2025 Adopted Budget.
- The **General Fund** reflects a growth of **3.5%,** following an **11.5%** increase in the previous fiscal year.
- The **Water and Sewer Systems** Adopted Budget is to increase by **2.1%.**
- **Solid Waste Management** is projected to increase by **26.8%,** mainly due to capital investment for the vehicle replacement program.
- The **Health Fund** has a **9.1%** increase in the Adopted Budget.
- The Total **Bridge System** budget decreased by **2.4%;** however, this still reflects a **3.5%** increase compared to last year's actuals, bringing appropriations to **$88.7 million**.

Our City continues to thrive in many areas. Transportation remains a key driver of economic growth, helping position Laredo as a vital distribution hub for the nation—particularly in industries like electronics, automotive parts, and food products. We are proud to support and attract growing commerce in these sectors, reinforcing our role as a strategic gateway for trade and logistics.

Fiscal Summary

The FY 2025-2026 Adopted **Consolidated Annual Budget** totals **$1,011,211,422**, representing a **2.8% increase** over last year's Budget. The total **net operating budget (excluding transfers) is $723,504,890**, with a projected closing fund balance of **$371.04 million.**

City Manager's Budget Message

This marks the 22nd consecutive year the City is not proposing a tax rate increase. A decrease of **$.001533** in the tax rate is being Adopted. The property tax collection rate has been set at 98.0%, resulting in a projected property tax levy of **$12.97 million** more, a **10.69%** increase compared to last year's Budget.

Property valuations for FY 2025–2026 have increased by **11.3%.** The assessed valuation used to calculate property tax revenue continues to rise, mainly due to strong performance in the local residential real estate market, which remains competitive due to limited housing inventory. This limited supply has contributed to inflationary pressure on property values.

	Budget FY 2024–2025	Estimate FY 2024–2025	Adopted FY 2025–2026
Tax Rate	$.507623	$.507623	$.506090
Taxable Valuations	$23,875,316,834	$23,875,316,834	$26,562,349,874
Tax Levy	$121,365,234	$121,096,474	$134,338,848

General Fund

The **City's Adopted General Fund Budget** for FY 2025–2026 is **$287,831,145,** representing a **$9.8 million** increase (**or 3.53%)** from last year's original Budget. The estimated ending fund balance is projected at **$54,852,692**, a **$1.5 million** increase, or **2.83%,** over the previous year's fund balance. The City's General Fund's **top 3 revenue sources are:**

- **General Fund Property Tax Revenue:** Estimated to increase by **6.04% to $98.2** million.
- **Sales Tax Revenue:** Projected to rise by **3.99%** to **$57.6 million**.
- **Bridge Transfer:** Decreased from **$44.1** million to **$43.3 million, a 1.7% decrease**.

We remain steadfast in our commitment to serving our community, improving public services, and using best practices to manage our financial and information systems. A key priority in this effort is investing in our most valuable asset: our employees. Their contributions are essential to achieving our goals in public safety, water quality, community health, homelessness services, and street maintenance.

Supporting our Workforce

Our employees are our most precious resource. We will continue to support our employees with the Leadership Program, the Certified Management Program (in partnership with TAMIU), and a tuition reimbursement program. Our goal is to empower and provide additional avenues to strengthen our workforce. We are proposing:

- A **2.5% cost-of-living adjustment** for non-contract employees, with an estimated cost of **$3.5 million.**
- A **1.5% base pay increase** for non-contract employees effective April 1, 2026, for those who have completed one year of tenure. This will move employees within their grade range and reward tenure, with an estimated cost of $**1.1 million**.
- An **1.5%** adjustment to the City of Laredo wage schedule, increasing the entry hourly rate from $13.47 to $13.67 per hour.

City Manager's Budget Message

Health Benefits
As healthcare and prescription costs continue to rise, the City has made strategic modifications to its medical plans to manage these increasing expenses and reduce the financial impact on employees. We have implemented a three-year progression plan for premium increases under the PPO plan, providing more predictable and gradual changes.

The City continues to offer three medical plan options. To encourage participation in the HDHP, the City will continue offering a **$750 annual incentive** per employee enrolled in that plan. For FY 2025–2026:

- Preferred Provider Organization (PPO)
- Health Maintenance Organization (HMO) Blue Essentials
- High Deductible Health Plan (HDHP) with a Health Savings Account (HSA)

Employee-only coverage will increase by $13.03 per pay period for the PPO, $11.59 for the HMO, and the HDHP remains at $0.00 cost to employees.
Dependent coverage costs will increase between 5% and 17.1%, depending on the plan and coverage level.

These adjustments are part of our ongoing efforts to maintain competitive, high-quality benefits while addressing rising cost pressures on the health plan.

New Positions

To support the City's growth and Council priorities, the following new Full-Time Equivalent (FTE) positions are Adopted:

- **General Fund**: 7 FTEs estimated at $486,000
- **Other Funds**: 1 FTE for the Convention & Visitors Bureau estimated at $55,000

New Positions Recommended for Approval:

Department	General Fund	Other Funds
City Attorney	1	
Planning	6	
Conventions & Visitors Bureau		1
Total	**7**	**1**

In addition, **38 firefighter cadet FTEs** are being transferred from the Special Fire Grant Fund to the General Fund, representing a $3.6 million increase since the City was not awarded the SAFER Grant.

Public Safety
Public safety continues to be a top priority for the City. A total budget of **$178.4 million** is Adopted for Police and Fire, an increase of **$11.95 million (7.18%)** over FY 2024–2025. This accounts for **61.98%** of the General Fund Budget.

City Manager's Budget Message

Police Department

- **Budget**: $98 million (6.3% increase)
- **Personnel**: 575 police officer positions and 141 civilian positions
- **General Fund match for grants** increased by $895,110, bringing total General Fund appropriations to **$103.1 million**
- The City is currently undergoing **collective bargaining negotiations** with the Laredo Police Officers' Association

Fire Department

- **Budget**: $80.4 million (8.2% increase)
- **Personnel**: 469 firefighters and 19 civilian positions
- This is the **third year** of a **four-year contract**, with a **1.5% pay increase scheduled for October 1, 2025**

Our citizens expect and deserve to feel safe in their communities, and the City of Laredo remains a safe place to live, work, and raise a family.

Financial Outlook

The City continues to maintain **excellent bond ratings** from Moody's and Standard & Poor's, which affirm the City's strong financial position, growing tax base, and importance as the largest inland port in the country.

Bond Type	Moody's	Meaning	Standard & Poor's	Meaning
General Obligation Bonds	Aa2	High Quality	AA	High Quality
Certificate of Obligation	Aa2	High Quality	AA	High Quality
Bridge System	A1	Strong Coverage	A+	Strong Coverage
Sewer System	Aa3	High Quality	AA-	High Quality
Water System	Aa3	High Quality	AA-	High Quality
Sports & Community Venue	Aa2	High Quality	A+	Strong Coverage

Capital Improvement / Bonds

We are moving forward with critical projects funded by:

- **Capital Improvement Fund**
- **Contractual Obligations**
- **Public Property Finance Contractual Obligations (PPFCO)**
- **Tax Notes**

City Manager's Budget Message

As part of our Plan of Finance, we anticipate issuing **approximately $82.7 million in new debt** during the last quarter of 2025:

- **$24 million** in PPFCO
- **$25.7 million** in Tax Notes
- **$33 million** in Contractual Obligations

These funds will support projects in the **Police, Fire, Public Works, Parks & Recreation, Health, Economic Development, Library**, and **General Government** sectors. Priorities include **equipment**, **construction**, **building rehabilitation**, and **road and street improvements**.

Closing Comments

In conclusion, the FY 2025–2026 budget advances the City's strategic priorities and reinforces our commitment to financial stewardship. This proposal does not make political recommendations or assume consensus among Council members. It reflects the City Manager's responsibility under the City Charter to prepare a budget based on Adopted policies and available facts.

Where new expenditures are Adopted, we have ensured they align with projected revenue growth, particularly from **sales tax**, **bridge tolls**, and **increased property valuations**. Maintaining **structural balance** remains a guiding principle, and we are incorporating **cost recovery strategies** to support long-term sustainability. If the Council wishes to change direction, staff stands ready to implement that guidance. This statement is included to clarify roles, respect Council discretion, and ensure complete transparency with the public regarding the assembly of the Adopted budget.

Sincerely,

Joseph W. Neeb
City Manager

History of the City of Laredo, Texas: Through the Years

Table of Content

1884 — Building of new City Hall moved businesses North of San Agustin Plaza

1881 — Laredo transformed from a villa, to a "Booming Gateway" with the arrival of the First International bridge which was a temporary railroad structure. Plano de los Dos Laredos created by E.R. Laroche

1880 — Population of 3,521 & expansion northward from San Agustin Plaza. Main business artery along Flores avenue

1872 — Jarvis and City Council ordered the subdivision of the ejidos (common pasture lands)

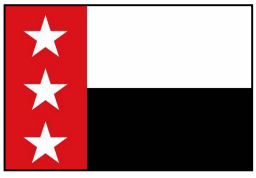
1869 — City council passed a resolution that officially adopted the new map that mayor Samual Jarvis presented with Street names for heroes.

1865 — Fort Mcintosh post was manned by a company of the 62 US Colored infantry

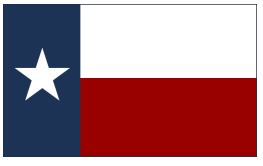
1849 — Fort Mcintosh was founded

1848 — Citizens wanting to retain Mexican citizenship founded Nuevo Laredo, Mexico

1845 — Under the treaty of Guadalupe Hidalgo, Laredo officially became part of Texas.



1840 — Laredo became a capital of the new Republic of the Rio Grande



1836 — Republic of Texas won its independence from Mexico

1821 — Laredo became a mexican city

1767 — The City was laid out to a bustling metropolitan city. Juan Fernando De Palacios designated Laredo as a villa.

1755 — San Agustin Laredo, A colony City of New Spain. Was founded by Captain Tomas Sanchez with three Families.

History of the City of Laredo, Texas: Through the Years

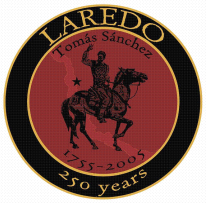
Table of Content

2025 — The City of Laredo has been granted presidential permits for both Bridge III and Bridge IV (the Colombia and World Trade Bridges).

2020 — Laredo is recognized as the nation's number one overall trade port, generating $24.6 Billion in two way trade with Mexico

2017 — The Outlet shoppes at Laredo open to the public, replacing the permanently closed River Drive Mall

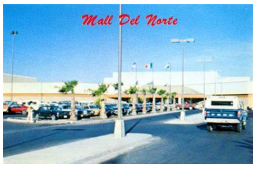
2005 — Laredo Celebrates the 250th anniversary of its founding.



1990 — City of Laredo's population surpasses 120,000, paving the way for commerce and community reaching exponential growth

1980 — Webb county Heritage Foundation is established. This organization promotes the preservation of historic Laredo buildings, and promotes tourism to the City of Laredo

1977 — Mall Del Norte, Laredo's second mall, is open for business.



1970 — River Drive Mall, Laredo's first shopping mall, is open to the public.

1969 — Texas A&M International University is established as Texas A&I University at Laredo

1954 — Hurricane Alice produces a flood of enormous magnitude in Laredo, as it floods and inundates the second international bridge kickstarting a remodel

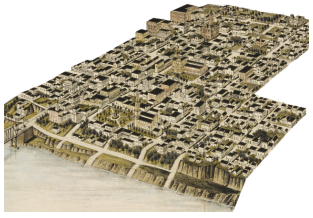
1947 — Laredo Junior College (Later known as Laredo Community College) is established, using the now deactivated Fort McIntosh as its location

1922 — Second international bridge is completed and open to the public, after a fire ravaged the first International Bridge

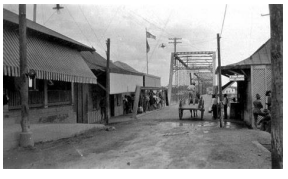
1910 — Mexican revolution brought a tide of emigrants to Laredo

1898 — The Washington's Birthday Celebration Association is established. This yearly celebration promotes community engagement, tourism, and unity to The city by hosting diverse events.

1890 — The City of Laredo produced by Jorge Perez showed an expanded town plaza, with 23 plazas and all the ejidos subdivided by blocks



1889 — Establishment of Street Car Service on December 5, 1889. Foot and wagon bridge was constructed at Convent Avenue



History of the City of Laredo Texas

Beginnings

San Agustín de Laredo, a colonial city of New Spain founded in 1755, was named for a town in Santander, located on the north coast of Spain. The Spaniard José de Escandón as part of a program to colonize northern Mexico established Nuevo Santander, one of the last northern provinces of New Spain. Appointed governor, Escandón was responsible for the colonization along the Río Grande, and a chain of six settlements were established, with Camargo being the earliest in 1749. The other outposts included Reynosa (1749), Dolores (1750), Revilla (1750), and Mier (1752). Since no missions or presidios were associated with its founding, Laredo is considered the oldest independent settlement in Texas and is the only remaining Spanish colonial settlement on the north bank of the lower Río Grande.

Laredo was founded on the north bank of the Río Grande on May 15, 1755, when Captain Tomás Sánchez, with three families, was granted permission to settle 15 leagues of land near an Indian ford on the Río Grande. Operated as a family *rancho*, the Sánchez estate ran cattle, sheep, goats, horses, mules and oxen. In 1767, the city was laid out, and in the years to follow, ranching became the sustenance of the colony.

The 1757 inspection reported eleven families owning 100 cattle, 125 mules, 712 horses, and 9,089 sheep and goats. The first Texas cattle drives took place along the San Antonio-Laredo road to Saltillo in the 18th century, and Laredo became an important frontier outpost on the lower *Camino Real*, or King's Road, which stretched from Saltillo through San Antonio to Los Adaes. During the Spanish-Mexican period, the Texas cowboy was born. Round-ups of wild cattle called *mesteños* were regulated by the City Council, and brands were publicly registered.

The Spanish settlement became a Mexican city in 1821 when Mexico gained its independence from Spain, and, during the early 1800s, a trading economy developed as cattle hides and wool were traded south in exchange for food and household necessities. However, trade was disrupted and many *ranchos* were wiped out by the raids of the Comanche and Apache Indians who reaped the spoils of war and gained prestige in their warrior-based societies. The Carrizos, another group of Native Americans who practiced a hunting-gathering existence, were decimated by disease and eventually assimilated into Spanish culture.

Disgruntled with the Mexican centralist government's rule by dictatorship and its complacency in defending the northern frontier from Indian attack, many Laredoans supported the constitutional convention which created the Republic of the Río Grande on January 7, 1840. Laredo became a capital of the new republic which attempted to unite Tamaulipas, Nuevo Leon, and parts of South Texas. After several skirmishes with the Mexican army, the short-lived republic came to an end, enduring only 283 days. Although the Republic of Texas, which had won its independence from Mexico in 1836, attempted to claim Laredo, its citizens remained loyal to Mexico after the defeat of the Republic of the Río Grande.

In 1845, the annexation of Texas by the United States led to the declaration of war against

Mexico. Shortly after the fall of Mexico, the Río Grande was declared the boundary between the United States and Mexico. Under the Treaty of Guadalupe Hidalgo, Laredo officially became part of Texas. Mexicans who wanted to retain their citizenship moved across the river. This area previously settled as part of Laredo was named Nuevo Laredo in 1848.

Urbanization

The development of Laredo, from a small Spanish settlement to a bustling metropolitan city, is evident in its urban landscape. Central to the urbanization of Laredo was the development of a street grid based on the Spanish plaza settlement system. In 1767, Juan Fernando de Palacios, the governor of Nuevo Santander, New Spain, officially designated Laredo as a villa, laid out a central plaza, and issued porciones or land grants to settlers. Town lots were assigned for public and private uses, and six leagues of land surrounding the villa were designated as ejidos, or common pastures. Town lots measuring 20 x 40 varas were laid out around the plaza. The depth of the town lot was laid out "for the greater comfort of the owners, and in order that they may build enclosures and patios in which they may keep their cattle and horses." The streets were laid out 10 varas in width "so that people may go in and out on horseback with ease and without danger." Central to the plan was the rectangular plaza which was 100 varas in length and 80 varas in width. This original Spanish plaza was used to corral cattle during roundups for branding and for public gatherings such as readings of decrees.

After the Civil War, this traditional Spanish plaza town plan was expanded by Mayor Samuel Jarvis. Knowledgeable in engineering, Jarvis surveyed the city to advance its development. On October 18, 1869, the City Council passed a resolution that officially adopted the "new map that the mayor made of the streets." Jarvis laid out plazas and named many of the streets alternately for Mexican and American heroes, while others he named for his daughters. Later in 1872, Samuel Jarvis and the City Council ordered the subdivision of the ejidos (common pasture lands) leased and sold. Samuel Jarvis's vision soon became reality as the city would experience a period of unprecedented growth and emerge as a major international land port.

From Villa to the "Gateway City"

1881 marked the transformation of Laredo from a villa to a booming "gateway" city with the arrival of the railroads. Laredo became a major thoroughfare for trade between the United States and Mexico, augmented by the Zona Libre, or free trade zone established between Laredo and Nuevo Laredo. The rediscovery of Spanish coal mines 29 miles northwest of the city assured a supply of fuel for the railroads. These coal deposits which ran along the Río Grande north to Eagle Pass were the largest in the United States. Another boost to the local economy was the late 19th century expansion of nearby Ft. McIntosh, founded in 1849 on the Paso del Indio, an old Indian crossing northwest of the city. The city's population tripled from 3,521 in 1880 to 11,319 in 1890 as emigrants from Europe and all parts of the United States moved to Laredo seeking employment and business opportunities.

Two town plans charted the city's expansion. The 1881 Plano de los Dos Laredos created by E.

R. Laroche, an engineer hired by the Mexican government, was a binational town plan designed to accommodate the economic and demographic expansion of the cities resulting from the revolutionary impact of the railroads in the movement of goods and services. Construction began on the railroad from Monterrey to Nuevo Laredo in 1881, and the state became imbued with an expectation of economic growth and prosperity of the Porfirian era, as the two Laredos emerged as important international ports. Nine years later, the 1890 City Map of Laredo produced by Jorge Pérez showed an expanded town plan with 23 plazas, and all of the *ejidos* (three square miles) subdivided into blocks.

During the 1880s, the city of Laredo began to expand northward from San Agustín Plaza. The city grew north along Flores Avenue, which became the main business artery. The building of a new City Hall in 1883-1884 caused businesses, hotels, and restaurants to locate north of San Agustín Plaza. Known as El Mercado, the rear portion of the building housed stalls for vendors who offered all types of produce and other articles for sale. Several Mexican-style commercial buildings were erected around the Mercado. These brick structures were characterized by flat roofs with extended parapets, hood molds over arched windows, and dentiled cornices. A zaguán, or arched carriage entrance was another prominent feature. Other buildings featured American Late Victorian ornamental cast iron facades imported from the industrial Middle West.

Bridging Two Cities

The site of Laredo has been a well know point for crossing the Río Grande. The settlement was located near the Paso de los Indios, an old Indian crossing noted by explorer Jacinto de Leon in 1745.

The first international bridge was a temporary railroad structure erected in 1881 shortly after the arrival of the railroads. It was not until 1889 that the Foot and Wagon Bridge was constructed at Convent Avenue, with the material for its entire construction being exported from Toledo, Ohio. After a fire destroyed the bridge in 1920, a second International Bridge was constructed and opened to the public in 1922. The wild, untamed river was master in the 1954 flood. Purportedly the second largest flood in the Laredo's history, the raging waters inundated the Second International Bridge. This prompted the construction of the existing bridge which accommodates more than seven million pedestrians annually.

Laredo’s Barrios

Those families of the highest social status located their homes in close proximity to the plaza, while others of lesser status located on the periphery. Neighborhoods, or barrios, developed on the periphery of the centro, or downtown commercial district. Escuelitas, or small private schools, and kindergartens were established to educate Spanish speaking youth.

Characterized by vernacular as well as high style architecture, late 19th and early 20th century barrio architecture exhibited a blend of Mexican and American concepts of living. These traditional Mexican residences featured flat concrete roofs. Located east of the centro on the banks of the Río Grande, the Azteca barrio is considered one of the oldest residential areas in

History of the City of Laredo Texas

Laredo, since lots were deeded as early as the 1870s and 1880s. El Azteca, named for the Azteca Theater which opened in 1922. Today, El Azteca is nationally recognized for the integrity of its architecture and urban form. El Cuatro was another early barrio which sprang up west of the centro. The name, El Cuatro, was derived from the city voting precinct in which the barrio was located - the "Fourth Ward." In 1865, the post was manned by a company of the 62nd U.S. Colored Infantry. Since that time a number of black units were stationed at the fort, including Company K of the Black Twenty-fifth U.S. Infantry in 1906.

As the city expanded, two elite residential neighborhoods developed. St. Peter's neighborhood was located immediately northwest of the centro. This neighborhood developed between 1881 and World War I. Developed in proximity to a public plaza, the neighborhood was named for St. Peters, the first English speaking Catholic Church, constructed by Heinrich Portscheller, a German craftsman, in 1897.

Laredo's first elite suburban development was closely connected with the electric street car service. In 1888, the Laredo Improvement Company was chartered by the state of Texas to purchase property, erect buildings, accumulate and loan funds, and construct a street railway system. The street car system, possibly the first west of the Mississippi, was designed to attract prospective buyers in the Heights residential addition owned by the Laredo Improvement Company. With the establishment of the street car service on December 5, 1889, a real estate boom occurred between 1889 and 1895.

The tumultuous Mexican Revolution of 1910-1920 brought a tide of emigrants to Laredo.

Known today as the city under seven flags, Laredo has emerged as the principal port of entry into Mexico. This border metropolis has greatly benefited from the well-planned, historic "Streets of Laredo," and its urban core continues to be reinvigorated as commercial areas and neighborhoods make the "Gateway City" their home. In 2005, Laredo celebrated the 250th anniversary of its founding.

Budget Policies & Guidelines

Budget Development

Planning

Planning for the new budget began in January of 2025 and concluded with the budget workshop held on August 14, 2025, where the City Manager presented the work plan for the upcoming fiscal year to City Council. The core strategy of the new budget continued to focus on public safety, infrastructure, health and social services, and education and workforce development.

During departmental budget reviews conducted in May and June, City management examined revenue projections and expenses to develop the preliminary City budget. General Fund departments were required to make difficult decisions about their budget for the next fiscal year and prioritize their department needs. Working alongside City management, they were able to present a balanced budget to City Council. This collaboration enabled the City Manager to present the FY 2025-2026 proposed budget to City Council on July 29, 2025. Amendments approved at the budget workshop were incorporated into the proposed budget, which was then presented at the initial public hearing on September 2, 2025. The final budget was adopted on September 15, 2025.

To ensure transparency and provide opportunities for public input, the City Manager held three public budget workshops:

- March 24, 2025: Budget recap, overview, and strategies priorities
- May 28, 2025: Revenue updates, department requests, and survey release
- July 1, 2025: Third party funding, preliminary expenses, CIP, financial policies and district priority funding.

Bond Referendum Outreach
The City held several public meetings to share information and gather resident feedback regarding the tax-related referendum. Information is available at:
https://www.cityoflaredo.com/government/bond-referendum/learn-more-about-bond-referendum

Community Budget Survey
The annual budget survey was released on March 14, 2025. The survey and results are available at: https://www.cityoflaredo.com/home/showpublisheddocument/20479/638844530962970000

Some responses may have been influenced by the concurrent bond referendum. Participation levels were consistent with previous surveys, and the number of neutral responses may indicate general satisfaction.

Balanced Budget

A balanced budget is one in which total financial resources available for a given fiscal year, including projected revenues plus the unreserved balance from the prior year are equal to or greater than the appropriations for that year.

Budget Policies & Guidelines

Contingency Plan

Revenues for the present fiscal year are continually being monitored. If adverse variances persist for two months out of any given quarter, corrective action to reduce expenses may be implemented, while considering the effect that local economic conditions could have on the remainder of the year.

Requirements

Home-Ruled City

The Texas Legislature established the City of Laredo as a charter in 1848, and the City adopted a home-rule charter in 1911. On June 14, 1981, voters adopted, by special election, a City Manager form of local government. By State law, the City Manager shall serve as the budget officer (Vernon's Texas Civil Statutes, Local Government Code (LGC), and Section 102.001). The budget officer prepares the annual budget in order to fund a government's proposed expenditures (LGC, Section 102.002). Through the authority granted by local voters, the City Council adopts the budget, sets the tax rate, and imposes taxes, user fees, and other charges to generate sufficient revenue to fund governmental operations.

Legal

The City of Laredo's annual budget is prepared in accordance with the Local Government Code. The LGC requires an incorporated city to develop an annual budget that itemizes proposed expenditures in comparison to actual expenditures from the preceding year as well as the precise cost of projects appropriated for in the forthcoming year (LGC, Sections 102.003, 102.003b).

The annual operating budget is a complete financial statement that depicts the following: a) the outstanding obligations of the municipality; b) cash on hand held by each fund; c) funds received from all sources during the preceding two fiscal years; d) funds available from all sources during the ensuing fiscal year; e) estimated revenue available to cover the proposed budget; and f) the estimated tax rate required to cover the appropriated budget.

The City Manager may require any City officer or board to furnish information that is deemed necessary in order to prepare the budget (LGC, Section 102.004). The City Manager submits the proposed budget to City Council at least sixty (60) days prior to the end of the fiscal year, which runs from October 1 to September 30. The proposed budget for FY 2025-2026 was submitted to City Council on July 29, 2025.

Public Hearings

In accordance with State law and the City Charter, the City Council conducted a public hearing on the proposed budget prior to establishing the property tax rate for the upcoming fiscal year.
Pursuant to LGC, Section 102.006, public notices announcing the date, time, and location of the proposed budget and the required public hearing were published from August 2 through August 6, 2025, in a newspaper of general circulation.

Budget Policies & Guidelines

A public workshop was held on August 14 to discuss key budget elements and address community feedback. The public hearing on the proposed budget was held on September 3, 2025.

Filing for Record

After adoption by the City Council, the City Secretary files the approved budget with the office of the county clerk (LGC, Section 102.008, 102.009d). A copy of the final budget document is available to the public in the City of Laredo City Secretary's Office.

Levy of Property Taxes

The City may levy property taxes only in accordance with the budget (LGC, Section 102.009a). However, the adoption of the tax rate must be separate from the vote adopting the budget (Property Tax Code, (PTC), Section 26.05b). The property tax rate must be adopted before the fiscal year-end of September 30 or by the 60th day after the date that the certified appraisal tax roll is received. The property tax rate consists of two components: (1) the amount of taxes required to pay for maintenance and operating expenditures and (2) the amount of taxes required to pay for debt service (PTC, Section 26.05a). The governing body may not adopt a property tax rate that, if applied to the total taxable value, would produce an amount in excess of last year's levy until it holds a public hearing on the proposed tax rate. (PTC, Section 26.05d). The total tax rate for FY 2025-2026 is 0.506090 per 100 valuation (0.377599 for Operations & Maintenance and 0.128491 for Interest & Debt Service). The tax rate was adopted on September 15, 2025.

Emergency Procedures

A public emergency is considered to be any event or phenomenon affecting the life, health, property or general peace of the public. To the extent that there are not any unappropriated revenues available to support an emergency appropriation, City Council may authorize the issuance of emergency certificates as allowed by law. In its history, the City of Laredo has never exercised this option. Nevertheless, should the budget be amended to meet an emergency, the City Secretary shall file the modifying resolution with the office of the county clerk (LGC, Section 102.009b, c, d).

Amendments After Adoption

At any time during the fiscal year, the City Manager may transfer the unencumbered balance of appropriated funds, or portions thereof, among programs within a department, office, or agency. However, transfers of an unencumbered appropriated balance from one department, office or agency to another department, office or agency, require the approval of City Council through the issuance of an ordinance and budget changes must be documented in a public register that is made available for public inspection. (City Charter Section 6.07)

Budget Policies & Guidelines

Capital Improvement Program

The City Manager prepares and submits a five-year capital program at least 60 days before the end of the fiscal year (Laredo City Charter, Section 6.05). A public notice of general summary must be published on five separate days in an official newspaper prior to such a hearing. This notice was provided from August 2 through August 6, 2025 (Laredo City Charter, Section 6.06).

Financial Policies

The City follows generally accepted accounting principles (GAAP) as established by the Governmental Accounting Standards Board and the American Institute of Certified Public Accountants. The City has earned the Government Finance Officers Association's "Certificate of Achievement for Excellence in Financial Reporting" every year since 1988 and the "Distinguished Budget Presentation Award" since 1991.

An independent accounting firm conducts the City's annual audit within thirty (30) days after the fiscal year ends. The City manages all financial transactions through a computerized system (IBM Power10 and Superion NaviLine) to ensure accuracy and accountability.

Fund Structure

The City organizes its finances into separate funds, each functioning as its own accounting unit with its own revenue, expenses, assets, and liabilities. Most City funds fall into three categories: Governmental Funds, Proprietary Funds, and Fiduciary Funds.

Governmental Funds

Used for activities supported by taxes and other general revenues. They focus on current, "available resources.

1. General Fund: The primary operating fund for general City services.
2. Special Revenue Funds: Tracks revenues legally restricted for specific purposes (33 funds in FY2025-2026).
3. The Debt Service Fund: Pays principal and interest on long term debt, funded mainly by property taxes. (1 fund).
4. Capital Projects Funds: Used for major construction or infrastructure projects, such as Capital Improvements Fund, the Airport Construction Fund, Capital Grants Fund, a Parks Capital Fund, and various Contractual Obligation Funds.
5. Permanent Funds: Restricted so only investment earnings may be spent (1fund).

Budget Policies & Guidelines

Proprietary Funds

Operated similarly to private sector businesses and relies on fees or reimbursements.

1. Enterprise Funds: Provide services to the public funded through user fees (6 funds).

2. Internal Service Funds: Provides goods or services to City departments on a cost-reimbursement basis (4 funds).

Fiduciary Funds

Used when the City holds funds on behalf of others.

1. Pension Trust Funds: Manages employee pension assets (1 fund).

2. Private-Purpose Trust Funds: Support trust arrangements benefiting individuals or organizations.

3. Agency Fund: Custodial in nature; assets always equal liabilities (1 fund).

Basis of Accounting

The City uses both the accrual and non-accrual methods of preparing the financial statements of its various funds. Governmental Funds are accounted for on a modified accrual basis of accounting. Under this method, revenues are recognized in the period they become available and measurable, and expenditures are recognized in the period the associated liability is incurred. Proprietary and Fiduciary Funds are both prepared on an accrual accounting basis. Therefore, revenue is recognized when it is earned and expenses are recognized when they are incurred.

Basis of Budgeting

The budget for Governmental Funds is prepared using the modified accrual basis of accounting, in which revenues are recognized in the accounting period where they become both measureable and available. Proprietary Funds are budgeted using the accrual basis of accounting with revenues recognized when they are earned and expenses recognized when they are incurred.
However, capital outlay items and principal payments on debt service are reported as expenses and no provisions are made for depreciation.

Revenue projections are based on historical trends of the various line items and are adjusted for the ensuing fiscal year's economic outlook. Expenditure estimates provided by City departments include funding for (a) their existing operations, (b) the development of new programs, and (c) the acquisition of new equipment. Budget requests are based upon a review of the previous two (2) fiscal years' actual expenditures coupled with funding levels required to support operations for the subsequent fiscal year. Department directors submit their requests to the City Manager who determines the final expenditure level, although proposed expenditures may not exceed projected revenues.

Budget Policies & Guidelines

Fund Balance

The City adopted GASB Statement No. 54 "Fund Balance Reporting and Governmental Fund Type Definitions effective October 1, 2010. Fund balances are classified as non-spendable, restricted, committed, assigned or unassigned in governmental funds. Non-spendable fund balance cannot be spent because of legal or contractual requirements. Restricted fund balances have restrictions for specific purposes which are either imposed externally or by enabling legislation. Committed fund balances can only be used for specific purposes pursuant to constraints imposed by City Council through ordinance. Committed funds cannot be used for other purpose unless it is removed or changed in the same manner by City Council.

Assigned fund balances are amounts that are constrained by the City's intent to be used for a specific purpose, but are neither restricted nor committed. This intent shall be expressed by the City Council. The Assigned fund balance also includes residual positive fund balances that are neither Restricted nor Committed in all governmental funds with the exception of General Fund. Unassigned fund balances include residual positive balance within General Fund or may also include negative balances for any governmental fund type.

The City, as per City Charter of the City of Laredo, has set aside 15% of expenditures of the General Fund as cash reserves or minimum fund balance. If at any time the reserves fall below this threshold, City management will develop a plan, approved by the City Council, to restore the fund balance reserves to 15% of expenditures.
The following timetable was used to prepare the FY 2025-2026 budget for the City of Laredo:

February 21	Department Kick-off Email
February 27-28	Budget Level Entry Department Trainings
March 14	Health Insurance Rates, Workers' Compensation
March 14	Citizens Budget Survey released
March 18	Internal Service Funds Budget Completed (IT, Health & Benefits, Risk, & Fleet)
March 21	**Revenues dues**
March 24	Council Budget Strategic Meeting
March 28	**Expenditures due**
April 4	**Payroll Reports due**
April 25	Budget Fund Summaries due
May 28	Second Council Budget Strategic Meeting
June 18	Performance Measures due
July 1	Third Council Budget Strategic Meeting
July 25	Certified Tax Roll due from Webb County Appraisal District
July 29	**Present Operating Budget & (CIP) to City Council**
August 2-6	Publish Budget Summary, CIP Notice, and Hearing Notice
August 14	**City Council Budget Workshop**
September 2	Public Hearing and Introductory Ordinance
September 15	Final Reading of budget and Tax Ordinance

The Viva Laredo Comprehensive Plan serves as the City of Laredo's long-term roadmap for responsible growth, improved quality of life, and sustainable community development. Originally adopted in 2017 after an extensive public engagement process, the plan captures the shared vision of residents, businesses, and city leaders for how Laredo should grow through 2040. It aligns land use, transportation, housing, and economic policies to ensure that development strengthens neighborhoods, protects natural resources, and supports opportunity for all residents.

The plan was developed around four guiding themes:

1. **Building a Strong Economy** – Encouraging business investment, job creation, and a diversified local economy.

2. **Enhancing Quality of Life** – Expanding parks, public spaces, housing options, and cultural amenities.

3. **Improving Connectivity** – Developing a safe, efficient transportation network that supports all modes of travel.

4. **Promoting Sustainable Growth** – Managing resources responsibly while preserving community character and environmental assets.

Key Focus Areas:

- **Land Use and Urban Form:** Viva Laredo promotes a balanced mix of development that supports compact growth within the city's existing footprint while guiding expansion strategically. The plan encourages revitalization of established neighborhoods, infill development, and mixed-use centers that integrate housing, retail, and employment opportunities.

- **Housing and Neighborhoods:** The plan calls for a range of housing types and affordability options to serve residents of all income levels. It emphasizes reinvestment in existing neighborhoods, improving infrastructure, and strengthening community identity through urban design standards and neighborhood planning.

- **Mobility and Transportation:** Viva Laredo envisions a multimodal network where walking, biking, transit, and driving are all safe and convenient. Major goals include improving connectivity between neighborhoods, expanding pedestrian and bike infrastructure, modernizing transit services, and coordinating transportation investments with future growth patterns.

- **Economic Development:** The plan supports strategies that leverage Laredo's role as a major international trade hub. It encourages diversification beyond logistics by promoting education, technology, healthcare, tourism, and entrepreneurship. Downtown revitalization remains a cornerstone, with emphasis on public spaces, cultural events, and mixed-use redevelopment.

- **Public Facilities and Infrastructure:** Investments in utilities, drainage, public safety, and parks are essential to sustaining growth. The plan prioritizes coordination among departments and alignment between the Capital Improvement Plan (CIP) and long-range land use goals.

- **Environmental Stewardship:** Viva Laredo highlights conservation of the Rio Grande corridor, floodplain management, and protection of natural open spaces. It promotes green infrastructure and sustainable design to mitigate heat, improve stormwater management, and enhance resilience to climate-related risks.

- **Community Engagement and Implementation:** The Viva Laredo Plan was shaped by thousands of resident comments gathered through workshops, online tools, and public meetings. Implementation is guided by measurable actions, partnerships with regional agencies, and annual review through the City's budget and planning processes. Departments use the plan to prioritize projects, evaluate zoning and subdivision requests, and coordinate capital investments.

Looking Ahead

As Laredo continues to grow, the Viva Laredo Comprehensive Plan remains the city's foundation for balanced and inclusive development. The plan reinforces the community's shared vision: a vibrant, connected, and resilient city that honors its cultural heritage while preparing for the future. Through continued collaboration, strategic investment, and public engagement, Viva Laredo will guide the city's progress toward a stronger and more sustainable future for all.

ORDINANCE 2025-O-166

ADOPTING THE PROPOSED ANNUAL BUDGET FOR FISCAL YEAR 2025-2026, BY APPROPRIATING THE REVENUES, EXPENDITURES AND BALANCES REPORTED THEREIN FOR THE YEAR BEGINNING OCTOBER 1, 2025, AND ENDING SEPTEMBER 30, 2026, CONSISTENT WITH THE FINANCIAL PLAN DESCRIBED IN SAID ANNUAL BUDGET (SEE EXHIBIT "A"), MOTIONS APPROVED BY CITY COUNDIL AT PUBLIC WORKSHOP (SEE EXHIBIT "B") AND HOLIDAY SCHEDULE FOR FY2025-2026 (SEE EXHIBIT "C") AUTHORIZING THE CITY MANAGER TO IMPLEMENT SAID ANNUAL BUDGET (AS AMENDED)

WHEREAS, on July 29, 2025, Council was presented with the Proposed 2025-2026 Annual Budget as required by the City of Laredo Charter Section 6.02 Submission of Budget: "at least sixty (60) days before the end of the fiscal year, the City Manager shall present to the Council a budget for the ensuing fiscal year with an accompanying message"; and

WHEREAS, on March 24, 2025, May 28, 2025, and July 1, 2025, Council held workshop meetings to review the progress on the budget; and

WHEREAS, on August 14, 2025, Council held a final public workshop to approve the Proposed 2025-2026 Annual Budget;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LAREDO THAT:

1. The Annual Budget for Fiscal Year 2025-2026, as amended during the budget workshop is hereby adopted, and

2. The following appropriations for Fiscal Year 2025-2026 are hereby authorized as further detailed in Exhibit "A" and incorporated as if set out at length herein:

   Total Operating Expenditures and Transfers $1,011,211,422

3. This ordinance incorporates as if set out here at length the motions approved by City Council attached as Exhibit "B"

4. This ordinance incorporates as if set out here at length the Holiday schedule approved by City Council attached as Exhibit "C"

5. The City Manager is hereby authorized to implement the said budget for the Fiscal Year beginning October 1, 2025, and ending September 30, 2026.

Sports and Community Venue	25,086,142	20,054,094	$ (5,032,048)	-20%
American Rescue Plan Act	3,000,000	-	$ (3,000,000)	-100%
Canseco Endowment Fund	91,397	78,807	$ (12,590)	-14%
Capital Improvements Fund	3,443,594	-	$ (3,443,594)	-100%
Bridge System / Operating	3,816,250	4,878,191	$ 1,061,941	28%
Bridge Construction	5,829,275	-	$ (5,829,275)	-100%
Bridge Refrigerated Inspection Facility	268,363	-	$ (268,363)	-100%
Transit System Sales Tax	11,822,591	9,773,931	$ (2,048,660)	-17%
Municipal Housing	146,075	-	$ (146,075)	-100%
Solid Waste Management	35,739,923	26,226,471	$ (9,513,452)	-27%
Water Availability	15,533,619	17,804,977	$ 2,271,358	15%
Water Capital Improvement	4,264,571	4,824,987	$ 560,416	13%
Fleet Management	827,790	10,984	$ (816,806)	-99%
Risk Management	7,088,324	6,386,420	$ (701,904)	-10%
Informational Services and Telecommunications	222,023	180,778	$ (41,245)	-19%
Health and Benefits	6,776,753	1,000,000	$ (5,776,753)	-85%
Police Trust Fund	2,576,035	1,783,035	$ (793,000)	-31%

- **Health:** is a special revenue fund that does not require a fund balance.
- **Airport:** The decrease in Fund Balance is due to ongoing airport terminal construction funded by an FAA grant that was appropriated in prior years.
- **PEG:** is a special revenue fund that does not require a fund balance.
- **Recreation:** is a special revenue fund that does not require a fund balance.
- **Environmental Services:** is a special revenue fund that does not require a fund balance.
- **Stormwater Improvement:** As the City continues to grow, the increase in fund balance is due to decreasing expenditures, such as debt service.
- **Sports and Community Venue:** The funds will be used for the Sames Arena construction project.
- **American Rescue Plan Act:** The funds will be used to support the Detoxification Fund and assist during the grants waiting process.

- **Canseco Endowment Fund:** is a permanent fund that does not require a fund balance.
- **Capital Improvement Fund:** The City will utilize available reserves from the Capital Improvement Fund to cover eligible one-time expenses and support limited operations in the General Fund.
- **Bridge System:** The fund balance savings will be used to audit the toll collection system (roadside in conjunction with the back-office system) and to integrate accountability measures for the pedestrian turnstiles in the new fiscal year.
- **Bridge Construction:** These available funds will be used for the following projects: World Trade Bridge and Juarez-Lincoln Administration Building Improvements, and the World Trade Bridge and Colombia Solidarity Bridge expansions.
- **Bridge Refrigerated Inspection Facility:** These established funds will be used for major improvements and repairs to the refrigerated facilities at both the World Trade Bridge and the Colombia Solidarity Bridge.
- **Transit System Sales Tax:** The decrease in the Transit System Sales Tax Fund is due to a 3% budget increase in the El Metro Operations Fund, driven by personnel costs and rising prices for parts and supplies needed to maintain the El Metro fleet and facilities.
- **Municipal Housing:** The funding will be used to rehabilitate rental homes that require significant repairs beyond standard maintenance, as several homes are currently in critical need of major work.
- **Solid Waste Management:** Major factors affecting the decrease in fund balance include vehicle maintenance and capital outlay.
- **Water Availability:** Water rights have not been purchased, so the Water Availability Fund continues to grow.
- **Water Capital Improvement Fund** continues to grow because there are not enough designated projects to use the funds at this time.
- **Fleet Management:** A fund balance adjustment is being made to provide relief to departments that were overcharged as part of an Internal Fund. No closing balance is required.
- **Risk Management:** The decrease in the Risk Management Fund balance reflects strategic increases in cybersecurity and audit-related spending, as well as higher claim costs in the General Liability and Animal Mortality categories.
- **Information Services and Telecommunications:** For telecommunications rentals, the City continues to offer sites such as fire stations, parks, and utility compounds to service providers for new tower installations. Lease rates are increased when existing leases expire, and the City requires a signing bonus to offset administrative costs associated with document preparation by external legal counsel.
- **Health and Benefits:** The decrease in the Health Benefits Fund balance reflects rising medical and prescription costs, as well as the City’s efforts to reduce departmental overcharges and lessen the cost burden on employees.
- **Police Trust Fund:** The decrease in the Police Trust Fund is due to police equipment purchases, training expenses, and the renewal of software maintenance agreements for the Police Department.

Annual Budget FY 2025-2026

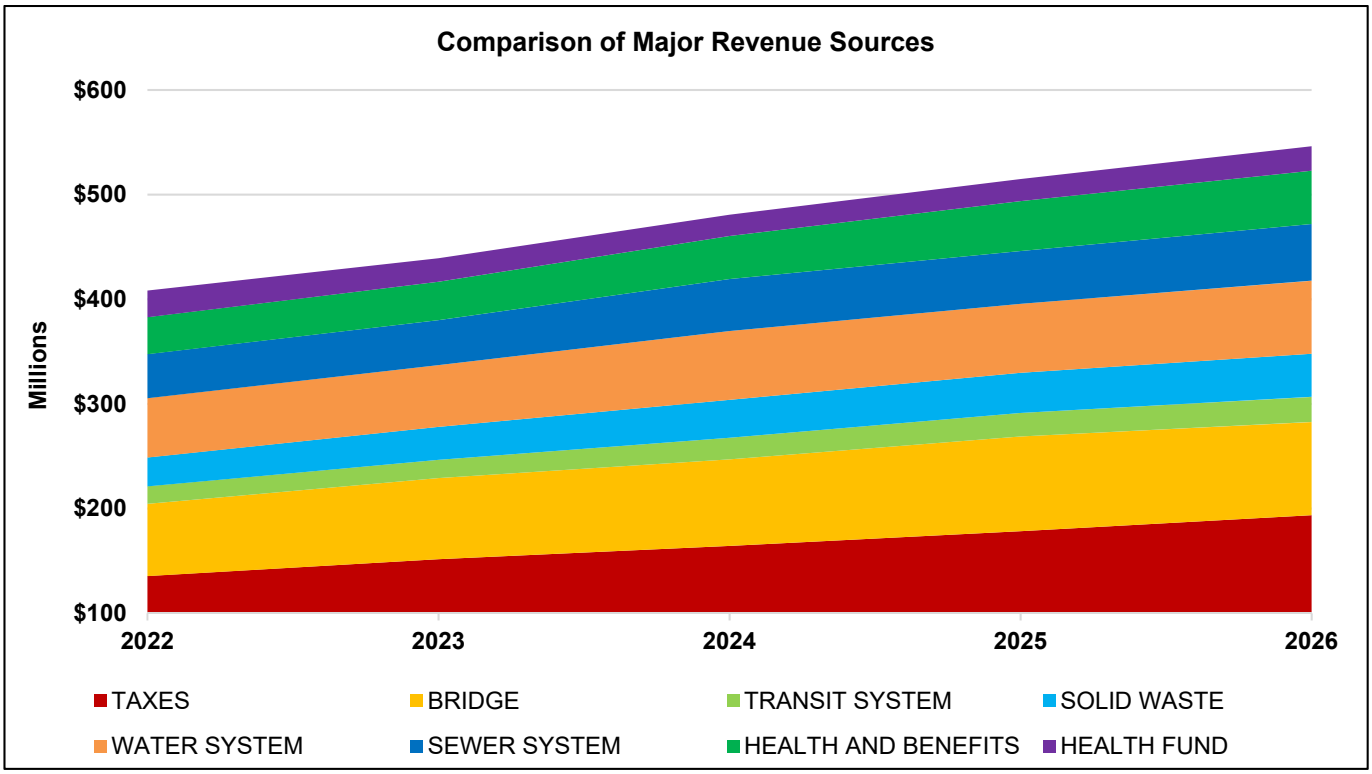
Financial Summaries

Major revenue sources totaling $546,215,615 or 75.50% of total operating budget for City of Laredo.



The chart above shows an overview of our major revenue sources. Most of these revenues are expected to increase in the upcoming fiscal year. Taxes continue to rise because of higher appraised property values. The Health and Benefits Fund is strongly affected by the increase in medical rates, which impacts both the government and employees. Bridge revenues have been lower due to the uncertainty the government is currently facing. The remaining funds are showing a 6–7% increase, supported by the city's continued growth, higher traffic flow, and some rate adjustments.

Revenue Sources	Original FY 2024-2025	Adopted FY 2025-2026	Percentage Change
Taxes (GF & Debt Service)	178,365,605	193,653,175	8.57%
Bridge	90,438,230	89,032,617	-1.55%
Transit System	22,448,039	24,029,479	7.04%
Solid Waste	38,444,021	41,211,245	7.20%
Water System	65,875,914	69,775,387	5.92%

Health and Benefits	47,612,272	50,876,130	6.86%
Health Fund	21,134,571	23,398,364	10.71%

Financial Summaries

Revenues and Expenditures

The following sections focus on the City's revenues and expenditures by reviewing historical data. They summarize the major revenue sources for the City of Laredo, with emphasis on property taxes, sales taxes, Bridge Fund, Utilities, and Solid Waste. To ensure an accurate forecast, we will consider key economic factors such as unemployment rates, household income, population growth, and overall market growth.

The expenditures section explains the operations of each fund and how they have been affected by the different needs such as personnel, materials & supplies and contractual services.

Expenditure Category

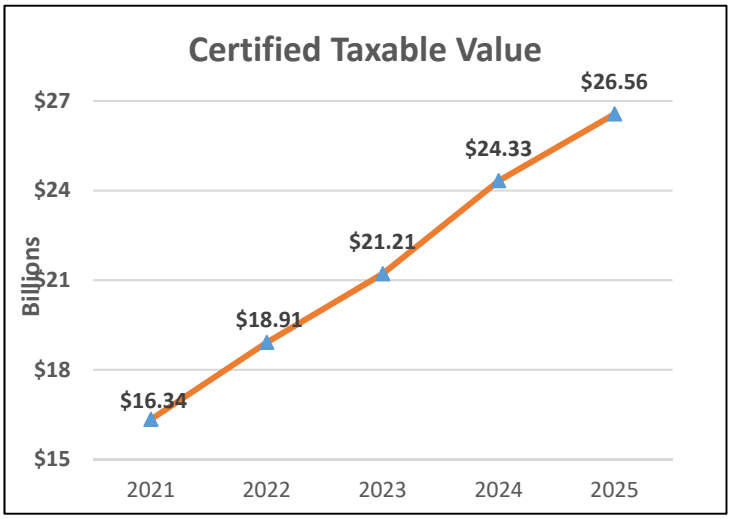
- Personnel Services- Includes employee wages, fringe benefits, and overtime when applicable.
- Materials & Supplies- Includes the physical items needed to support and maintain operations.
- Contractual Services- Includes expenses for services provided through contracts or agreements.
- Other Charges- Includes expenditures that do not fall under any of the other categories, such as reimbursement and miscellaneous costs.
- Capital Outlay- Includes the purchase of physical assets, generally valued at more than $5,000.
- Debt Service- Includes payments for items or equipment that are being leased.
- Intergovernmental Transfers- Includes the transfer of funds between different City funds.

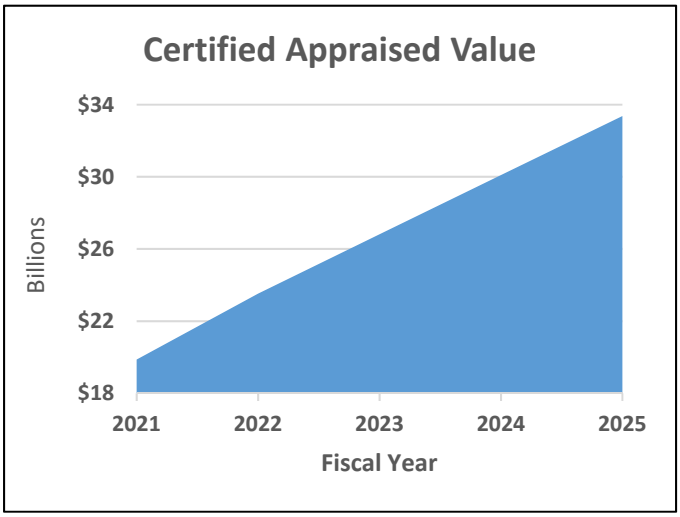
General Fund

Property Taxes

The City's property tax is levied each October 1st on the assessed value listed as of January 1st for all real and personal property located within the City. Property taxes have two components: Maintenance & Operations (M&O) and Interest & Sinking (I&S), also known as Debt Service. The M&O tax rate funds the City's operations, including police and fire services, parks, libraries, public works, and other general government activities. The I&S (Debt Service) tax rate is used to pay the debt obligations related to bonds issued for the City's capital projects.

The tax rate is based on property valuations for existing properties and new construction certified by the Webb County Appraisal District (WebbCAD). All appraisal districts are required to reappraise property at least once every three years.

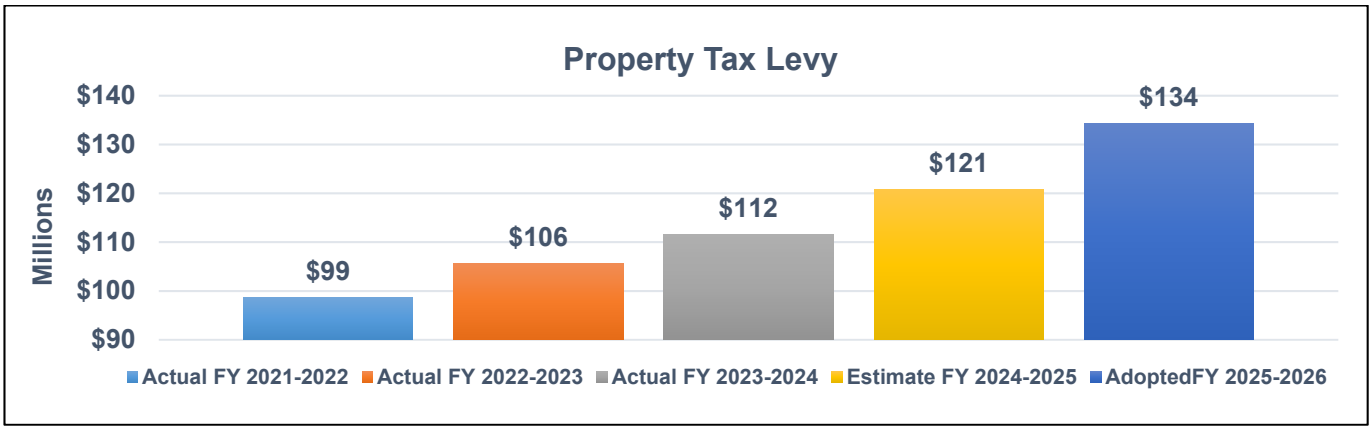




Financial Summaries

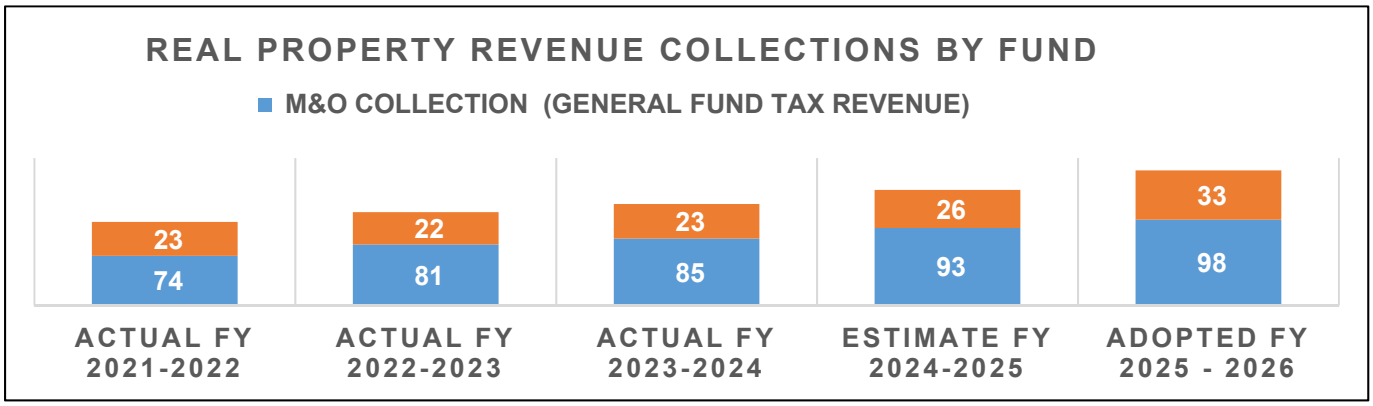
Analysis

According to WebbCAD, both the certified appraised values and the certified taxable values have steadily increased over the past five years. From FY 2023–2024 to FY 2024–2025, the City of Laredo's property accounts, classified as real property, business personal property, utilities, or minerals, increased from 97,745 to 98,200 accounts, reflecting a growth of 0.47%. The property tax levy has increased by 36.11% from FY 2021–2022 to FY 2025–2026 due to growth in new properties and rising appraised values.



Property Tax Rate – The City has not increased the property tax rate for more than twenty years. For FY 2025–2026, the tax rate will decrease by $0.001533.

Adopted Tax Rate (Per $100 of Valuation)					
Tax Levy	**FY 2022**	**FY 2023**	**FY 2024**	**FY 2025**	**FY 2026**
M&O Rate	$ 0.469421	$ 0.449396	$0.419072	$0.396888	$0.377599
Debt Service Rate	$ 0.145949	$ 0.120604	$0.114873	$0.110735	$0.128491
City Tax Rate	$ 0.615370	$ 0.570000	$0.533945	$0.507623	$0.506090



Property Tax Collections – The FY 2025–2026 budget includes General Fund property tax revenues of $98,160,821 and Debt Service property tax revenues of $33,402,757. Real property revenues for FY 2025–2026 have increased by 36.13% compared to FY 2021–2022. Even with a lower tax rate than in previous years, property tax collections continue to rise due to higher property values and the addition of new construction.

Financial Summaries

Sales Taxes

Sales tax is the collected amount from gross receipts of all retail sales on all taxable items that are taxed under the State of Texas and sold within the boundaries of the City of Laredo. The current Texas sales tax rate is set at 8.25% and the City of Laredo collects a small portion of 1.5%. The City of Laredo 1.5% is broken further into three categories: 1% for the City of Laredo, .25% for Sport Venue, and .25% for Mass Transit.

Sales tax revenue is closely tied to income growth and population trends. Retail activity and economic factors—such as the Mexican Peso to U.S. Dollar exchange rate—are strong indicators of whether sales tax collections will rise or fall. Over the past five years, Laredo has seen consistent increases in sales tax revenues, reflecting continued growth and resilience in the local business community.

Laredo's economic strength is strongly connected to its role in supporting international trade and commerce as the largest land port in the United States. According to recent data from the Texas Comptroller, the Consumer Confidence Index in Texas decreased from 102.9 in September 2024 to 88.3 in September 2025, indicating some economic uncertainty. However, historical sales tax collections in Laredo continue to show a steady upward trend, with an average of 8.9% increase over the past five years. If these positive trends continue, Laredo can expect further local economic growth, resulting in increased sales tax revenues for the City from the businesses operating within its boundaries.

Analysis

General Fund includes many departments that provide the basic services our city needs. Some of these departments include Fire, Parks & Recreation, Police, Public Works, and others. Over the years, General Fund operating budget has increased due to the growing demand for services and operational needs. Although the growth is not always consistent and may fluctuate from year to year, it still occurs in different areas, and some expenses are reallocated between categories. Comparing FY 2021–2022 ($244.8 million) to the FY 2025–2026 Adopted Budget ($287.8 million), there is an overall increase of $43 million, which represents a 17.6% rise.

From the table above, Personnel Services increased by about $59.6 million. This growth is largely due to the addition of 81.62 new full-time positions, cost-of-living adjustments to salaries, and higher benefit costs for employees.

Materials & Supplies increased by $439,000, or about 4.6%, mainly due to the additional materials needed to maintain basic operations and the increased usage and cost of fuel within the General Fund.

Contractual Services is one of the expenditure categories that has shown the most consistent growth. It increased by $12.3 million over the last five years, which is roughly a 44.2% increase. In addition to vendor contracts, this category includes payments to Internal Service Funds for services such as vehicle repairs from the Garage Fund and technology services from IT.

Financial Summaries

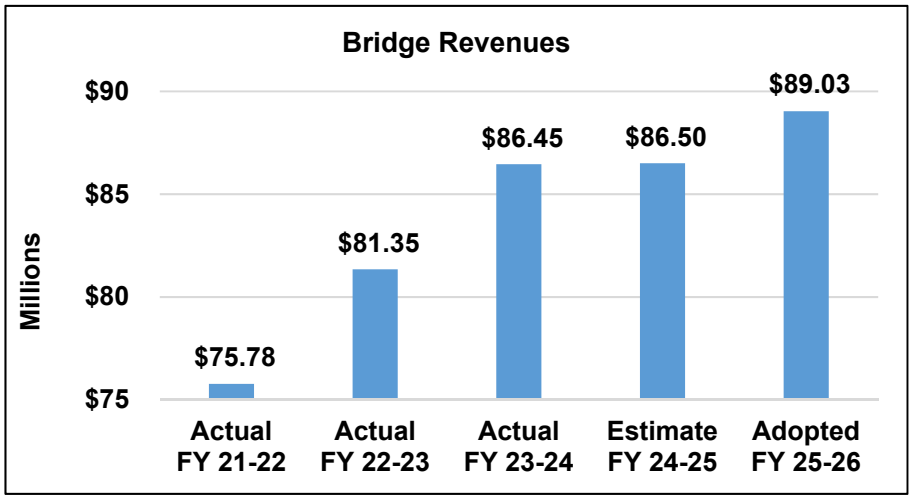
Bridge

As the number one land port in the Western Hemisphere, the City of Laredo and its residents benefit from its strategic geographic location, which places Laredo at the center of commerce between Mexico and the United States. The City relies heavily on Bridge revenues to help fund operations, making it a key source of income. The table below shows the types of crossings allowed at each bridge and the revenue collected from fees for FY 2024-2025.

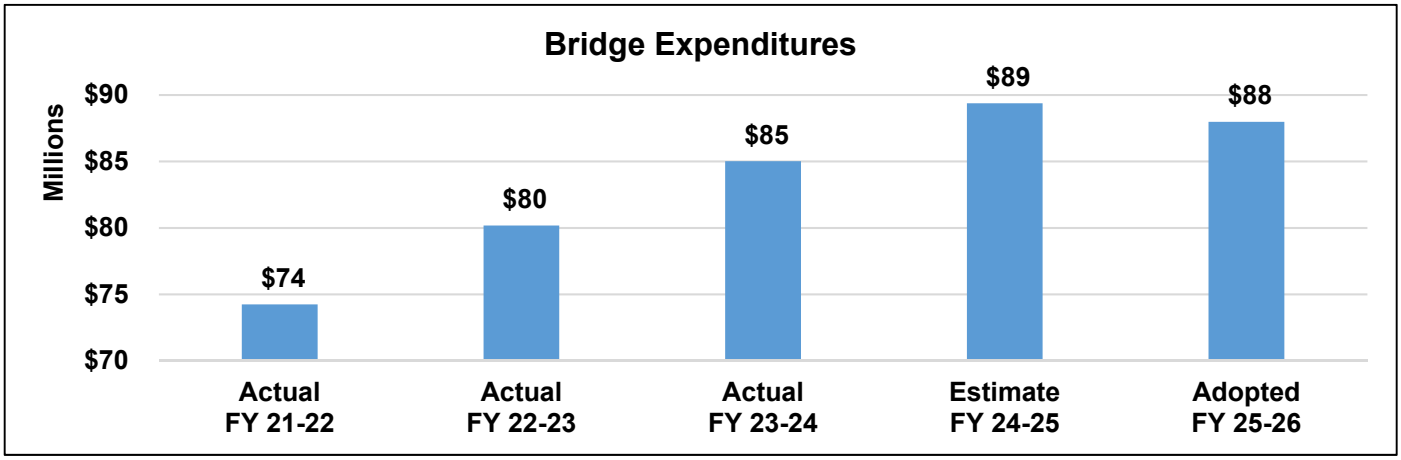
Bridge Name	#	Pedestrians Allowed	Non-Commercial Vehicles Allowed	Commercial Vehicles Allowed	Actual FY 24–25
Gateway to the Americas	1	Yes	Yes	No	$5,176,367
Juarez-Lincoln	2	No	Yes	(Only buses)	$37,430,555
Colombia-Solidarity	3	No	Yes	Yes	$5,616,780
World Trade	4	No	No	Yes	$34,805,226

Analysis

The graph below shows the revenue growth from FY 2021–2022 through FY 2025–2026. After the bridge fully reopened following COVID related closures, revenues increased significantly, with gains of at least 5% each year. However, the estimate for FY 2024–2025 shows revenues remain flat compared to FY 2023-2024. This is likely due to ongoing uncertainty related to federal government actions and tariff issues.



Despite these challenges, we remain confident in the strength of our bridge revenues. Several new companies are relocating to the Monterrey, Mexico region, which is expected to increase cross-border traffic through our bridges. In addition, the City is moving forward with two presidential permit expansions for bridges that handle commercial trucks. These improvements will help support long-term growth and revenue stability.



Financial Summaries

Expenditure Category	Actual FY 21-22	Actual FY 22-23	Actual FY 23-24	Estimate FY 24-25	Adopted FY 25-26
Personnel Services	$ 8,942,728	$ 10,794,267	$ 14,474,371	$ 11,641,433	$ 13,481,705
Materials & Supplies	$ 761,250	$ 936,759	$ 934,639	$ 1,055,212	$ 1,547,142
Contractual Services	$ 43,979,519	$ 47,588,928	$ 51,752,487	$ 12,406,791	$ 17,113,537
Other Charges	$ 46,791	$ 15,852	$ 9,269	$ 42,037	$ 69,738
Capital Outlay	$ 126,583	$ 601,384	$ 677,019	$ 285,194	$ 297,156
Debt Service	$ 8,917	$ 8,943	$ 8,049	$ 11,000	$ 12,000
Intergovernmental Transfers	$ 20,379,055	$ 20,228,083	$ 17,157,322	$ 63,928,061	$ 55,449,398
TOTAL	**$ 74,244,843**	**$ 80,174,216**	**$ 85,013,156**	**$ 89,369,728**	**$ 87,970,676**

Analysis

The Bridge Fund operations primarily consist of five divisions: the four international bridges that they maintain and operate, and a police division that assists with safety and emergencies. While expenditures have generally increased over the years, one major change has been the growth in Intergovernmental Transfers. This increase is due to the General Fund transfer, which, by resolution, receives 50% of all toll revenues collected by the Bridge Fund. This item was originally classified under Contractual Services but was moved to Intergovernmental Transfers to improve best practices and transparency.

This reclassification explains the 61.1% decrease in Contractual Services and the 172.1% increase in Intergovernmental Transfers from FY 2021–2022 to FY 2025–2026. Because of this shift, the changes in these two expenditure categories do not fully reflect actual increases or decreases in spending, even though there were additional costs for Internal Service Fund contracts and transfers between different funds.

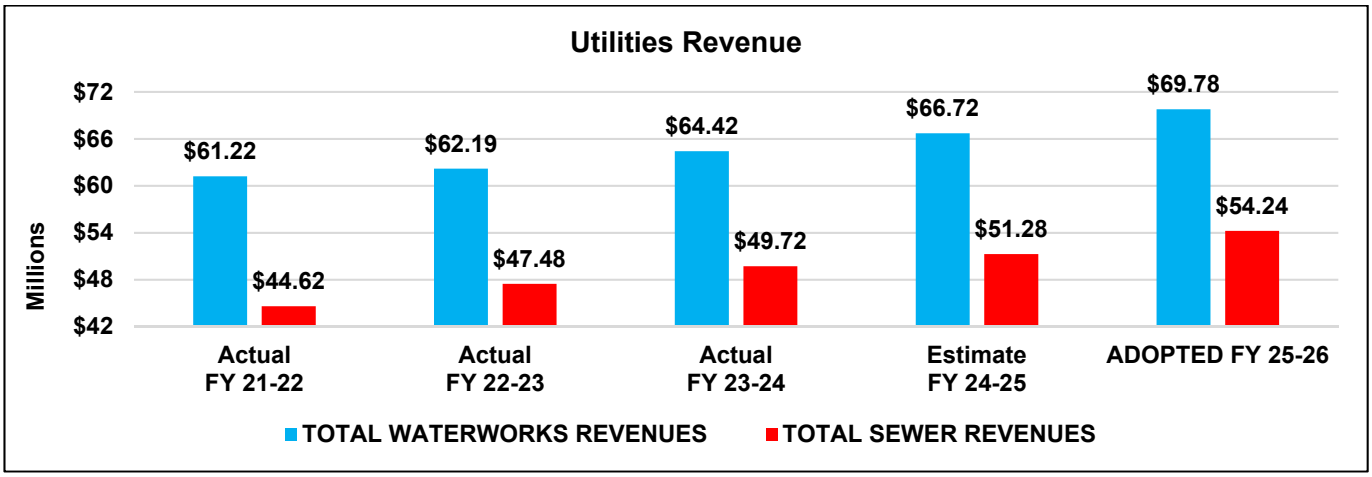
Personnel Services increased by $4.5 million, or 50.8%, from FY 2021–2022 to FY 2025–2026. No new full-time positions were added; however, the increase is due to adjustments made after the Segal compensation study conducted for all City employees.

Materials & Supplies, although a smaller category, experienced an overall increase of 103.2% during the same period. This is mainly due to investments in new computer equipment and maintenance for machinery and equipment.

Financial Summaries

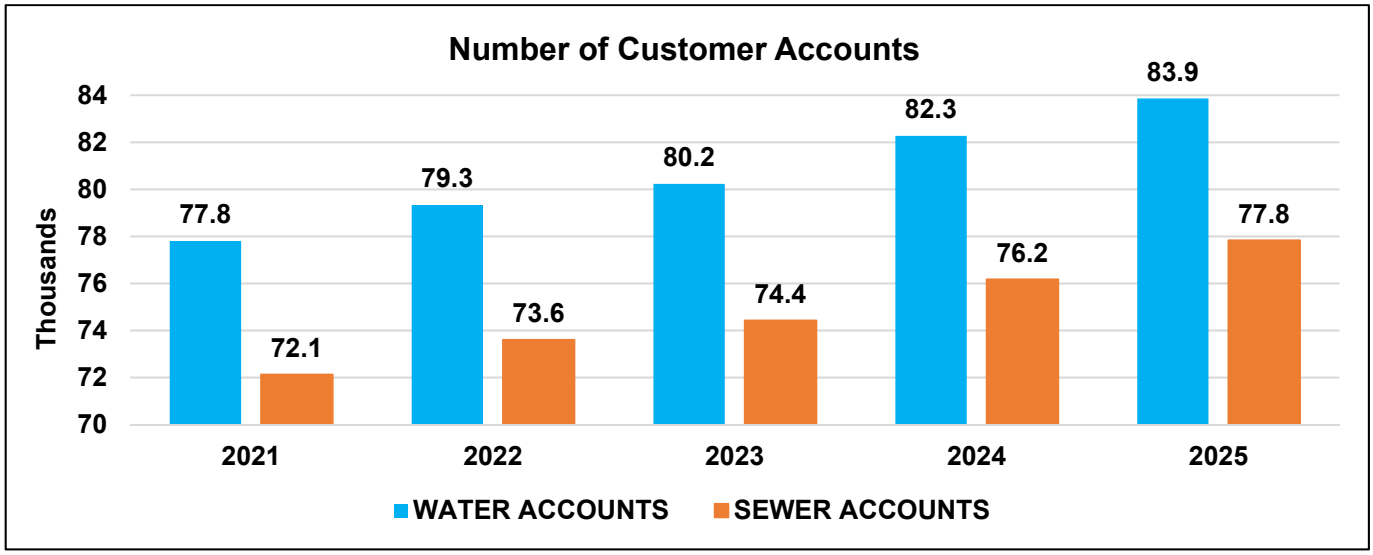
Utilities (Waterworks & Sewer)

The Utilities Department remains committed to providing Laredo residents with sustainable water and sewer services. To meet both current and future needs, a service fee is charged for delivering safe and reliable drinking water and for processing wastewater at the lowest possible cost, while staying in compliance with all Federal, State, and Local regulations. These fees help support operations, maintenance, and debt service for the City's water treatment plants, sewer treatment plants, distribution systems, and collection system.



Analysis

The number of customer accounts has continued to rise over the past several years, and Utilities revenues have increased as well. As shown in the chart above, we see an increase from FY 23-24 to FY 24-25 of nearly 10% in Waterworks and 9% in Sewer compared to the previous year. For the adopted year, revenues estimates are more conservative because we are still awaiting the results of the utilities rate study. The chart below shows a consistent increase of around 2% in customer accounts each year. In FY 24-25, Water accounts increased by 1,593 (1.94%) and Sewer accounts increased by 1,659 (2.18%).



Financial Summaries

Expenditure Category	Actual FY 21-22	Actual FY 22-23	Actual FY 23-24	Estimate FY 24-25	Adopted FY 25-26
Personnel Services	$ 17,280,698	$ 20,019,905	$ 28,666,167	$ 24,728,071	$ 27,093,186
Materials & Supplies	$ 8,326,126	$ 11,187,809	$ 8,617,234	$ 7,589,987	$ 9,051,109
Contractual Services	$ 25,351,362	$ 28,032,870	$ 29,557,666	$ 28,064,146	$ 36,373,323
Other Charges	$ 2,192,870	$ 1,390,494	$ 432,698	$ (101,136)	$ 5,628,782
Capital Outlay	$ 87,126	$ 27,578	$ 73,845	$ 45,553	$ -
Debt Service	$ 13,559	$ 21,898	$ 14,001	$ 6,659	$ 6,535
Intergovernmental Transfers	$ 37,167,565	$ 40,735,839	$ 42,663,862	$ 54,893,626	$ 50,491,167
TOTAL UTILITIES EXPENDITURES	**$ 90,419,306**	**$ 101,416,393**	**$ 110,025,473**	**$ 115,226,906**	**$ 128,644,102**

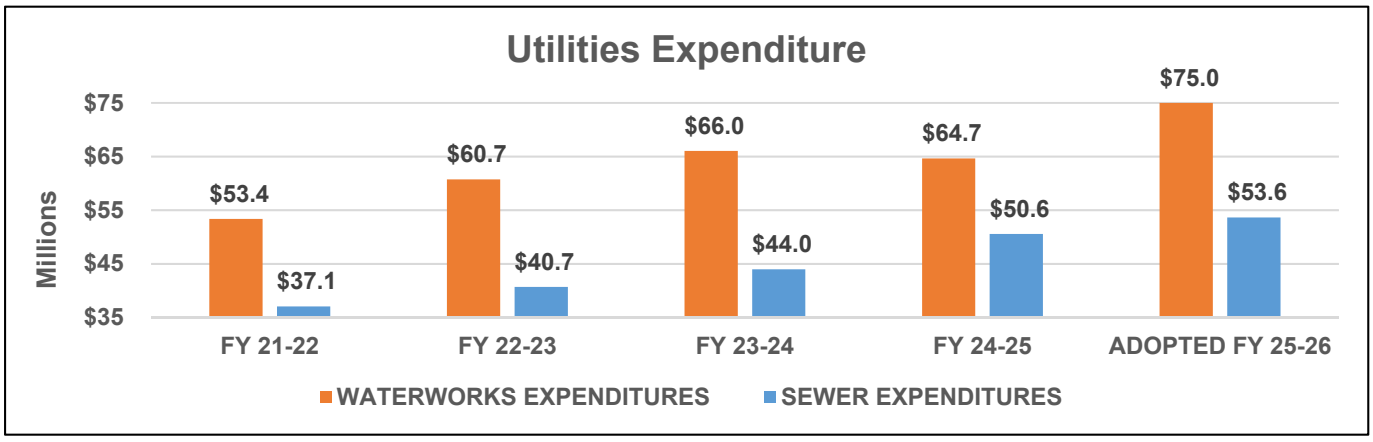
Analysis

Utilities is one of the City's largest funds and includes eleven divisions, eight in Waterworks and three in Sewer. Operational expenditures increased by almost $38 million, or 42.28% over the review period, showing significant growth in a short amount of time. Utilities currently employs 379 full-time equivalent positions. From FY 21-22 to FY 25-26, 26 new positions were added, 6 into Waterworks and 20 into Sewer. Many of the new Sewer positions are tied to the new Manadas Wastewater Treatment Plant. For FY 24-25 personnel expenditures appear lower due to turnover within the department.

Materials & Supplies increased by $725,000 (8.71%) from FY21-22 to FY 25-26 mainly due to higher cost for chemicals and water line materials needed for system maintenance. Contractual Services grew by $11 million (43.48%) over the same period. This increase reflects higher IT service costs, fleet and equipment repair, utility costs, and other contractual services.

Other Charges had been decreasing in prior years, but for the adopted year we established reserves to cover unexpected line breaks, water line replacement emergency repairs. This category increased by $3.4 million, a significant 156.69% rise from FY 21-22 to FY 25-26.

Intergovernmental Transfers have increased steadily every year due to the growing need for construction projects and payments on revenues bonds within Utilities Debt Service. This category increased by $13.3 million, or 35.85%, from FY 21-22 to FY 25-26, making it the highest dollar amount increase category within Utilities.



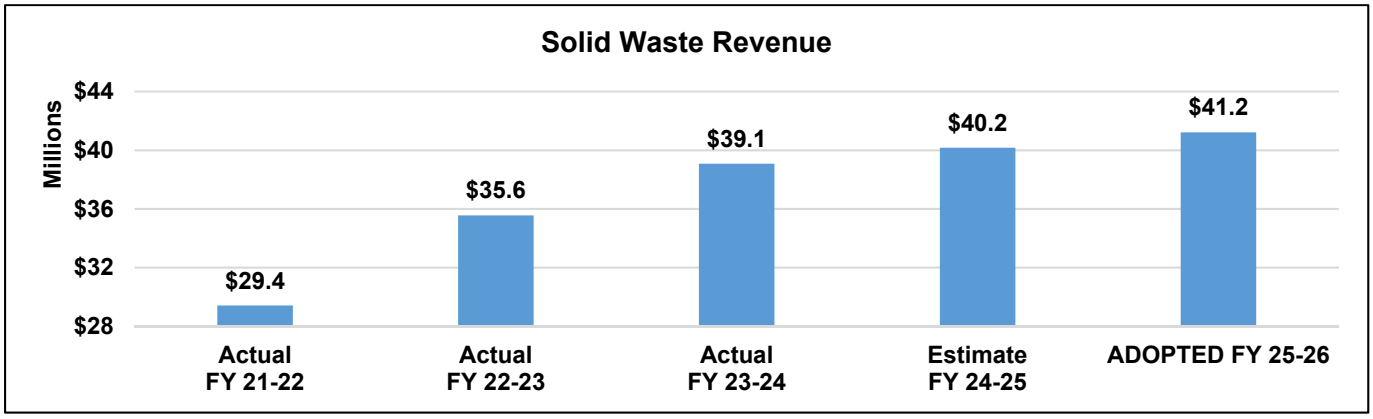
Financial Summaries

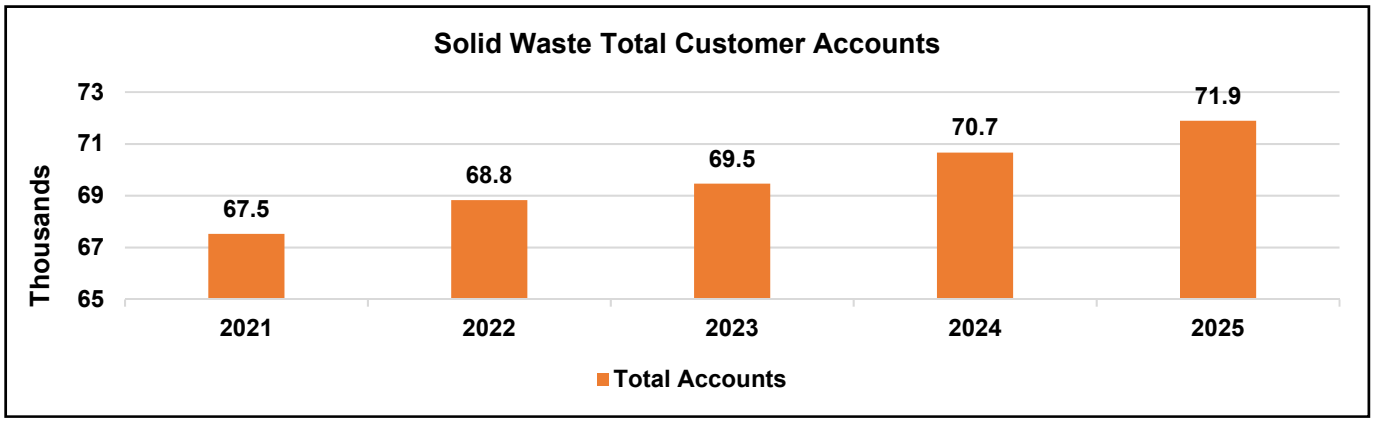
Solid Waste

The Solid Waste Department operates as a self-sustaining enterprise fund. It provides weekly residential waste collection throughout the city and charges service fees that cover the cost of garbage collection and the operation and maintenance of City-owned landfills. Revenue projections are based on the number of households receiving service, the historical growth in new residential construction, and any approved changes to the service fee.

Analysis

There was a 20.87% increase in revenues from FY 2021–2022 to FY 2022–2023, which represents approximately $6.2 million more than the previous year. This increase is primarily due to rate adjustments. For the adopted year, revenue is projected to increase 2.6% because we are taking a conservative approach—similar to other enterprise funds—and the department is undergoing internal restructuring and a fund review. Customer counts have remained steady, with about a 1.7% increase over the past few years. This stable growth reflects the continued expansion of Laredo's residential areas.





Financial Summaries

Analysis

Solid Waste has six operational divisions, and expenditures have varied from year to year based on operational needs. Several years have included drawdowns of opening balances to purchase machinery and equipment. Additional major costs include the purchase of land for a new landfill and depreciation expenses for equipment. These costs appear in the Other Charges and Capital Outlay categories.

From FY 2021–2022 to FY 2025–2026, Solid Waste operational expenditures increased by $23.6 million, an 87.11% rise.

Personnel Services increased by $4 million (44.53%) due to the addition of twenty new employees, cost-of-living adjustments, and higher benefit costs.

Materials & Supplies increased by $400,000 (14.27%), mainly due to higher fuel costs and materials needed to keep the fleet operational.

Contractual Services saw the largest increase—$9.8 million (128.49%)—due to extensive vehicle repairs needed for the Solid Waste fleet and the hiring of consultants.

Other Charges increased by $954,000 (67.15%) because of additional operational needs.

Intergovernmental Transfers increased by $325,000 (5.32%), largely due to bond payments for newly purchased equipment.

The department budget has increased $23.6 million which represents an increase of 87.11% compared from FY 2021-2022 to FY 2025-206. This increase is due to the purchase of land for a new landfill and equipment depreciation. These costs are represented in the expenditures of Other Charges and Capital Outlay.

Expenditure Category	Actual FY 21-22	Actual FY 22-23	Actual FY 23-24	Estimate FY 24-25	Adopted FY 25-26

Five Year Forecast

General Fund

The purpose of the General Fund Five-Year Forecast is to serve as a planning tool to help ensure the City's long-term financial stability. It supports the City's Strategic Plan by aligning financial goals with community priorities. Developing this forecast is part of the annual budget process and is considered a best practice by the Government Finance Officers Association (GFOA). According to the GFOA, a financial forecast is a "fiscal management tool that presents estimated information based on past, current, and projected financial conditions." This helps identify trends in revenues and expenses that could impact city services, strategic goals, or financial policies in the short or long term. With this plan, the City is better equipped to make informed financial and operational decisions.

The forecast uses historical trends in revenues and expenses, along with current and anticipated data. In response to the City Council and management's goal of increasing efficiency, overall expenditures have only grown by 3.5%. This reflects greater accountability and smarter budgeting by City departments.

The Five-Year Forecast provides a financial outlook for the next five years and is organized into two main sections:

- Assumptions, which explain expected changes in revenues and expenses
- Forecast, which projects the City's revenues and expenditures from FY 2025–26 through FY 2029–30

Projections for future years include adjustments for one-time expenses, and the forecast is updated each year as new information becomes available.

Assumptions

These estimates are based on expected major revenue sources like property taxes and sales taxes. On the spending side, projections include anticipated new staff, salary adjustments, increased costs for materials, service contracts, and capital expenses. These are preliminary projections based on discussions during the FY 2025–26 budget process and may change in future years.

Revenues

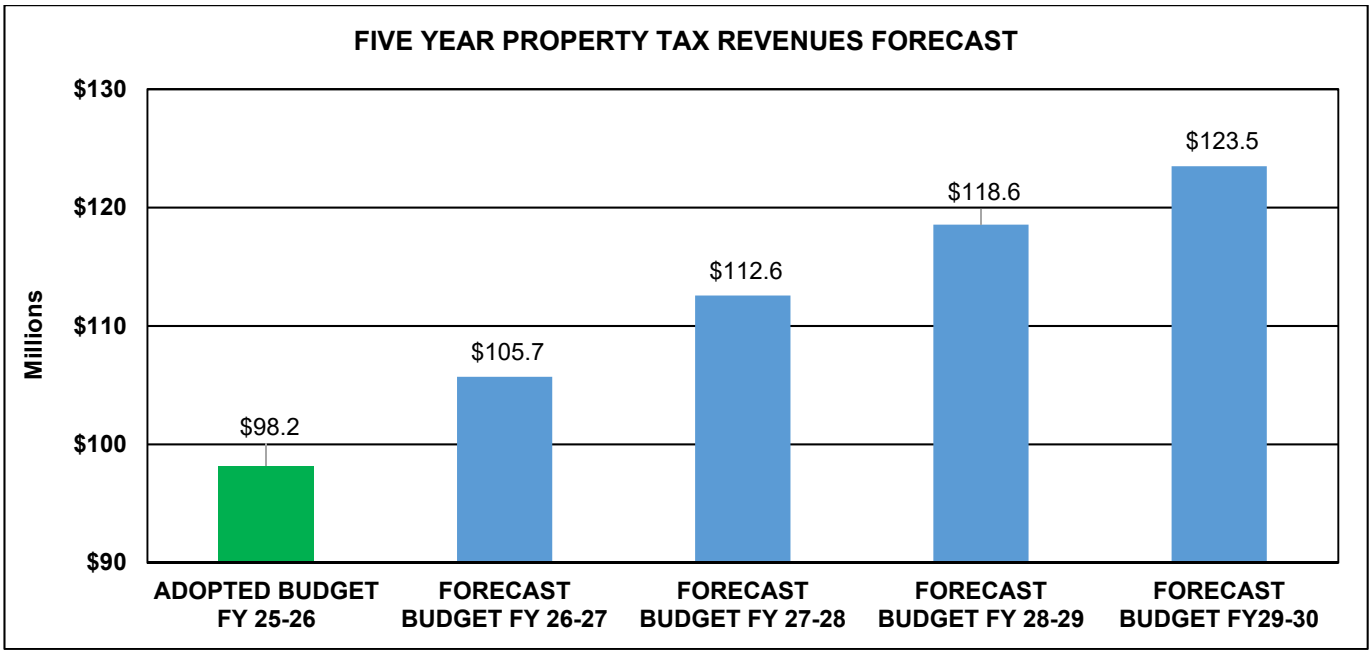
Property Tax

Property tax revenues are expected to grow steadily, reaching approximately $123.5 million by FY 2029–30, as shown in the next section's chart. This projection aligns with trends noted in the FY 2024–25 Adopted Budget.

The increase in property tax revenue is largely due to the growth of the import and export industry. Laredo's close relationship with Mexico and the volume of trade moving through the city has driven this growth. As more businesses and individuals connected to this industry move to Laredo, the construction of new homes and buildings has increased, boosting the property tax base.

This trend suggests that Laredo's economy, and its property tax revenues, will likely continue growing in the years ahead.

Five Year Forecast

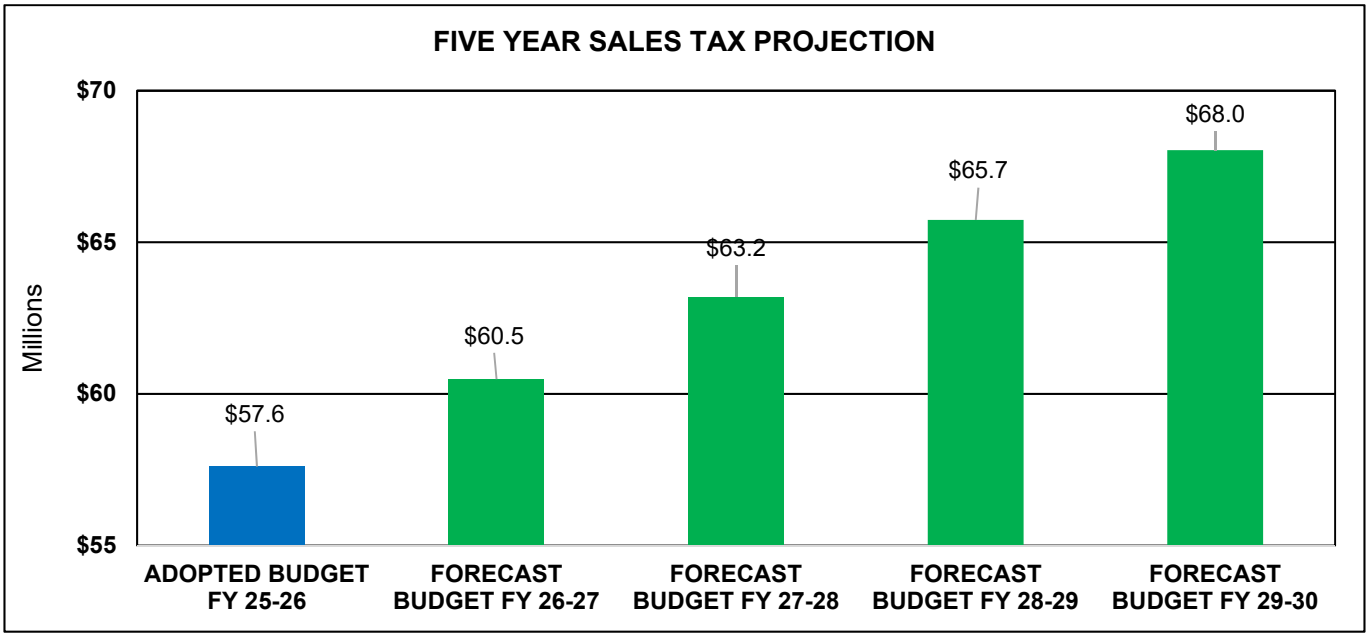


Sales Tax

Based on the chart below, the City is projecting that sales tax revenue will grow to approximately $68 million over the next few fiscal years.The FY 2025–26 Adopted Budget reflects an increase in sales tax revenue compared to the previous year, suggesting the upward trend may continue. However, the increase is modest only about 4% higher than the FY 2024–25 Original Budget.

While earlier forecasts for FY 2024–25 anticipated stronger growth, the actual collections for FY 2025–26 fell short of those expectations. One possible reason is the effect of tariffs and other national economic factors, which may have led local consumers to cut back on spending.

Looking ahead, the City expects a gradual sales tax increase of about 4.2% over the next few years, assuming local, state, and national economic conditions remain stable.



Five Year Forecast

Expenditures

Personnel

When developing the General Fund forecast, one of the most important factors considered is personnel costs. City employees play a key role in daily operations, and the City of Laredo is committed to fairly compensating them and ensuring they have the resources they need to serve the community.

The forecast accounts for upcoming staffing needs, including:

- Two new fire academies to support the opening of two new fire stations
- Absorbing approximately 40 police officer positions currently funded in part by federal COPS grants, which will expire in FY 2027–28 and FY 2029–30
- Two new positions in the Health Department over the next four years to meet rising public health demands
- At least six new positions in the Planning Department over two years to address the growing need for city inspectors
    - These Planning Department positions are expected to be funded through the revenue the department generates

To support its workforce, the City has also included a Cost of Living Adjustment (COLA) in the forecast. This helps ensure salaries remain competitive as the cost of living continues to rise. In addition, increases in employee health insurance premiums are factored into the forecast, so that the General Fund can cover its share of these growing expenses.

Operational Spending

In an effort to control costs, the City is committed to limiting non-essential spending that does not directly impact operations or services.

That said, the forecast does account for expected increases in key areas such as:

- Materials and Supplies
- Contractual Services
- Potential transfers to programs such as the Detoxification Center, in case additional grant funding cannot be secured

By carefully planning for personnel and operational needs, the City aims to maintain service quality while managing its resources responsibly.

Five Year Forecast

One of the City of Laredo's strategic goals is to increase its General Fund balance—essentially the City's savings. However, growing this fund can be challenging because there are limits to how much revenue the General Fund can generate on its own.

The General Fund depends heavily on three main revenue sources:

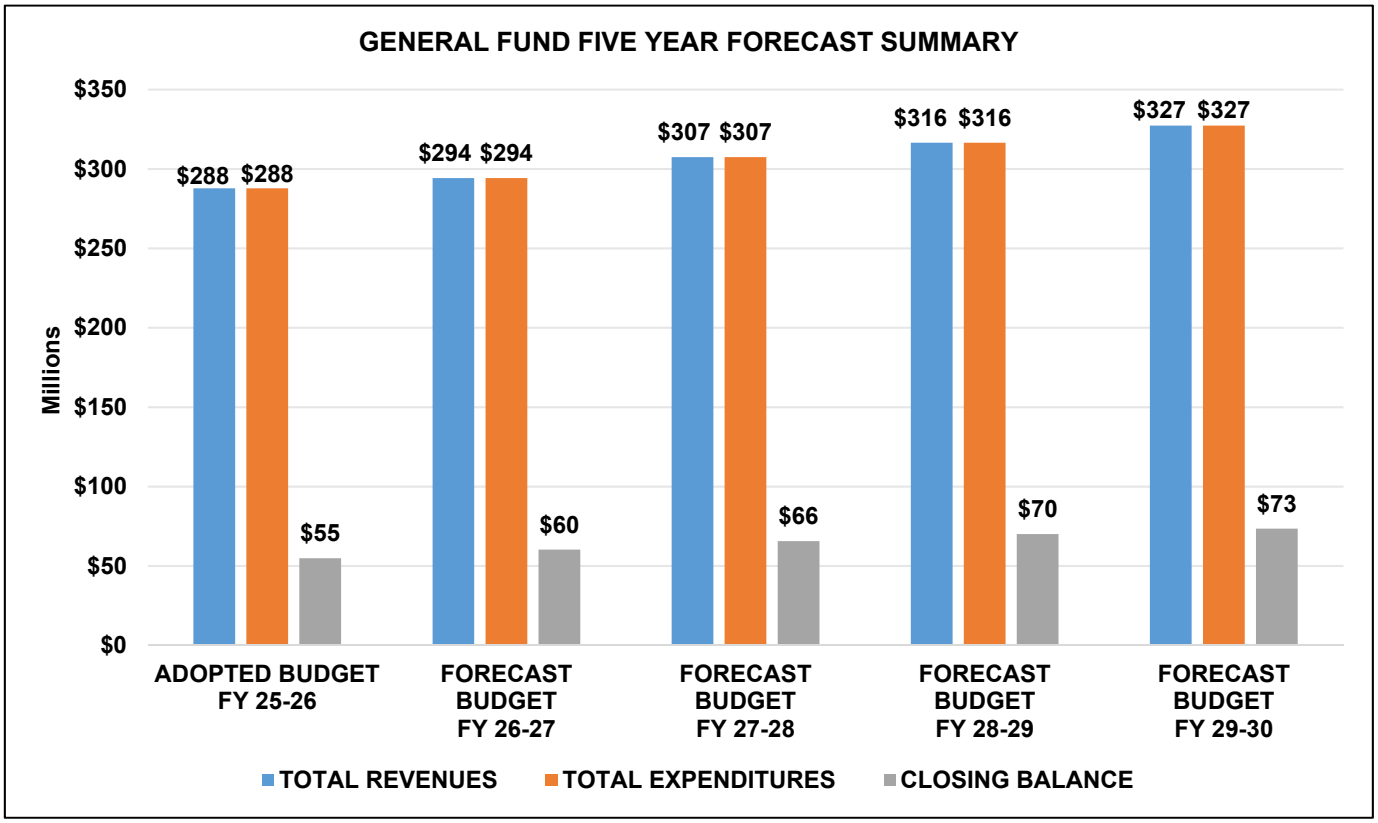
- Property Taxes
- Sales Taxes
- Bridge Transfer In (revenue from international bridge operations)

Five Year Forecast

If additional revenue is not generated by City departments, it becomes difficult to grow the fund balance. In most years, any increase in the ending (or "closing") balance comes primarily from unfilled staff positions (vacancies), which reduce personnel costs. These vacancy-related savings are reflected in the opening and closing balances of the fund.

Each year, the City adopts a balanced budget, where revenues match expenditures. While extra savings or unexpected revenues can improve the fund balance, these changes are hard to predict and vary from year to year.

The chart below summarizes the General Fund's projected revenues, expenditures, and estimated ending balances over the next five years. These projections are based on the key assumptions outlined earlier in the forecast.



Summary Detail of Financial Forecast

This section provides a more detailed look at how the City's revenues and expenses are expected to grow over the next five years. The main sources of revenue are:

- Taxes (including property and sales taxes)
- Charges for Services
- Other Financing Sources

Five Year Forecast

On the expense side, Personnel Services, which include employee salaries, benefits, and insurance, make up the largest portion of the annual budget increases. This is mainly due to Cost of Living Adjustments (COLA) and rising insurance costs. Modest increases are also projected in:

- Materials and Supplies
- Contractual Services

These increases reflect anticipated price changes in contracts and services, including those provided by internal departments like Fleet Services, Information Services, and Telecommunications. In the coming years, these internal departments will also be reviewed to ensure their services are being delivered efficiently and cost-effectively.

Five Year Forecast

Bridge

Laredo's location at the U.S.-Mexico border makes it a central hub for international trade. The City of Laredo and its residents benefit greatly from this geographic advantage, as the international bridges serve as a key gateway for commerce between the two countries. These bridges not only support economic activity by facilitating the movement of goods and people, but they also strengthen cross-border relationships with our neighbors in Mexico.

Assumptions

Revenues

The Bridge Fund has consistently grown over the years, and that growth is expected to continue. With several bridge expansion projects planned for completion in the next five to six years, toll rates are expected to increase to help cover operations costs. However, additional revenues will be needed for the Bridge Department to fully finance these expansion projects, ensuring that Laredo remains a vital player in international trade and transportation. The City is currently conducting a rate study to ensure proper funding for the Columbia and Word Trade bridge expansions.

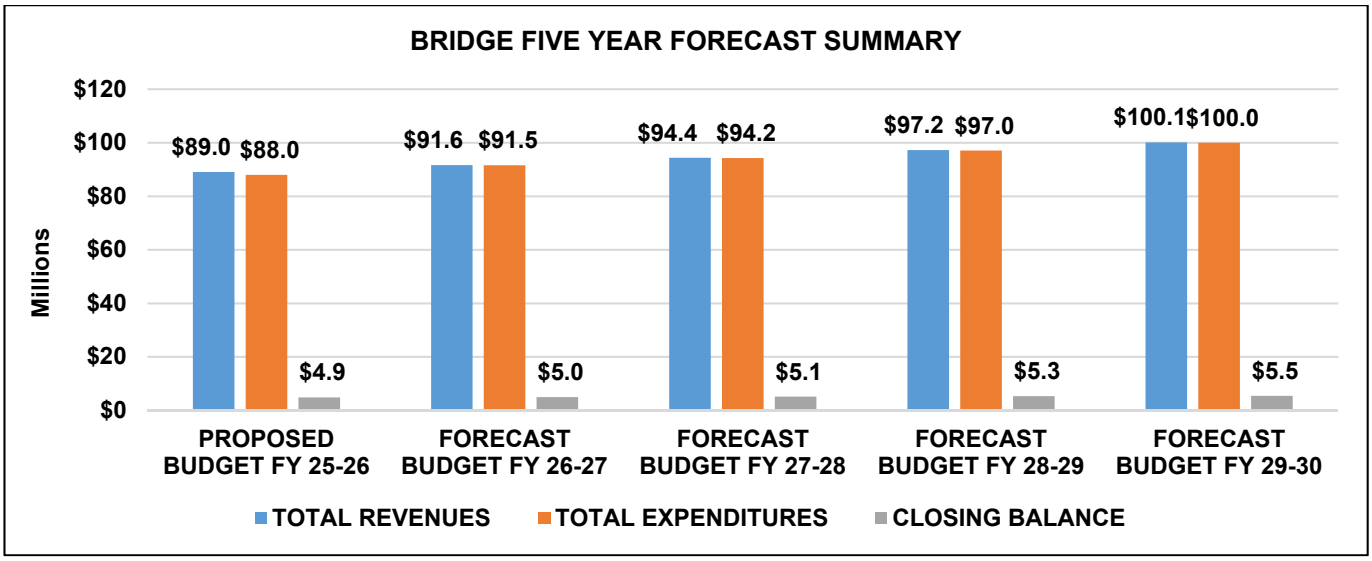
Expenditures

The Bridge Department's forecast includes planned increases for several key areas:

- Cost of Living Adjustments (COLA) for employees
- Materials and supplies
- Contractual services
- Capital outlay (major equipment or infrastructure investments)
- Debt service (loan repayments)

Because some of the bridge infrastructure is aging, the department plans to renovate its buildings to improve working conditions for staff. The forecast also includes potential financing needed for the World Trade Bridge expansion. However, with current toll revenues, the department can only cover the debt for this project unless it reduces other operations. Despite these challenges, the Bridge Department remains financially responsible and continues to maintain a 15% fund balance as required by City resolution.

Five Year Forecast



Summary Detail of Financial Forecast

Five Year Forecast

Utilities (Water & Sewer)

The Utilities Department is committed to providing Laredo residents with reliable and sustainable water and sewer services. To meet both current and future needs, the City charges service fees to help cover the cost of delivering clean water and safely processing wastewater. These fees support ongoing operations, maintenance, and payments on existing infrastructure debt, while ensuring compliance with federal, state, and local regulations.

Assumptions

The revenue projections in this forecast are based on utility bill payments for water and sewer services. Key factors contributing to expected revenue increases include,

- Annual rate increases approved for both water and sewer
- Population and customer growth
- Historical usage trends

On the expense side, costs are rising due to inflation, higher prices for materials and supplies, and increased insurance premiums. Additionally, as the city's infrastructure ages and the system expands, new debt will be needed to fund critical upgrades. To address these needs, the Utilities Department plans to issue bonds in the following amounts:

- FY 2026–27: $123 million for water and $113.6 million for sewer
- FY 2028–29: $93 million for water and $113 million for sewer

These funds will help:

- Replace outdated water lines
- Automate meter systems citywide
- Build elevated storage tanks in South Laredo
- Upgrade the sewer infrastructure

Despite rising revenues, fund balances are expected to decline in the coming years due to increasing operational costs and the launch of several major programs, including:

- A meter exchange program
- A valve replacement program
- A water line replacement program

To address these challenges, the City is currently conducting a rate study to determine appropriate water and sewer rates. The goal is to ensure that revenues are sufficient to cover both operational costs and future debt payments.

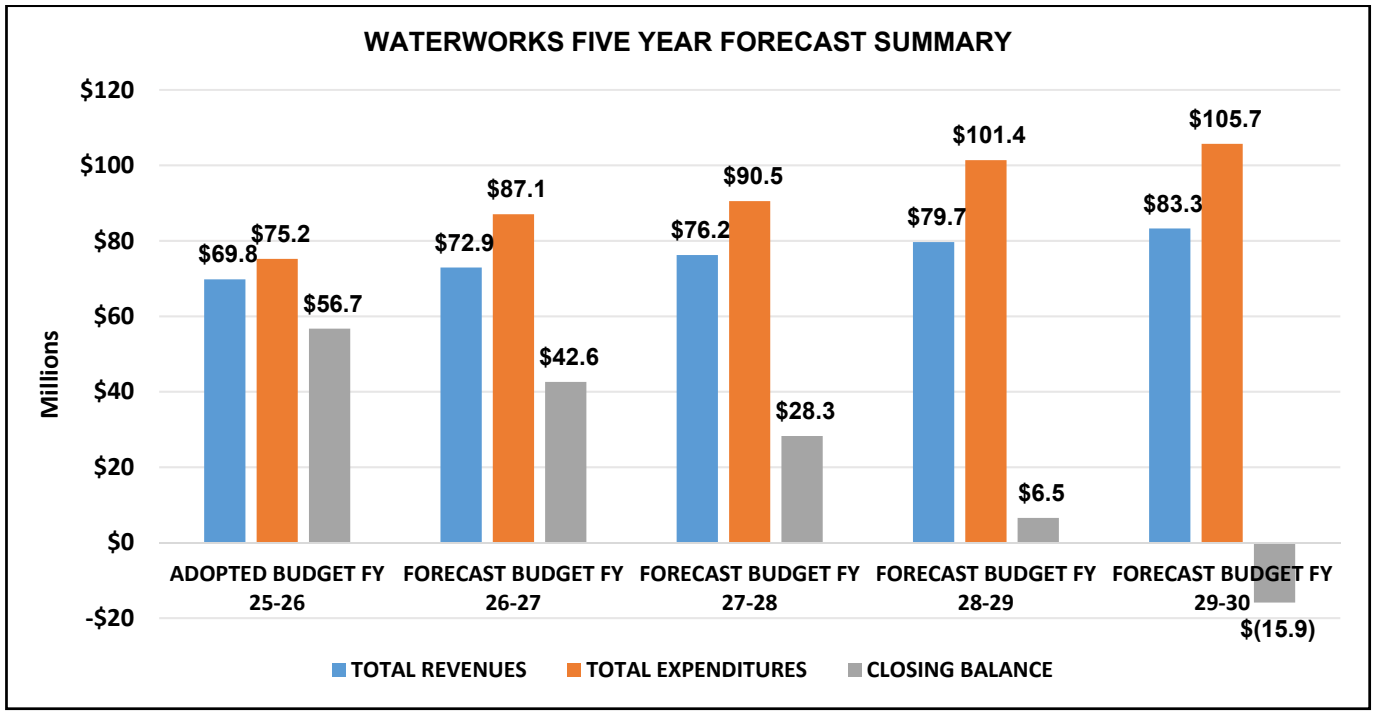
Revenues

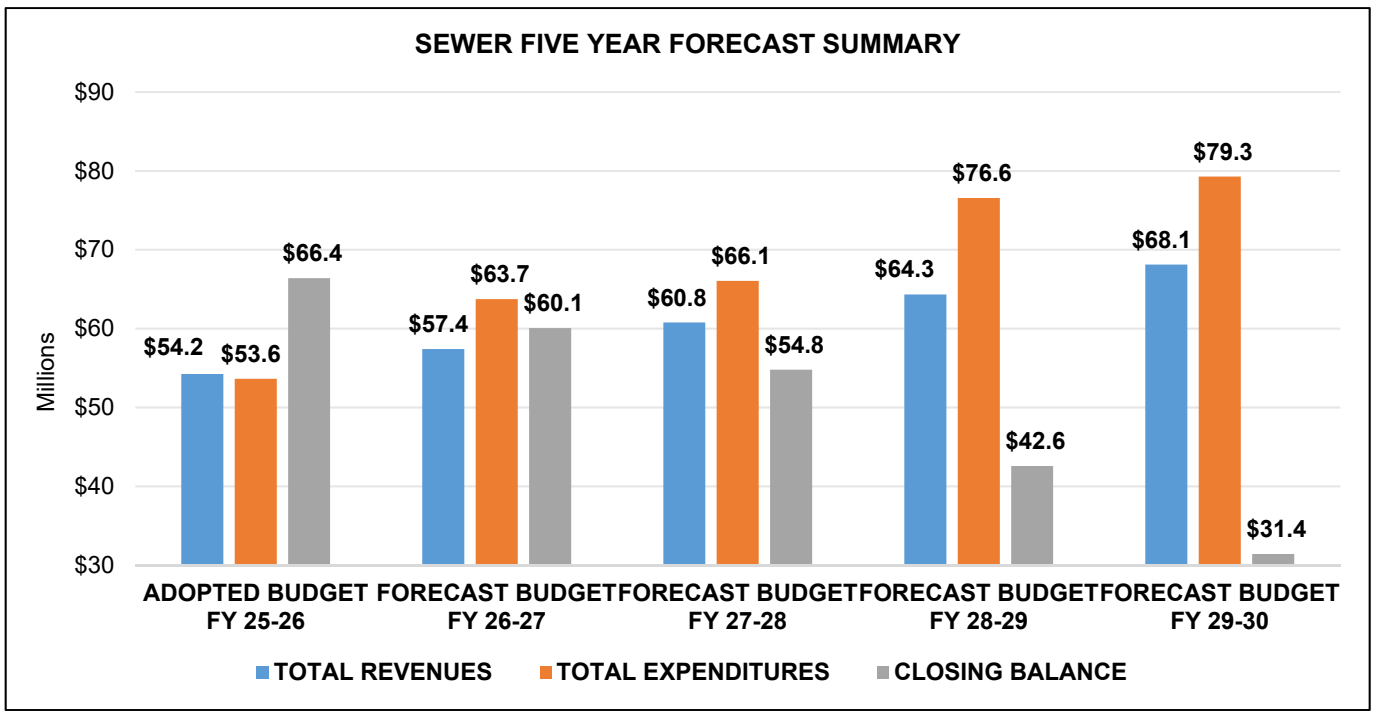
With our current rate increases, total revenue for water services is projected to grow from $69,775,387 in FY 2025-26 to $83,267,805 in FY 2029-30, representing a 19% increase. For sewer services, revenue is expected to rise by 26%, from $54,239,218 in FY 2025-26 to $68,111,909 in FY 2029-30, as illustrated in the graphic below.

Five Year Forecast

Expenditures

When developing the forecast model for the Utilities Department, expenditure assumptions include increases related to salary adjustments (COLA), materials and supplies, contractual services, and debt service. Similar to revenue growth, total expenditures for water services are projected to increase from $75,200,136 in FY 2025-26 to $105,702,005 in FY 2029-30, a 41% rise. Sewer service expenditures are expected to increase by 48%, from $53.6M in FY 2025-26, as shown in the graphic below.





Five Year Forecast

Solid Waste

The Solid Waste Department operates as a self-sustaining enterprise fund, providing residential waste collection services throughout the City. Customers pay fees that cover the costs of weekly curbside garbage collection and the maintenance of City-owned landfills. Revenue projections are based on the number of households receiving waste collection, the historical growth rate of new residential homes, and any changes to the service fees.

Assumptions

These assumptions are based on key revenue sources, including residential garbage collection, landfill fees, federal mandates, and interest earnings. The expected revenue increases result mainly from approved fee increases and the historical growth rate. On the expenditure side, assumptions consider factors such as cost-of-living adjustments (COLA) for personnel, salary changes, materials and supplies, contractual services, capital outlay, and debt service.

Revenues

Revenue for the Solid Waste Department is expected to increase based on projections. This is due to an ordinance passed during the 2022 budget workshops that approved service fee increases over four years. The upcoming fiscal year marks the fourth and final year of these approved increases, which help cover personnel cost-of-living adjustments (COLA), equipment, and contractual services.

With these fee increases and potential new customers, Solid Waste is forecasting an additional $2.7 million in revenue for the next fiscal year.

Over the past several years, revenue has steadily increased. Our projections show total revenue growing from $41,211,245 in FY 2025-26 to $54,287,969 in FY 2029-30 — a 31.73% increase over five years, as illustrated in the graphic on the last page.

To continue meeting community demands and providing excellent service, we are proposing another fee increase for the next four years. These Adopted fees are expected to generate over $2.3 million annually. This additional revenue will allow us to continue our equipment replacement program for the sanitation and landfill divisions.

Breakdown of Adopted Additional Fees

Sanitation Division:

- 70,000 homes × $1.00 increase × 12 months = $840,000 per year (Garbage Collection)
- 70,000 homes × $1.00 increase × 12 months = $840,000 per year (Recycling Collection — new revenue source)

Landfill Division:

- 18,000 tons × $3.00 increase × 12 months = $648,000 per year (Landfill Collection)

Five Year Forecast

Expenditures

When developing the forecast model for the Solid Waste Department, expenditure assumptions include cost-of-living adjustments (COLA) for personnel, salary increases, materials and supplies, contractual services, capital outlay, and debt service.

Funding is already secured for the first two projects:

- Citizen's Convenience Station
- Compost Facility and Equipment

Additional projects under the Renewal and Replacement Program are Adopted to be funded as follows:

Sanitation and Landfill Equipment (Renewal and Replacement Program)

Capital Outlay – Projected Costs and Funding Sources:

- FY 2026-27: $7.3 million (50% Operations, 50% Bonds)
- FY 2027-28: $7.4 million (50% Operations, 50% Bonds)
- FY 2028-29: $7.6 million (50% Operations, 50% Bonds)
- FY 2029-30: $9.8 million (50% Operations, 50% Bonds)

In contrast to our revenue increases, total expenditures are projected to decrease from $50,724,697 in FY 2025-26 to $49,092,474 in FY 2029-30 — a 3.22% reduction over five years, as illustrated in the graphic below.

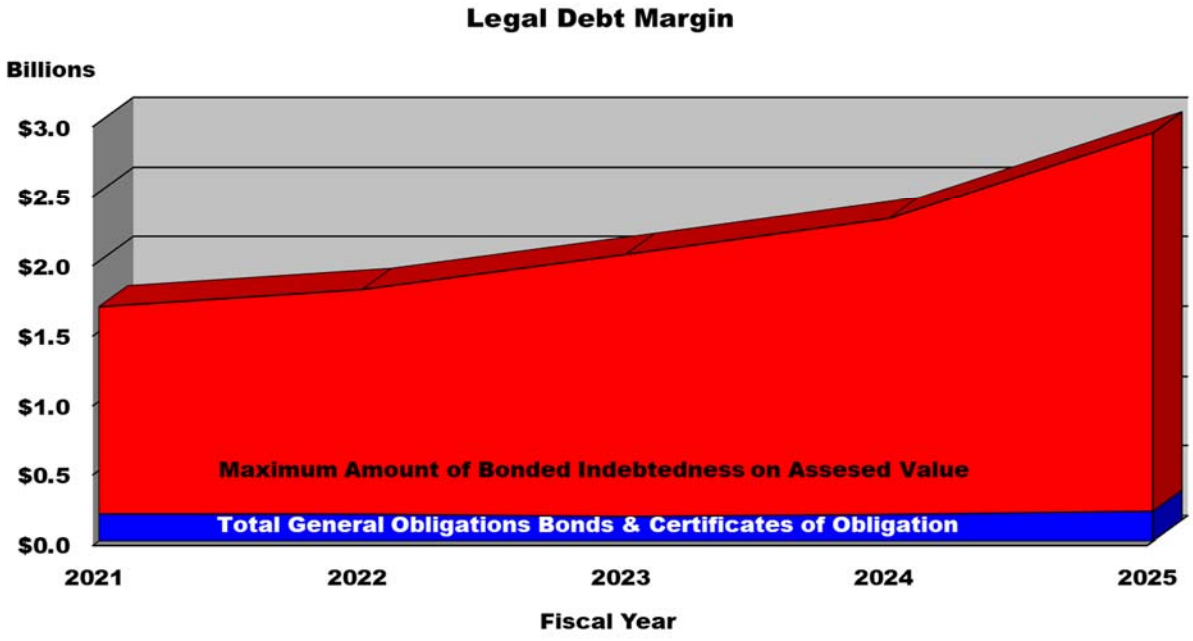
Legal Debt Margin

Computation of Legal Debt Margin as of September 30, 2025

The Constitution of Texas in Article 11, Section 5, limits the maximum amount that a home rule city can tax to $2.50 per $100.00 of valuation and the same Article provides that no debt shall ever be created by any city unless at the same time a provision is made to assess and collect annually a sufficient sum to pay the interest thereon and create a sinking fund of at least two percent thereon. The Attorney General of Texas, in connection with the quoted provision, has created a rule for the guidance of home rule cities which states that the bond allowable under this constitutional provision shall be on the basis of no greater than $1.50 per $100.00 of valuation unless the city charter provides for less than the maximum specified in the Attorney General's rule. City Charter Section 6.13, as amended in December 2024, limits the total overall outstanding debt to 10% of the total assessed valuation of the City. At this time, the City has allocated approximately **$0.128491** of the total tax rate.

Assessed Value on 2025 Tax Roll	$27,145,945,891
Maximum amount of bonded indebtedness on such assessed value (10%)	$2,714,594,589
Amount of debt applicable to said maximum debt limit:	
Total General Obligation Bonds and Certificates of Obligation	$ 222,333,854
(Percentage of G.O. and C.O. debt to assessed value)	0.82 %
Less: Debt Service Fund Balance as of September 30, 2025	$ 9,948,926
Total Amount of debt applicable to debt limit	$212,384,928
The debt margin between current indebtedness and maximum allowable indebtedness	$2,502,209,661



Legal Debt Margin

Bond Ratings

The following bond ratings for the City of Laredo, which directly affect the cost of debt, were affirmed during the most recent bond ratings dated September 2025:

The following financial debt mechanisms are utilized by the City to support its financial needs and still maintain its high bond ratings:

Bond Type	Moody's	Meaning	Standard & Poor's	Meaning
General Obligation Bonds	Aa2	High Quality	AA	High Quality
Certificate of Obligation	Aa2	High Quality	AA	High Quality
Bridge System	A1	Strong Coverage	A+	Strong Coverage
Sewer System	Aa3	High Quality	AA-	High Quality
Water System	Aa3	High Quality	AA-	High Quality
Sports & Community Venue	Aa2	High Quality	A+	Strong Coverage

- **General Obligation Bonds** are issued for the acquisition of property for permanent public improvements or for any other public purpose. These issues are financed for ten (10) to thirty (30) years, more commonly twenty (20) years, for projects under Governmental Funds.

- **Revenue Bonds** are issued for the purpose of constructing, purchasing, improving, extending or repairing public utilities, recreational facilities, or facilities for any other self-liquidating municipal function. These issues are usually financed for twenty (20) to forty (40) years, more commonly twenty-five (25) years, for Business Type Funds.

- **Certificates of Obligations** are issued for the purpose of constructing, purchasing, improving, or repairing public property or facilities. These certificates are issued for ten (10) to thirty (30) years, more commonly twenty (20) years, and are used to finance projects for both Governmental and Business Type Funds.

- **Public Property Finance Contractual Obligations** are issued to finance the purchase of capital equipment with an estimated useful life of 5, 7, or 10 years. These contractual obligations are normally financed for five (5) to ten (10) years for computer, vehicles and small assets, and to ten (10) to fifteen (15) years for fire apparatus and heavy equipment. They are used for both Governmental and Business Type Funds.

CITY OF LAREDO, TEXAS

City Manager's Office

Mission Statement

To serve the City of Laredo, the City Council and community through responsible municipal administration, leadership, communication and quality service. City Manager's Office builds civic trust through promoting high standards of ethics, professionalism and integrity.

Key Functions

- Develop and present a balanced yearly budget to the City Council
- Carry out the vision of the City Council
- Oversee the operations and organization of all city departments and workforce of over 2,600 employees
- Lead city communications and community engagement efforts through public information, public access and 311 programming

FY 2025 Accomplishments	FY 2026 Goals
• Strengthened internal operations through organizational restructuring, policy updates, and workforce development efforts. • Enhanced government transparency and accessibility through expanded use of digital platforms and improved public engagement tools. • Provided executive leadership and coordination during major citywide initiatives and emergency response efforts.	• Strengthen service delivery by improving interdepartmental coordination, modernizing workflows, and updating internal policies. • Enhance public engagement through digital tools, accessible dashboards, and multilingual communication. • Advance 311 transformation with performance standards, expanded hours, and resident feedback integration. • Build organizational resilience through leadership development, succession planning, and workforce retention efforts.

Performance Measures

Workload Measures	Actual 22-23	Actual 23-24	Estimate 24-25	Target 25-26
# of agendas posted per year	40	37	40	40
# of citizen calls handled through 311	145,000	212,000	200,000	200,000
# of weekly reports issued to City Council	50	50	50	50
Average reach across city-owned social platforms	1.1M	110,000	120,000	130,000
Percentage of city-wide news releases resulting in media coverage	95%	98%	95%	95%

Budget
(6 FTE’s)

Budget Department

Mission Statement

Lead a transparent, strategic, and efficient budget process that empowers informed decisions, supports organizational planning, and ensures resources are allocated responsibly. Through active collaboration with all departments, align financial strategies to actively support the City's goals and priorities.

Key Functions

- Develop, analyze, and review the City of Laredo's departments budgets to ensure alignment with goals, identify savings, and optimize resource use
- Work with Engineering Department to compile the City of Laredo's Annual CIP document
- Prepares operating/grants/capital budgets with departments by basing budget on actual performance, previous budget figures, estimated revenue, expense reports and other factors
- Meeting with Management and selected departments to review proposed annual budget
- Coordinates preparation and publication of proposed and adopted budget documents
- Conduct Budget Workshops with City Council to present the Proposed Budget, highlight departmental priorities, and support informed decision-making

FY 2025 Accomplishments	FY 2026 Goals
• Receive GFOA Award • Decrease the occurrence of Budget Amendments • Implemented City Council strategic budget meeting • Conduct a citizen budget survey and analyze results	• Update software for fund summaries • Receive GFOA Special Recognition • Reduce Budget Amendments by 10% • Continue budget outreach to educate and promote transparency around City finances

Municipal Court
(32 FTE's)

Laredo Municipal Court

Mission Statement

Provide a forum for a fair and impartial trial and disposition of all City ordinance violations and State Law Class C misdemeanor violations and do so as expeditiously as possible without adversely affecting the quality of justice.

Key Functions

- Manage daily court operations
- Practice correct judicial processes and procedures that adhere to state laws/local ordinances
- Ensure all court functions and duties are properly performed with the upmost dignity and professionalism
- Ensure customer service best practices are adopted and courtesy is exercised by all court staff and extended to all court users
- Help court users understand court processes and procedures
- Strive to be accessible to all court users
- Maintain impartiality and procedural fairness among all court users
- Maintain the physical exterior/interior appearance of the court and ensure proper court decorum is maintained

FY 2025 Accomplishments

- Created Standard Operating Procedures
- Increased virtual court appearances/online case resolutions
- Reduced time frame between defendant pleading not guilty and date of trial
- Implemented attorney access portal

FY 2026 Goals

- Establish a satellite court to expand accessibility
- Extend court hours by enhancing court sessions schedule/operating hours
- Continue to promote virtual court appearances/online case resolutions
- Increase Municipal Traffic Safety Initiatives

City Attorney's
(12 FTE's)

City Attorney's Office

Mission Statement

Pursuant to Section 4.02 of the City Charter, the City Attorney is responsible for all of the legal affairs of the City. The City Attorney's Office, therefore, represents the City, the City Council, and all City departments in civil litigation, quasi-judicial proceedings, and administrative hearings, including ethics complaints and police, fire, and municipal civil service cases. It also works hand-in-hand with the police department and code enforcement to prosecute all traffic and ordinance Class C misdemeanor violations at the Municipal Court.

Key Functions

- To serve as the ultimate legal authority for the City in providing legal counsel to the Mayor, Council Members, City Manager's Office, Department Directors, and City Staff; come up with legal solutions for problems raised; and negotiate contract terms with counterparties on behalf of the City.
- Pursuant to Resolution 2015-R-100, the City Attorney's Office will continue the active filing of lawsuits under Chapter 54 and Chapter 211 of the Texas Government Code to obtain compliance with the City's building, environmental, health, and zoning laws through injunctive relief and the collection of civil penalties.
- Oversees all outside legal counsel to keep costs down for the City and make strategic decisions for all cases in litigation.
- Another objective for this department is for all staff attorneys to receive specialized training to become intimately familiar with certain key areas of municipal law, including procurement, airports, construction, real estate, public safety advisory, and civil service.

FY 2025 Accomplishments	FY 2026 Goals
• Two Municipal Civil Service Suspensions/Terminations upheld • Three favorable outcomes for the City based on fillings with the Texas Workforce Commissions and EEOC • Successful Permanent Injunctions Granted for the City against Pool Rental Businesses and Bars operation Illegally • Maintained a fully staffed office for the entire year • Fully Negotiated Land Transactions associated with the Hachar Ruethinger State HWY 84 • Instrumental in negotiating the sale of Federally Regulated Airport Land for the expansion of loop 20 • Cost of savings due to in-house litigation rather than relying on contracted legal services	• Expand Office Capacity • Continue taking on more litigation cases in-house • Continue to provide timely work for clients • Revise the language of existing policies • Develop and provide training to City Council, City Officials, staff, boards, and commissions on various topics, including the Ethics Code, the Texas Public Information Act, and the Texas Open Meetings Act. • Provide for more cross training of assigned departments in order to provide more cohesive services to the City • Engage in more legal training to provide the City with increased specialize expertise on the range of issues that face the City

Performance Measures

City Secretary
(5 FTE's)

City Secretary's Office

Mission Statement

The City Secretary's Office is dedicated to ensuring transparency, accountability, and efficient governance by providing administrative support to the City Council, managing official records, overseeing municipal elections, and facilitating public access to information in accordance with state and local laws.

Key Functions

- Support City Council for meetings minutes, ordinances and resolutions.
- Administration of all Elections (General, Run-off, Charter, Bond, Special)
- Handle public information requests and conduct internal records research.
- Administrative support for boards, committees and commissions, including preparing and administering oaths to appointees.
- Handling Texas Alcoholic Beverage Commission applications.
- Managing bid openings, records and contract attestation and filing.
- Maintaining the City website and user access.
- Managing lobbyist registration.

FY 2025 Accomplishments	FY 2026 Goals
• Trained initial Planning & Zoning committees on Legistar • Led successful General, Run-off, Charter & Bond elections • Updated 2019-2020 resolutions/ordinances and minutes on MuniDocs for improved access. • Produced Bond referendum and main committee minutes. • Produced Charter Committee minutes	• Transition all committees to electronic agendas. • Cross train departmental staff • Warehouse clean up • Implement electronic voting for council • Create digital database for oath appointee records • Recommend elimination of inactive committees

Tax
(18 FTE's)

Tax Department

Mission Statement

To bill and collect funds for the City of Laredo in a fair, equal, and uniform manner while being accountable and transparent; comply with the Texas Property Tax Code and City ordinances requirements; uphold high ethical standards; and provide excellent customer service.

Key Functions

- Maintain current year tax collection rate at 98% or better.
- Ensure that all utility mail payments are processed same day and tax payments processed same day or next business day from receipt.
- Provide excellent customer service.

FY 2025 Accomplishments	FY 2026 Goals
• Implemented the electronic statement option for taxpayers to receive tax bills via email replacing a paper bill.	• Implement a phone payment system to pay taxes with a credit card by phone. • Automate the processing of checks received by mail from customers who pay through their bank with Bill Pay. • Implement online and phone payment systems to pay alarm fees. • Add the October tax bill to the taxpayer's account in the online payment system C2G. • Purchase a mobile application for payments, so customers can pay 24/7 in addition to the payment options that we currently have.

Finance Department

Mission Statement

The Finance Department's mission is to provide materials and services and timely, accurate accounting and reporting of all financial transactions on behalf of the City Departments ensuring compliance with all laws, regulations and policies.

Key Functions

- To continue to improve the accuracy and timeliness of financial information provided to Federal, State and Local government officials as well as to the public.
- To provide the year-end Annual Comprehensive Financial Report statement and external audit to City Council on a timely basis.
- To continue providing accurate financial data for management's long-term and short-term decisions in regards to City financial issues.
- Ensure that employees are accurately compensated for their work and deducted the appropriate taxes and benefits while complying with City ordinances, state, and federal laws and regulations regarding wages, taxes, and other payroll-related matters and reporting.
- To ensure compliance with labor laws and regulations, and providing support to employees with inquiries related to their compensation and collaborate with other departments such as Human Resources to ensure seamless payroll operations and data accuracy
- Process all incoming invoices from vendors and check invoices against purchase orders for payment confirmations to pay checks and ACH payments twice a week.
- Register new vendors opting to do business with the City of Laredo while transitioning current vendors to receive ACH payments versus checks.
- Procure goods and services at the most reasonable and responsible cost, ensuring a transparent, fair, and accountable process aligned with the operational needs of the municipality.
- Update and refine the City's Purchasing Policies to incorporate revisions to the Local Government Code and enhance overall operational efficiency.
- Promote participation from local vendors in the City's competitive bidding opportunities to foster community engagement and broaden the supplier base.

FY 2025 Accomplishments	FY 2026 Goals
• Certificate of Achievement for Excellence in Financial Reporting • Unqualified Opinion for Fiscal year audit • Completed year end process on a timely manner. • New Employee Portal was approved to provide Direct Deposit Stubs, W-2's, 1095C and in the process of implementing to all employees. • Streamlined quarterly reconciliation and manual processes for a smoother W-2 process. • Increased a higher volume of vendor invoice processing. • Transitioning vendors from check payment to ACH. • Certified Texas Contract Developer and Contract Manager. • Successfully implemented formal contracts to ensure clear terms, compliance, and accountability in procurement activities. • Enhanced the solicitation process to improve efficiency, transparency, and confidentiality during panel committee evaluations.	• Continue to receive Certificate of Achievement. • Remain Efficient in Financial Reporting • Obtain approval for new time keeping system. • Conduct Payroll and Purchasing trainings for all departments in a semiannual basis, at a minimum. • Provide payroll Audits. • Initiating new Travel and Fuel Credit Card program • Initiating Integrated Payables program. • Initiating imaging program for checks and invoices. • Implement a vendor performance evaluation system to monitor supplier reliability and improve accountability. • Update the City's Purchasing Policy to reflect current regulations and enhance operational effectiveness.

Planning: Section 112

Mission Statement

To set transportation related policy, identify existing and future local transportation needs in cooperation with Texas Department of Transportation (TxDOT), and propose and recommend projects for all modes of transportation including mass transit and active transportation, with special attention to freight.

Key Functions

- To develop and continue updating the Metropolitan Transportation Plan (MTP) and the Transportation Improvement Program (TIP)
- To provide staff support to the Laredo & Webb County Area Metropolitan Planning Organization (LWCAMPO)
- To secure funding for special transportation projects
- To recommend projects for all modes of urban transportation to governmental units responsible for program development and project implementation
- To develop corridor and sub-area transportation planning studies

FY 2025 Accomplishments

- Adopted the 2025-2050 Metropolitan Transportation Program (MTP).
- Increased % utilization of available transportation planning funds.
- Increased collaboration and strategic partnerships with City of Laredo, Webb County, TxDOT, FHWA, RMA, FTA, El Metro, and other key stakeholders.
- Increased staff knowledge by attending trainings and conferences.
- Worked with local project partners to ensure efficient and timely project delivery.
- Remained fully staffed (5 FTE).

FY 2026 Goals

- Build staff capacity through continued professional development opportunities for all staff.
- Continue to fully clarify roles and responsibilities between the MPO and the City of Laredo as the fiscal agent.
- Continue to work with local project partners to ensure timely project delivery
- Initiate a Long-Range Freight Plan and a South Laredo Transportation Planning Study
- Coordinate with project partners to implement the Vision Zero Webb Laredo Comprehensive Safety Action Plan.

Engineering Department

Mission Statement

The Engineering Department oversees the planning, design, and construction of capital improvement projects, ensuring they meet City standards and comply with local, state, and federal requirements. Our Engineering Department collaborates closely with other City departments, reviewing and processing residential, commercial, and industrial land development projects. This collaborative approach underscores our commitment to assisting engineers, developers, contractors, homeowners, and business owners plan and execute their development projects smoothly and successfully. Another key aspect of our work is ensuring the safe and efficient movement of all traffic on City streets, illuminating intersections and major roadways, and enforcing parking regulations.

Key Functions

- Plan, design, and manage Capital Improvement Projects to meet the City's growing infrastructure needs, ensuring timely completion and compliance with City standards.
- Develop cost-effective engineering solutions for streets, drainage, and utility projects that support the City's expansion and infrastructure goals.
- Review subdivision and development plans to ensure compliance with environmental, fire, utility, engineering, and traffic safety standards through the One Stop Shop process.
- Inspect construction projects and enforce regulations, including street cuts and permits, to ensure quality control and adherence to City and environmental standards.
- Manage and maintain the City's traffic infrastructure, including over 270 traffic signals, 38,000 signs, 1.7 million feet of pavement markings, streetlights, and traffic calming devices.
- Oversee traffic design and safety, including signal timing, implementation of traffic control measures, and review of subdivision plans to ensure compliance with traffic safety standards.

FY 2025 Accomplishments	FY 2026 Goals
• 64 Projects managed • $145,410,226 total contract dollar managed • 100% of CIP Projects as scheduled • $152,000.00 Total of Private development projects dollars managed • 11 Number of major improvement project plans and specifications prepare • 16 Number of City projects inspected • 130 Number of Private developments inspected • 65 Number of surveys completed • Installed detection on all arterial corridors • Installed yellow flashing arrows on several intersections • Completed the traffic signal on Ejido/Sierra Vista • Upgraded school signs in 4 different schools	• 60 Projects managed • $130,574,579 total contract dollar managed • 100% of CIP Projects as scheduled • $160,000 Total of Private development projects dollars managed • 5 Number of major improvement project plans and specifications prepare • 20 Number of City projects inspected • 140 Number of Private developments inspected • 65 Number of surveys completed • Upgrade poly carbonate signals to aluminum • Restripe 1.2 million linear feet throughout the city • Complete installation of flashing yellow left turn arrow • Replacement of mast arm street name signs

Laredo Police Department

Mission Statement

It is the mission of the Laredo Police Department to enhance the quality of life in Laredo by establishing a partnership with the community in an effort to preserve life, protect property, and enforce the law.

Key Functions

- Provide efficient, effective and timely support to all Police Department Divisions.
- Ensure and facilitate: (1) the preservation of community and personal safety; (2) enhance community services; and (3) increase departmental efficiencies.
- Increase transparency, improve community trust, build community relationships through proactive Community Policing strategies, to include training and equipment.
- Empower our employees with training thus enhancing quality, performance and leadership skills.
- Continue collaborating and coordinating criminal investigations and public safety initiatives with Federal and State Law Enforcement Organizations.
- Seek funding for Federal and State Grants to support/augment funding to further department goals.

FY 2025 Accomplishments	FY 2026 Goals
• Purchased 5.5-acre land near the Buena Vista Sports Complex for the future site of the LPD South Sector Station. • Acquisition and deployment of AXON in-car video and body worn cameras. • Renovation of 911 Communications Center.	• Continue to expand and enhance Officer Safety and Wellness through proactive initiatives, training, technology and equipment. • Become a fully accredited TPCA law enforcement agency. The accreditation program for public safety agencies is a coveted award that symbolizes professionalism, excellence, and competence through the Texas Police Chief Association Law Enforcement Best Practices Recognition Program. • Hire sworn personnel in order to increase the number of sworn officers. LPD currently has 2.2 officers per 1,000 populations and strive to reach the national average of 2.5 sworn officers per 1,000 population. • Increase departmental community outreach endeavors via community-based policy initiatives.

Public Works Department

Mission Statement

Our mission is to preserve and protect the integrity of the City of Laredo's street infrastructure by ensuring all roadways are safe, reliable, and well-maintained for the smooth and efficient movement of pedestrians, vehicles, and emergency responders. We are committed to responding to street construction repairs and citizen requests with efficiency, organization, and accountability. Additionally, we uphold the dignity and respectful appearance of our city cemetery, maintaining it to the highest standards at all times as a place of remembrance and community pride. We also take pride in maintaining city buildings to ensure they are safe, functional, and presentable, and in performing consistent creek and right-of-way maintenance to protect natural resources, support stormwater management, and enhance the overall cleanliness and appearance of our community.

Key Functions

- Sidewalk and Street Maintenance
- Street Cleaning and Pot Patching
- Make necessary repairs to City Buildings
- Ensuring tools, supplies, and equipment required
- Keeping up appearance for Cemetery
- Maintain R.O.Ws and creek maintenance

FY 2025 Accomplishments	FY 2026 Goals
• Street Resurfacing Program • District Sidewalk Maintenance • Maintain R.O.W and Creeks	• Keep City Streets Clean • Continue Resurfacing Program • Resurface Industrial Parks Streets

Parks and Recreation Department

Mission Statement

To enhance the quality of life by providing and maintaining welcoming parks, diverse and accessible recreation programs, memorable events, and outdoor celebrations, and promoting individual and community health through recreation in response to the public.

Key Functions

- Provide maintenance and infrastructure improvements to over 1,370 acres of parks, trails, fields, and playgrounds
- Plan, develop, and create new parks, from landscaping to amenities, in both existing and new residential developments
- Operate 8 recreation centers, 1 mini fitness center, 2 centers dedicated to senior programming, and 1 boxing gym. Provide recreation activities while managing the daily programs and maintaining a clean, safe environment for the community
- Operate and maintain 7 swimming pools, aquatics programming, 14 splash parks, and 1 water park
- Provides management and maintenance of 5 tennis court complexes; 21 tennis courts spread out across the four quadrants of the City, as well as oversight of 6 courts which are available to the Laredo community due to an Agreement between the City of Laredo and United Day School for joint use.

FY 2025 Accomplishments

- Created a special needs Division to enhance existing programming in Aquatics and initiated Inclusive Programming in Recreation Facilities with our first summer programs for People with Disabilities
- Negotiated MOUs with LISD regarding joint use of facilities
- Confirmed regional and State tourneys for sports through various affiliations such as Pony and Perfect Game, as well as the Regional National Championships, Sports-Baseball, and Little League State Tournaments
- Created a competitive sports program that provides citizens the opportunity to compete in local, regional, and state-wide competitions
- Amended the Parkland Dedication Ordinance to modify fees and parkland dedication, and also the Code of Ordinances
- Amended Chapter 23, Parks and Recreation Department, to increase Field Usage Fees
- Continued the installation of surveillance cameras in parks
- Completion of Buena Vista Sports Complex
- Created Special Events Division to spearhead all events in the City
- Created the River Maintenance Division to focus on maintenance along the Rio Grande
- Completion of 7 new playgrounds at Trautman, Martha Villarreal, Mario Tijerina, Lomas Alta, Divine Mercy, Andy Ramos, and George Washington parks
- Completion of Las Aldeas Park
- Installed new basketball metal shade, LED lighting, skate park, and resurfacing at Father McNaboe Park
- Constructed restrooms at Vietnam Veterans Memorial Park
- Extended the parking lot and installed the Love Lock Bridge at North Central Park

FY 2026 Goals

- Incorporate an Inventory/Work Order software program for the department
- Continue the installation of surveillance cameras in parks
- Finalize the construction of pickleball courts at Divine Mercy Park and Father McNaboe Park
- Build soccer fields at La Paz Park
- Reconstruction of George Pappas Market Tennis Courts
- Build a walking trail at Santa Fe Park
- Continue with Surveillance in Parks Program
- Replace the playground at Circle Drive Park
- Install a new ADA Playground, and a playground for 2-5 year old children, and one for 5-12 year old children, at La Ladrillera
- Construct Pickleball Courts at Divine Mercy
- Construct a new Frisbee Golf Course at Independence Hills
- Finalize the construction of an ADA Playground, Phase II, at North Central Park
- Install 3 new playgrounds at Circle Drive and La Ladrillera Parks
- Install pickleball courts at Divine Mercy
- Install Frisbee Golf Course at Independence Hill

Marketing & Communication
(1 FTE)

Marketing & Communication

Mission Statement

To elevate the Port of Laredo's visibility, credibility, and competitiveness through strategic communications, digital innovation, stakeholder engagement, and performance marketing.

Key Functions

- Develop and execute strategic marketing campaigns to promote Port Laredo
- Lead binational communications and stakeholder engagement across the U.S. and Mexico
- Manage Port Laredo’s digital platforms, including website and social media channels
- Coordinate trade shows, media production, and industry outreach
- Support cross-departmental alignment in economic development messaging
- Produce marketing collateral, reports, and performance dashboards
- Elevate the Port's national reputation through brand management and digital storytelling
- Oversee vendor partnerships for creative, media, and outreach services
- Track ROI and economic impact of marketing activities

FY 2025 Accomplishments

- Developed a budget and department formation for the creation of a formalized marketing marcom department
- Created a comprehensive marketing plan
- Rolled out a new bilingual, mobile-optimized Port Laredo website with trade resources
- Launched the “Limitless” brand campaign to position Port Laredo as a forward-looking global trade hub
- Created the “Hot City, Cold Chain” campaign to promote Laredo’s cold supply chain capabilities and raise awareness of underutilized trade assets

FY 2026 Goals

- Launch a Port Laredo Global Trade Summit to attract investors, shippers, and logistics stakeholders
- Rebrand Port Laredo logo as part of a modern identity system to enhance trust, visibility, and economic messaging.
- Deploy brand architecture framework to drive integrated campaigns across local, regional, and international markets.
- Establish digital performance benchmarks and increase social media engagement by 25% through structured content, series development, and analytics reporting
- Execute at least three high-impact, cross-platform Port Laredo marketing campaigns aligned with economic development and international trade goals

Public Library

Mission Statement

The mission of the Laredo Public Libraries is to provide resources and services to meet the informational, educational, professional, and recreational needs of all Webb County citizens.

Key Functions

- Promote and support literacy and education for all ages
- Provide access to information and resources
- Provide access to technology and the digital world
- Provide services and programs to meet the needs of the community
- Provide a safe and welcoming community gathering place

FY 2025 Accomplishments

- Texas State Library and Archives Commission (TSLAC) accreditation
- Re-established Friends of the Library group
- TSLAC Family Place Grant for the Bruni Plaza Branch Library
- Received ILL Lending Reimbursement Funding

FY 2026 Goals

- Continue to meet Texas State Library and Archives Commission accreditation standards
- Complete implementation of E-Rate Grant infrastructure upgrades
- Achieve 20% active cardholder membership
- Strengthen safety and security protocols

Community Development (5 FTE's)
Center for Non Profit (1 FTE)
Real Estate (4 FTE's)

Community Development 101

Mission Statement

To enhance the quality of life for the citizens of Laredo by ensuring a clean, safe, and healthy environment through effective code enforcement; creating housing and economic development opportunities through strategic real estate initiatives; and fostering strong community partnerships through support of impactful non-profit efforts.

Key Functions

- Provide oversight and strategic direction for the operations of the Non-Profit, Code Enforcement, and Real Estate Divisions.
- Administer and monitor the allocation of public funds to qualified third-party organizations to support community development and social service programs.
- Promote civic engagement by recruiting and coordinating volunteers to support city departments and local non-profit agencies through outreach, presentations, and media engagement.
- Enforce city codes and ordinances to prevent and eliminate slum and blight conditions, hazardous environments, and public nuisances.
- Address code violations by removing rubbish, junk vehicles, and other threats to public safety and neighborhood aesthetics.
- Educate residents and property owners about local property maintenance codes and their role in fostering safe, clean communities.
- Oversee the acquisition, management, and disposition of real estate properties for public use and development projects.
- Lead negotiations for real estate transactions, including purchases, sales, leases and property transfers, in alignment with city goals and planning initiatives.

FY 2025 Accomplishments	FY 2026 Goals
• Provided funding to 41 non-profit agencies, supporting community services, and facilitated over 150 volunteer opportunities to engage citizens in local initiatives. • Played a key role in organizing and supporting the Annual Sister Cities Event, fostering international community relations. • Surpassed goals for the number of property inspections conducted and exceeded participation in Operations Clean-Up and Blitz events, enhancing neighborhood conditions. • Completed critical property acquisitions for major infrastructure projects including State Highway 84, Springfield Extension Phase II, Highway 59 / Del Mar / Loop 20 Expansion, and other City/TxDOT collaborations. • Updated the Temporary Street Closure Ordinance 2024-O-159 to enhance safety measures, optimize the allocations of resources across multiple departments and efficiency for events within our community.	• Enhance outreach and funding opportunities by promoting available funds to non-profit agencies, increasing their engagement, and supporting more community outreach events to boost volunteer participation. • Strengthen community cleanliness and safety by continuing to promote and expand Operation Clean Up events throughout the city. • Increase compliance and public participation by improving education and engagement efforts, aiming to exceed the number of properties brought into compliance with city codes. • Expand real estate initiatives to identify and provide additional property opportunities that support community growth and benefit residents. • Review and update city ordinances to address current departmental needs and improve the effectiveness of public services. • Develop and implement Standard Operating Procedures (SOPs) for managing City of Laredo easements, encroachments, and other real estate-related matters to ensure consistent and transparent operations.

Community Development 211

Mission Statement

To improve the quality of life for the citizens of the City of Laredo, especially those of low and moderate income, by effectively administering Community Development Block Grant (CDBG) programs, facilitating housing rehabilitation and economic development opportunities, supporting public improvements, and promoting a clean, healthy, and safe community environment through proactive code enforcement.

Key Functions

- Oversee operations of the Administration, Code Enforcement, and Housing Loan Rehabilitation Divisions.
- Manage public improvement and facility projects funded through CDBG.
- Develop decent, affordable housing for very low to moderate-income individuals.
- Plan, implement, and administer infrastructure projects to improve quality of life in low and moderate-income areas, funded by HUD.
- Administer housing rehabilitation and construction programs that provide safe and affordable housing for eligible residents.
- Enforce City Codes related to weeds, junk vehicles, and other nuisances.
- Monitor federal, state, and local funded projects to ensure compliance with applicable rules and regulations.
- Support direct and indirect job creation initiatives.
- Maintain a 100% rate of programs with zero audit findings.

FY 2025 Accomplishments	FY 2026 Goals
• Completed CDBG-funded public improvements and facility projects, successfully overseeing the design, testing, and construction of parks and amenities to enhance public use. • Rehabilitated numerous homes through the CDBG Rehabilitation Loan Program, reducing hazards and improving living conditions for low to moderate-income households. • Exceeded targets for property inspections and surpassed participation goals for Operation Clean Up and Blitz events in CDBG-eligible areas.	• Continue identifying additional project locations that benefit low- and moderate-income residents and address broader community development needs to maintain a clean, healthy, and safe environment. • Promote programs that increase the supply of safe, decent, and affordable housing while strengthening communities by improving living conditions and creating economic opportunities. • Support and expand Operation Clean Up events to foster a safer and cleaner community. • Enhance public engagement efforts to exceed the number of properties brought into compliance with city codes.

Housing Rehabilitation

Mission Statement

To improve the quality of life for low- and moderate-income homeowners by providing affordable home repair loans that ensure safe, decent, and sanitary living conditions.

Key Functions

- Respond to inquiries and provide detailed information about the program.
- Manage application intake and collect all necessary supporting documentation.
- Assist with the annual recertification process by updating loan applications and gathering required documents.
- Oversee loan payment collection and manage delinquent accounts to ensure timely repayments.

FY 2025 Accomplishments	FY 2026 Goals
• Successfully completed the targeted number of housing rehabilitation projects. • Processed all submitted applications efficiently and accurately. • Maintained and regularly updated the program waiting list. • Delivered excellent customer service by promptly addressing all inquiries.	• Increase the supply of safe, decent, and affordable housing and strengthen communities by improving living conditions and creating economic opportunities. • Continue to provide financial and technical assistance to low to moderate-income homeowners. • Ensure fiscal integrity in the operation of its programs.

Home Investment Partnership

Mission Statement

To expand access to affordable housing and promote homeownership opportunities for low-income individuals in our community by supporting the construction, acquisition, and rehabilitation of housing units for both rental and homeownership.

Key Functions

- Allocate federal funding to support the creation and preservation of affordable housing.
- Oversee the administration and operations of housing programs, including Tenant-Based Rental Assistance (TBRA), Down Payment Assistance (DPA), Homeowner Reconstruction Program (HRP), Affordable Housing Development, and Community Housing Development Organizations (CHDOs).
- Ensure compliance with program goals, federal and local regulations, project objectives, and contractual requirements.
- Maintain and update procedural manuals and policy guidelines in accordance with current laws and HUD regulations.
- Manage application intake, contract preparation, and real estate closings.
- Conduct property inspections, prepare cost estimates and work specifications, and oversee construction activities.
- Perform on-site monitoring of sub-recipients to ensure adherence to program requirements.
- Review and process reimbursement requests from contractors, sub-recipients, and consultants.
- Oversee loan payment collections and manage delinquent accounts.

FY 2025 Accomplishments	FY 2026 Goals
• Successfully promoted HOME housing programs by participating in various public outreach events to increase community awareness. • Expanded access to affordable rental housing and homeownership opportunities for low-income residents. • Provided down payment assistance to help first-time homebuyers achieve homeownership. • Issued a reconstruction loan to assist a low- to moderate-income homeowner in securing safe, decent, and affordable housing.	• Continue promoting housing programs to address the affordable housing shortage by expanding rental assistance and increasing the number of available housing units. • Identify and secure additional project locations to enhance affordable rental housing opportunities within the community. • Maximize competitive bidding processes to promote transparency and ensure fair and equal participation among contractors and vendors. • Provide ongoing technical assistance to sub-recipients and contractors to maintain program compliance and improve service delivery.

Emergency Solutions Grant

Mission Statement

To provide shelter and supportive services to individuals and families who do not have an adequate and/or permanent nighttime residence or who are at risk of becoming homeless.

Key Functions

The Emergency Solutions Grant (ESG), funded through the U.S. Department of Housing and Urban Development (HUD), assists local government and private nonprofit organizations with homeless activities by:

- Collaborating and coordinating with local homeless service providers to improve homeless services.
- Administering and monitoring sub-contractor contracts for the following activities: Emergency Shelter Operations, Essential Services, Street Outreach, Homelessness Prevention, Rapid Re-Housing, and the Homeless Management Information System (HMIS).
- Supporting data collection and reporting efforts for HMIS.
- Coordinating homeless committees in efforts to end homelessness.
- Providing street outreach services to meet the immediate needs of people experiencing homelessness in unsheltered locations by connecting them with emergency shelter, housing, or critical services, and delivering urgent, non-facility-based care.

FY 2025 Accomplishments	FY 2026 Goals
• Assisted 10 families at risk of homelessness through the Homelessness Prevention component, and housed 7 families through the Rapid Re-Housing component. • Through the Street Outreach component, provided basic needs to over 60 homeless individuals while supporting their pathways toward housing stability. • Successfully monitored sub-recipients to ensure emergency shelters met standards for safety, sanitation, and privacy.	• Continue providing rent and financial assistance to sub-recipients to prevent homelessness and help those experiencing homelessness to be quickly re-housed and stabilized. • Continue engaging with homeless individuals and families living on the streets. • Continue funding emergency shelters to improve operations and provide essential services to residents. • Continue supporting data collection and reporting efforts in HMIS.

Performance Measures

Auto Theft Task Force

Mission Statement

The Laredo Police Department Auto Theft Task Force Goals and Objectives for fiscal year 2026 consist of several methods which will assist us in reducing, preventing, and detecting auto theft/auto burglary, as well as educating the community in auto theft/auto burglary awareness by means of presentations, brochure drop offs, public service announcements, and auto-theft booth displays.

Key Functions

- Conduct Investigations of auto theft, unauthorized use of a motor vehicle, burglary of vehicle, fraud related motor vehicle crimes, and cargo theft.
- Identify, arrest, and aggressively prosecute auto theft ring participants and their leaders.
- Identify, arrest, and aggressively prosecute burglary of vehicle offenders and repeat offenders.
- Provide investigative support to surrounding cities and counties such as Jim Hogg, LaSalle, and Zapata.
- Conduct inspections of local businesses related to a vehicle enterprise (salvage yards, repair shops, parts recycling centers, salvage rebuilders, title service companies, and used car dealerships.
- Conduct public awareness related activities that provide presentations and trainings used to educate our community

FY 2025 Accomplishments	FY 2026 Goals
• ATTF was awarded the MVCPA TF and SB224 Grants for FY24-25 • Commencement of Flock Installation • ATTF recovered $2,410,490 in stolen vehicles and heavy machinery • Our ATTF was awarded the prestigious CC Benson Award at TAVTI • Disrupted two Transnational Auto-Theft Rings and 4 local Kia/Hyundai Challenge Groups	• Apply for and receive FY26 Task Force and FY26-SB224 funding • Continue to reduce and prevent motor vehicle thefts and crime related auto-theft • Reduce and prevent burglary of motor vehicle cases • Continue to increase public awareness/education on auto-theft and burglary of vehicle prevention via public events. • Continue to work with other agencies such as DPS, NICB, US Customs, OCRA, and Mexican authorities in order to reduce, prevent, and detect auto theft/auto burglary in the city.

Performance Measures

Workload Measures	Actual 22-23	Actual 23-24	Estimate 24-25	Target 25-26
Number of stolen vehicles	285	347	252	250
Number of arrests	279	296	213	288
Number of recovered vehicles	176	209	183	200
Number of 68A Inspections	1,251	856	1,000	1,000
Number of dealership inspections	43	30	40	40
Bridger operations conducted	24	16	20	20
Public awareness events	446	725	586	650
Number of other cases investigated associated with Auto Theft	184	206	190	200

Expenditures					
Auto Theft Task Force	**Actual 22-23**	**Actual 23-24**	**Amended 24-25**	**Estimate 24-25**	**Adopted 25-26**

Other Measures

Goal 1: To reduce the incidence of motor vehicle theft through enforcement strategies

Strategy 1: Conduct Activities that Result in the Arrest, Clearance, and Recoveries of Motor Vehicle Theft

Activity	Measure	Target
Identify groups of auto theft offenders through intelligence gathering, crime analysis and the use of informants	Number of groups identified	20
Identify and document/record prolific motor vehicle theft offenders [Prolific is defined as “linked to MVT offenses three or more times”]	Number identified/documented offenders	20
Conduct salvage yard inspections	Number of salvage yard inspections	4
Conduct repair shop/recycling center/used car dealership inspections	Number of businesses inspected	40
Deploy license plate readers (LPR)	Number of times LPR deployed	50
Respond to license plate reader (LPR) alert notifications	Number of times responded to LPR alert notification	15
Conduct covert operations targeting motor vehicle theft offenders	Number of covert operations	20
Conduct Bridge/Port Operations	Number of operations	40
Conduct warrant “round-up” operations targeting auto crimes offenders, including those wanted for motor vehicle thefts, vehicle burglaries and the theft of vehicle parts	Number of operations	20

Strategy 2: Conduct Collaborative Efforts that Result In Reduction of Incidents of Motor Vehicle Theft

Activity	Measure	Target
Provide Agency-Assists-assist other agencies in obtaining port video, recovery and information	Number of agencies assists	100
Collaborate with law enforcement units responsible for gateway crimes involved with motor vehicle theft investigations	Number of times collaborated	60
Collaborate with agencies/organizations that assist in the reduction of motor vehicle thefts	Number of times collaborated	50
Collaborate on investigations regarding stolen parts and other property	Number of cases investigated	50

Conduct intelligence information-sharing	Number of intelligence meetings attended; crime analysis bulletins disseminated	100

Strategy 3: Prevent and Reduce the Incidence of Motor Vehicle Related Fraud Activities

Activity	Measure	Target
Collaborate with agencies relating to investigation and enforcement of vehicle insurance fraud	Number of collaborations	15
Conduct insurance fraud investigations	Number of insurance fraud cases	8
Conduct 68(A) inspections and VIN verification inspections	Number of inspections	1,000
Conduct vehicle title fraud investigations	Number of vehicle title fraud cases	8
Coordinate with TxDMV/Tax Offices relating to investigation and enforcement of fraudulent titles and registration of stolen vehicles	Number of collaborations	15

Goal 2: To reduce the incidence of theft from motor vehicles through enforcement strategies

Strategy 1: Conduct Activities that Result in the Arrest, Clearance, and Recoveries of Burglary of Motor Vehicles and Theft of Vehicle Parts and Accessories

Activity	Measure	Target
Conduct bait vehicle operations that target vehicle burglary offenders	Number of bait vehicle burglary deployments	10
Identify prolific BMV offenders through informants and intelligence [Prolific is defined as “linked to BMV and theft of vehicle parts and accessories offenses three or more times”]	Number of offenders identified	25
Conduct Bridge/Port operations	Number of bridge surveillance operations	40
Conduct salvage yard/repair shop/metal recyclers and resale location inspections	Number of business inspections	44
Conduct warrant “round-up” operations targeting auto crimes offenders, including those wanted for motor vehicle thefts, vehicle burglaries and the theft of vehicle parts	Number of “round up” operations	20

Goal 2: To reduce the incidence of motor vehicle theft through enforcement strategies

Strategy 2: Conduct Collaborative Efforts that Result in the Reduction of Incidents of Theft from a Motor Vehicle

Activity	Measure	Target
Provide Agency Assists	Number of agencies assists	100
Collaborate on investigations with law enforcement units responsible for gateway crimes involving theft from a motor vehicle	Number of times collaborated	50
Collaborate with agencies/organizations that assist in the reduction of thefts from a motor vehicle	Number of times collaborated	25
Investigate cases regarding stolen parts and other property	Number of cases investigated	850

Goal 3: Educate/Train Citizens and Qualified Personnel in Detection and Prevention of Motor Vehicle Theft, Burglary of Motor Vehicles and Theft of Vehicle Parts and Accessories

Strategy 1: Conduct Public Awareness Related Activities Used to Educate Citizens

Activity	Measure	Target
Conduct media outreach, including, public service announcements, press releases, and interviews	Number of outreaches	125
Conduct educational presentations to citizens	Number of presentations Number of participants	30
Operate trade show exhibits/booths at community events	Number of events	125
Conduct vehicle identification number (VIN) etchings	Number of etching events	0
Operate vehicle displays	Number of display events	0
Purchase advertisements in local outlets	Number of advertisements purchased	6
Write articles for local publications (e.g., neighborhood association newsletters)	Number of articles	0
Conduct vehicle report card initiatives.	Number report cards issued	400
Utilize social media outlets	Number of postings in social media outlets	150
Deploy outdoor public notification signage	Number of deployments per month (if sign remains several months, count as 1 deployment per month)	15

Goal 3: Educate/Train Citizens and Qualified Personnel in Detection and Prevention of Motor Vehicle Theft, Burglary of Motor Vehicles and Theft of Vehicle Parts and Accessories

Strategy 2: Conduct Law Enforcement Training Activities to Educate Officers on Recognition and Apprehension of Stolen Vehicles and Property

Activity	Measure	Target
Conduct law enforcement training (TCOLE)	Number of classes	6
Conduct vehicle crimes presentations to law enforcement agencies (non-TCOLE)	Number of classes Number of participants	25 500

Financial Task Force

Mission Statement

The Laredo PD/HSI HIDTA Task Force is a cooperative partnership of Federal, state and local law enforcement agencies encompassing Laredo, Webb County in South Texas. The task force is collocated and focuses on mid- to upper-level Mexican drug trafficking organizations (DTOs) operating in the Laredo, Webb County metropolitan area while supporting street-level investigative operations targeting gangs with ties to Mexican DTOs.
The Laredo PD/HSI HIDTA Task Force also interdicts marijuana, cocaine, methamphetamine, heroin, fentanyl, controlled prescription drugs, and counterfeit controlled prescription drugs.

Key Functions

- Disrupt Transnational Criminal Organizations (TCO)
- Dismantle TCOs
- Target TCOs, DTOs and MLOs that operating in our AOR
- Seized weapons and ammunition that will supply Mexican cartels
- Apprehend TCOs, MLOs and DTOs

FY 2025 Accomplishments	FY 2026 Goals
• Disrupt the distribution of drugs • Locate the keys of transshipments of drugs • Locate the Local gangs transporting drugs • Seized assets that will impact the TCOs operations	• Arrests and Convictions: Tracking the number of drug-related arrests made by the task force and the subsequent convictions • Seizures: Monitoring the quantity and street value of illegal drugs the task force confiscates especially controlled substances that pose the bigger threat to the health and safety of our community • Disruption of Drug Networks: Assessing the task force's ability to dismantle drug organizations, disrupt supply chains, and prevent drug-related activities. • Interagency Collaboration: Evaluating the level of cooperation and collaboration between the task force and other law enforcement agencies and sharing intelligence and resources for effectiveness. • Quantifiable Targets: Setting specific targets, such as reducing drug-related crime rates, drug overdose incidents, or drug-related fatalities. These can help measure the task force's effectiveness in achieving tangible outcomes.

Public Health Department

Mission Statement

Through excellence and leadership, the City of Laredo Public Health Department provides culturally competent quality services that promote optimal health, prevent disease, and protects the safety of all to achieve health equity.

Key Functions

- Provide comprehensive preventative health services: Immunization, Primary Care, Laboratory, Family Planning, Maternal Child Health, Mental Health, STI/HIV, Case Management, and Tuberculosis services. & prioritize health education and promotion, including initiatives on nutrition, physical activity, and chronic disease prevention and strengthen our efforts in mental health promotion and support.
- Develop robust preparedness activities: Enhance emergency preparedness plans and ensure efficient response mechanisms are in place for public health emergencies. Includes improving surveillance systems, communication networks, and coordination with local, state, and federal agencies.
- Foster healthy living through and by expanding our comprehensive public health services and by addressing social determinants of health.
- Efficient administration & management: Implement streamlined administrative processes to ensure the effective operation & management of all programs and services. Optimize resource allocation, monitoring program outcomes, and promoting a culture of continuous quality improvement within our department.
- Cultivate collaborative community partnerships: Actively engage with community organizations, healthcare providers, educational institutions, and other stakeholders to build strong and sustainable partnerships. Through these collaborations, we mobilize community resources to address health disparities, ensure access to healthcare, and improve health outcomes for all residents of Laredo.
- Advocate for healthcare issues: Continue to be vocal advocates for the healthcare needs and priorities of our community. Actively participate in local and regional healthcare coalitions, partnering with policymakers, and leveraging data-driven insights to shape public health policies and interventions that positively impact the health and well-being of the Laredo area.
- Advancing Fair Access to Health Services: Develop and implement initiatives that reduce disparities in health outcomes by expanding access to quality healthcare, services, and resources for all populations. Prioritize strategies that support historically underserved and hard-to-reach communities, ensuring that every individual has a fair opportunity to achieve optimal health.
- Data-driven Decision Making: Strengthen the department's capacity for data collection, analysis, and interpretation. Utilize evidence-based practices and data-driven insights to inform program planning, policy development, and resource allocation.
- Community Health Assessments and Planning: Conduct regular community health assessments to identify priority health needs and develop strategic plans for addressing them. Engage community members, organizations, and stakeholders in the planning process to ensure inclusivity and relevance.

- Health Education and Promotion: Expand health education initiatives to raise awareness about key public health issues and empower individuals to make informed decisions. Utilize various platforms, including social media, community events, and partnerships with schools and workplaces, to disseminate health information.
- Health Workforce Development: Invest in the professional development of the health department staff through training programs, continuing education opportunities, and leadership development. Foster a culture of learning and innovation within the department.
- Collaboration with Healthcare Providers: Strengthen collaborations with healthcare providers in the community, including hospitals, clinics, and private practitioners. Enhance coordination of care, share information, and collaborate on public health interventions to improve health outcomes.
- Research and Evaluation: Foster a culture of research and evaluation within the department to generate new knowledge, evaluate program effectiveness, and contribute to the evidence base in public health. Collaborate with academic institutions and research organizations to support research endeavors.
- Health Technology and Innovation: Embrace & explore technological advancements to improve service delivery, streamline processes, and enhance communication and engagement with the community.
- Integrated Animal Services: Implementing measures to prevent zoonotic diseases, providing medical care, vaccinations, wellness checks, and performing humane euthanasia; facilitating adoptions and fostering, providing temporary shelter and care for stray, abandoned, or surrendered animals, and rescuing stray animals; responding to animal-related issues, capturing and rescuing stray and dangerous animals, enforcing laws against animal cruelty, and educating the public on preventing animal cruelty and promoting humane treatment of animals through community programs and initiatives
- Environmental & Regulatory Health: Conduct routine inspections and enforcement for restaurants, lodging, sewage, pools, mosquito/rodent control, tattoo/body-piercing facilities, and other public venues.

Special Police Fund

Mission Statement

The Laredo Police Department will continue seeking local, federal, and state grant funding to augment the city's resources and further department goals.

Key Functions

- Assists Victims of Crime
- Provides overtime to conduct occupant protection enforcement, reduce incidences of speeding, driving while intoxicated, failure to use restraint systems, intersection traffic control violations, enforcement of state and local ordinances on cellular and texting devices.
- Provides overtime to increase capability to prevent, protect against, and respond to border security issues.
- Provides funds to support the purchase of bulletproof vests.
- Provides funds to support the purchase of specialized and tactical equipment.
- Supports projects that prevent terrorism and targeted violence and prepare for the threats and hazards that pose the greatest risk to our community.
- Supports memorandum of understandings (MOU) and working agreements to increase coordination and collaboration among our local, state and federal partners.
- Sustains the Texas Anti-Gang Grant which brings together all resources and law enforcement partnerships to address a major security threat and gap along the South Texas Border.
- Grants key function is to augment the city's resources by providing funding for overtime for officers to fight against criminal enterprises and safeguard our borders; to provide community awareness, to purchase equipment and vehicles, provide training, peer support and mental health services, to name a few.

FY 2025 Accomplishments	FY 2026 Goals
• LPD received over $6.7M in federal and state grant funding • Obtained 5 fully equipped patrol units with Operation Stonegarden grant funds • Obtained 5 fully equipped patrol units and 10 police power bikes with Operation Lone Star grant funds • Awarded grant to provide 2 bomb suits for the LPD Bomb Unit	• Continue seeking funding for Federal and State Grants to support and augment funding to further department goals. • Equip LPD Bomb Unit with x-ray system • Equip LPD Port Police with mobile operations trailer • Obtain fully equipped patrol units for border security operations

Laredo International Airport

Mission Statement

To be a catalyst for economic development to the City and region by creating and promoting opportunities for domestic and international passenger and air cargo transportation, striving for a safe and secure airport environment and being sensitive to noise concerns.

Key Functions

- To promote and market Laredo International Airport to air carriers for passenger and air cargo operations
- To maintain and improve aviation facilities and expand our airport's revenue base
- To provide a safe, clean, efficient and cost-effective facility for the public and the traveling community
- Comply with the American Disability Act and the Environmental Protection Agency
- To maintain airport operations area in a manner that is in compliance with our FAA Airport Certification requirements
- To continue to provide law enforcement security for the Laredo International Airport, as mandated by Federal Aviation Administration Regulations (FAA) and Transportation Safety Administration (TSA) Regulations.
- To increase local awareness of the FTZ #94 program and encourage the international trade community to participate
- Coordinate and process all FTZ applications, activations, and modifications
- Conduct outreach to increase awareness among brokers, manufacturers, and logistics providers.
- Support site development under the Alternative Site Framework (ASF).

FY 2025 Accomplishments	FY 2026 Goals
• Laredo International Airport Terminal Improvement Project – Replacement of escalators and Terminal roof • New Daily Route with AERUS to Monterrey, Nuevo Leon Mexico • Promote new alliance code share agreement between AERUS & VIVA expanding air service • Re-painted, short term and long term parking lots • American Airlines increased weekly flights • Incorporate new FAA mandated SMS • FTZ94 ranked #2 among 197 Grantee Zones in the U.S. in number of Sites and Operators, and #18th regarding movement of goods. • Implemented a new Criminal & Incidental record management system for Airport Police Department • Implemented a new Dispatch Console system (CAD) to allow a smoother flow of officer activities for the day • Replaced cameras at the FIS with a new Video Management system. • Implemented Security trainings through an online streaming process thru DIGICAST	• Laredo International Airport Terminal Improvement Project – Phase II • Increase our Car Rental Concessions and Lease properties • Become and maintain status as the #1 FTZ Grantee in the U.S. for number of Operators and Sites. • Expand public and private sector awareness of the FTZ94 program and its benefits. • Support development of the first Production Authority FTZ site(s) within FTZ94. • Continue strengthening Laredo's position as a national and international logistics hub. • Continually making upgrades to airfield signage to phase out older signage and install new LED lighting • Replace existing wireless antennas with newer antennas, this will be replace broken ones and allow for a wider bandwidth of data to be transmitted • Replace video management system at the Airport Passenger Terminal • Acquire new PA system for Airport Terminal

(3)	Advertising and conducting solicitations & promotional programs to attract tourists and convention delegates or registrants to the municipality or its vicinity;	Minimum is 1% of room cost or 14.29% of total estimate 351.103 (a) (2)	3.47	49.55%	$2,731,090
(4)	The encouragement, promotion, improvement, and application of the arts, including instrumental and vocal music, dance, drama, folk art, creative writing, architecture, design and allied fields, painting, sculpture, photography, graphic and craft arts, motion pictures, radio, television, tape and sound recording, and other arts related to the presentation, performance, execution, and exhibition of these major art forms;	Maximum is 1% of room cost or 15% of total estimate (whichever is greater)* 351.103 (c)	0.20	2.87%	$157,976
(5)	Historical restoration and preservation projects or activities or advertising and conducting solicitations and promotional programs to encourage tourists and convention delegates to visit preserved historic sites or museums:	If monies allocated in (1), then maximum is 1.05% of room cost or 15% of total estimate 351.103 (c)			
	(A) at or in the immediate vicinity of convention facilities or visitor information centers; or				
	(B) located elsewhere in the municipality or its vicinity that would be frequented by tourists and convention delegates;		0.11	1.60%	$88,000
(6)	For a municipality located in a county with a population of one million or less, expenses, including promotion expenses, directly related to a sporting event in which the majority of participants are tourists who substantially increase economic activity at hotels and motels within the municipality or its vicinity; and	No requirements	0.39	5.61%	$309,401
(7)	Subject to Section 351.1076, the promotion of tourism by the enhancement and upgrading of existing sports facilities or fields, including facilities or fields of baseball, softball, soccer, and flag football, if:				
	(A) the municipality owns the facilities or fields;				
	(B) the municipality:				
	(i) has a population of 80,000 or more and is located in a county that has a population of 350,000 or less;				
	(ii) has a population of at least 65,000 but not more than 70,000 and is located in a county that has a population of 155,000 or less; or				
	(iii) has a population of at least 34,000 but not more that 36,000 and is located in a county that has a population of 90,000 or less; and				
	(C) the sports facilities and fields have been used, in the preceding calendar year, a combined total of more than 10 times for district, state, regional, or national sports tournaments.	No requirements	0.00	0.00%	$0
(8)	A municipality may use the revenue derived from the tax for any sized city to cover the costs for transporting tourists from hotels in and near the city to any of the following destinations:				
	(A) the commercial center of the municipality; a convention center in the municipality; other hotels in or near the municipality; and tourist attractions in or near the municipality.				
	(B) the transportation system that transports tourists as described by subsection (A) may be: owned and operated by the municipality; or privately owned and operated but partially financed by the municipality.				
	(C) this section does not authorize the use of revenue derived from the tax imposed for a transportation system that serves the general public other than for a system that transports tourists as described by subsection (A)	No requirements	0.00	0.00%	$0
(9)	A statutory category was added that allows cities to use municipal hotel motel tax revenue to pay for signage directing tourists to sights and attractions frequentty visited by hotel guests in the municipality; this type of expenditure was permissible as "advertising and promotion" before. however, the legislature codified this understanding to officially include signage directing tourists to sights and attractions that are frequently visited by hotel guests.	No requirements	0.00	0.00%	$0
		Totals	**7.00**	**100.00%**	**$5,511,811**

Environmental Services

Mission Statement

To provide a better quality of life by promoting a clean, healthy, safe environment through information, education and enforcement. In order to ensure compliance with federal, state and local environmental laws. Furthermore, to protect & preserve the natural resources of the community.

Key Functions

- Provide administrative support, which leads to a better quality of life by promoting a clean, healthy and safe environment through information, education, and enforcement.
- Continue to clean and maintain all city creeks and easements in a systematic, organized and economic manner.
- Continue providing aggressive environmental education programs through partnerships and continue providing aggressive storm sewer cleaning programs.
- Continue helping on commercial hazardous waste disposal.

FY 2025 Accomplishments	FY 2026 Goals
• Letting for River Vega Hike and Bike • Letting for River Bend Hike and Bike • Completion of Manadas Creek Drainage • Completion of East Chacon Drainage • Completion of Manadas and Zacate Floodplain Study	• Completion of Springfield Extension II • Design and letting of Chacon East Hike and Bike • Forest Loop Drainage construction

Parking Meters

Mission Statement

Facilitate parking management by maintaining and promoting safety regulations and compliance with city ordinances and enforce Vehicles for Hire City Ordinance.

Key Functions

- Service the public by providing turn around parking spaces in the CBD area.
- Provides information and other general assistance to the citizens
- Patrol CBD areas to enforce parking regulations and restrictions
- Ensure Parking Meters are in working conditions at all times
- Attend to complaints in City of Laredo neighborhoods
- Collects fines and fees for parking citations
- Service the public by providing regulated Taxi Services

FY 2025 Accomplishments	FY 2026 Goals
• Upgraded Zaragoza Parking Lot Equipment • Upgraded License Plates Recognition System • Collection Agency's statement productivity and revenue	• Collection on Out of State Tickets. • Vehicles for Hire Ordinance Revision • Taxi Permit Renewals 2025

Noise Abatement

Mission Statement

The Noise Abatement Lease Program's purpose is to manage and lease single-family homes and apartments acquired through Federal Aviation Administration (FAA) grant funds, providing quality rental housing while supporting noise mitigation efforts.

Key Functions

- Manage, operate, and maintain rental-housing units using revenues generated by the program.
- Ensure all rental units meet established housing quality standards.

FY 2025 Accomplishments	FY 2026 Goals
• Efficiently managed and maintained 324 Noise Abatement properties. • Effectively billed tenants and collected monthly rent payments. • Reduced turnaround time for vacant units, improving occupancy rates. • Successfully completed all work orders and maintenance requests. • Lowered operational costs through proactive preventive maintenance.	• Continue proactive tenant engagement to ensure timely rent collection. • Enhance tenant satisfaction to improve retention rates. • Maintain high property standards while fostering positive landlord-tenant relationships. • Ensure full compliance with regulations to minimize operational risk.

Performance Measures

Keep Laredo Beautiful

Mission Statement

Empower citizens of Laredo through education to take responsibility for enhancing their community and its environment through litter prevention, beautification, community improvement, and minimization of the impact of solid waste.

Key Functions

- KLB main tasks are litter pick-up, graffiti removal, tree planting, beautification projects, environmental education and art work.
- Continue recruiting more volunteers for all KLB events.
- To protect the natural resources from environmental degradation for the citizens of Laredo.
- Continue with aggressive efforts to let citizens know the importance of keeping a clean City through awareness, education, information and enforcement.

FY 2025 Accomplishments

- The Wes Castolenia Community Service Award
- Keep Texas Beautiful – Gold Star Affiliate
- Governor's Community Achievement Award 1st Place
- Rotary International: Juntos Limpiemos el Rio Bravo Recognition
- Awarded "Best Civic Group" by the Laredo Morning Times Readers' Choice Award
- Webb County Youth Village Clean-ups – Various Parks

FY 2026 Goals

- Sustain and expand tree planting initiatives across the city
- Continue graffiti removal efforts citywide
- Advance public art and beautification projects
- Continue organizing and supporting citywide cleanup efforts
- Promote environmental education through targeted outreach programs
- Pursue additional funding opportunities through grant applications

Special Fire Grants

Mission Statement

The Laredo Fire Department is an all-hazards department that is committed to providing the highest level of customer service to all its community. We are dedicated to protecting life, property, and the environment by providing emergency response, regulatory compliance, and community education.

Key Functions

- Responding to Opioid Crisis
- Providing information/resources for patients in the community
- Referral to community resources
- Promoting harm reduction
- Provide CPR training to family members
- Supply Narcan kits

FY 2025 Accomplishments	FY 2026 Goals
• Reduced number of Opioid Related Deaths (5 Overdose Deaths 2025) • Reduced number of Opioid Related Calls • Increased use of Naloxone Cabinets from Fire Department facility.	• Further decrease calls for suspected overdose related 911 calls • Expand mobile outreach for warm handoffs to treatment center (SCAN, PILLAR, ROOTS RECOVERY CENTER) • Train current LFD staffing on harm reduction practices • Expand naloxone access to homeless shelter with expansion of Bethany House.

Hamilton Housing Apartments

Mission Statement

To provide decent, safe, and affordable housing tailored to the needs of the elderly community.

Key Functions

- Manage, operate, and maintain the residential and commercial rental units at the Hamilton Elderly Apartment Complex.
- Ensure all rental units comply with established housing quality standards.

FY 2025 Accomplishments	FY 2026 Goals
• Efficiently managed and maintained 165 rental units. • Effectively billed tenants and collected monthly rent payments. • Reduced turnaround time for vacant units. • Reviewed and established payment arrangements for past due accounts. • Successfully completed outstanding work orders. • Completed major system repairs and enhancements in this 12-story historic building.	• Ensure all major mechanical, electrical, and plumbing systems are properly maintained and repaired as needed. • Continue proactive tenant engagement to ensure timely rent collection. • Improve tenant satisfaction to increase retention rates. • Maintain high property standards and foster strong landlord-tenant relationships. • Ensure compliance with all regulations to minimize risk.

Buena Vista Sport Complex

Mission Statement

To foster a vibrant and inclusive community by promoting athletic excellence, recreational enjoyment, and lifelong wellness in our state-of-the-art sports facilities. We are committed to cultivating sportsmanship, teamwork, and community engagement for athletes of all ages and skill levels by hosting local, regional, and national events that inspire passion, pride, and performance.

Key Functions

- Provide management and maintenance as well as promotion of a 34.55-acre sports complex that includes 10 regulation turf baseball/softball fields with dugouts, warm-up and viewing areas, 2 multi-purpose fields and a 630-space parking lot
- Promote and develop relationships with various sports rights holders to secure the complex for various sports competitions.
- Maintenance of the sport complex facility on the entire 34.55 acres.
- Operate and maintain 2 concession buildings and restrooms throughout.

FY 2025 Accomplishments	FY 2026 Goals
• Completion of a 34.55-acre sports facility that includes 10 artificial turf baseball fields, two multi-purpose fields for soccer, football, rugby, etc., two concession areas and 630 parking spaces. • Identify staff and budget, to manage and maintain the complex • Hiring of facility staff to run the complex. • Generated new revenue streams.	• Create a full marketing campaign to highlight and promote the image of Buena Vista Sports Park as a leader in youth sports within the community and region. • Create local programming by developing a tournament profile, expanding Buena Vista as a tournament destination. • Work with local schools and sports associations to host leagues, high school tournaments, and regional sporting events. • Develop a network with Event Rights Holders to host high-level events by attending sports and event conferences to recruit and book new events. • Target and host weekend sports tournaments and dedicated events that drive hotel nights. • Offer top-notch facilities for enhanced quality of life for local and out-of-town citizens

Bridge System

Mission Statement

To continue to serve as the most expedient, convenient and safe crossing points for all citizens and tourists of both U.S. and Mexico.

Key Functions

- Ensure services that improve our position as the #1 port in America
- Expedite the safe movement of vehicular and pedestrian traffic over the Bridge System
- Efficiently facilitate the crossing of all freight and import-expert trade
- Promote the AVI service to the public to expedite crossing wait time
- Provide professional and courteous customer service

FY 2025 Accomplishments

- #1 Port in North America
- World Trade Bridge (WTB) Expansion Project Presidential Permit approved May 31, 2024
- 2025 BUILD Grant Program (formerly RAISE) – Project Readiness application submitted (2025-R-23)
- Colombia-Solidarity Bridge Expansion Project Presidential Permit approved on June 16, 2025
- Juarez-Lincoln Northbound Drainage Replacement Project
- Juarez-Lincoln Bridge Admin Bldg. Renovation Assessment
- Gateway to the Americas Bridge 1 Deck Repairs
- Weigh-in Motion Sensors Project WTB & Colombia-Solidarity
- WTB Admin Bldg. Renovation Project
- Reduce Traffic Congestion – Auto Replenish & NSF Fee (AVI application revamping)
- El Portal Food Truck Project in-house floor plans

FY 2026 Goals

- Update Bridge Master Plan to Prepare for Future Growth and Infrastructure Needs
- Juarez-Lincoln Bridge Admin Building Renovation
- Increase Revenue and Traffic Crossings to continue being #1 Port in North America
- Implementation of Card Readers at Customer Service Centers
- Technology Implementation to Upgrade Traffic Flow
- Toll System performance Audit for all commercial traffic
- El Portal Food Truck Project Schematic Design & engineering evaluation
- Submit 2026 BUILD Grant Program (formerly RAISE) – Project Readiness application for Colombia-Solidarity Bridge Expansion Project

Municipal Housing

Mission Statement

The mission of Municipal Housing is to promote decent, safe, and attainable rental housing units.

Key Functions

- Manage, operate, and maintain city-owned single-family and multi-family rental housing units, including elderly housing projects.
- Ensure all rental-housing units comply with the housing quality standards.

FY 2025 Accomplishments	FY 2026 Goals
• Efficiently managed and maintained 252 rental housing units. • Effectively billed tenants and collected monthly rent payments. • Reduced turnaround time for vacant units. • Successfully completed all work orders and maintenance requests. • Lowered operational costs through preventive maintenance. • Improved home accessibility and quality of life for qualified local veterans.	• Continue collaborating with other divisions and departments to develop additional rental housing units. • Maintain proactive tenant engagement to ensure timely rent collection. • Enhance tenant satisfaction to increase retention rates. • Uphold high property standards and foster positive landlord-tenant relationships. • Ensure full compliance with regulations to minimize risk. • Reapply for the TVC grant.

Performance Measures

Solid Waste Services

Mission Statement

The mission of the Solid Waste Department is to protect the environment, public health and welfare and enhance the quality of life by providing effective programs to collect and dispose of solid waste materials in a convenient, economical and environmentally sensitive manner.

Key Functions

- Continue to improve customer service by using the most efficient automated system at our disposal by providing the best service in garbage and recycle collection to our customers residential and commercial.
- Continue to promote educational awareness and encourage the citizens to participate by calling 311 for any needs or concerns.
- Reduce material contamination through the educational awareness and continue with programs to educate the youth of Laredo on sound recycling practices.
- Continue to provide refuse collection services in the most efficient and cost-effective methods and respond to customer service requests quickly and efficiently.
- Continue with the construction of landfill cells, which will allow the City to continue servicing its waste disposal needs.

FY 2025 Accomplishments	FY 2026 Goals
• Landfill Cell Construction (Completed) • Continue providing bulky item pick-up collection twice a year • The third day of garbage benefited our employees from being overworked and be able to finish the routes on time • Continue to follow TCEQ requirements • Participation in community events	• Fleet Maintenance Facility • AEP easement relocation and cell design • Expansion & Permit Modification at Current Landfill • Citizen's Convenience Station • Compost Facility and Equipment • Convert methane gas to energy • Liquid Waste Crushing Pad

Performance Measures

Workload Measures	Actual 22-23	Actual 23-24	Estimate 24-25	Target 25-26
Grapple branches collected (Tons)	8,178	6,686	7,990	8,300
Baled tonnage (Recycle)	2,378*	5,424	6,141	6.500
Total waste collected residential (Tons)	96,974	100,334	95,990	98,500
Pounds of waste per house per day	7.67	7.84	7.40	7.45
Total amount of incoming waste (Tons)	418,475	432,964	411,930	415,500

*The recycle facility did not operate during the months of January through May 2023, due to the fire that damage part of the building in December of 2022.

Utilities Waterworks

Mission Statement

To provide the community with safe drinking water at a fair and reasonable cost and to treat its' wastewater so it can be discharged in an environmentally sound manner. Continuously planning for the future while valuing and respecting our employees and customers.

Key Functions

- Billing: To provide the citizens of Laredo with prompt and courteous customer service while maintaining an accurate and efficient water-billing system.
- Water Treatment: To help keep water safe as it travels to homes and businesses. Maintain adequate disinfectant in the pipes between the water treatment plant and tap.
- Water Distribution: To transport the water from the treatment facility to customers and provide flow and pressure for fire protection.
- Water Quality Assurance: To restore and maintain the quality of the City's water.
- Engineering: To review and inspect construction sites and verify that all water and sewer lines being installed are up to quality standards and meet TCEQ guidelines.
- GIS: To maintain accurate maps and coordinates of water and sewer lines throughout the City.
- Asset Management: To maintain inventory of all water and sewer supplies to be utilized by the department in use throughout the City.

FY 2025 Accomplishments	FY 2026 Goals
• Replaced approximately 2,860 linear feet of water line • Installed 69 iHydrant systems • Maintained an average of 2.0 mg/L Chlorine residual at the furthest points • Reduced areas flushed by strategic flushing	• Reduce Overtime by 10% • Staff to obtain Water Operator's Licenses • Attain recognition as a Superior Public Water System by TCEQ • Exercise a total of 2,000 valves in a year • Replace a total 100 valves

Performance Measures

Workload Measures	Actual 22-23	Actual 23-24	Estimate 24-25	Target 25-26
Linear Feet of Water Line Replaced per year	2,424	3,740	2,860	2,860

El Metro

Mission Statement

To promote and provide high quality, cost effective public transportation services that address the demands of the citizens of Laredo.

Key Functions

- Route Planning & Scheduling: Develop manage efficient transit route and schedules that meet the mobility needs of the community, including adjustment based on ridership trends and public feedback.
- Customer Service & Rider Support: Offer rider assistance through information centers, call lines, social media, and in-person support to ensure a positive experience for all passengers.
- Vehicle Maintenance & Fleet Management: Ensure that buses and service vehicles are well maintained, meet safety standards, and are environmentally compliant.
- Transit Safety & Security: Maintain a safe environment for passengers and staff through enforcement of safety protocols, driver training, and collaboration with local law enforcement when necessary.
- Community Outreach & Education: Engage the community through outreach events, educational campaigns, and partnerships to raise awareness about transit services and benefits.
- Fare Collection & Revenue Management: Implement and manage fare collection systems, analyze fare revenue, and work to keep transit accessible and cost-effective.

FY 2025 Accomplishments

- Added a Casa De Cambio, Laredo Insurance Services, LLC, in our Transit Center Lobby.
- Replaced/Purchased 19-CNG Buses (to replace Diesel Buses)
- Purchased new Fareboxes for more accessible ways to customers to pay fares.
- Purchased new route software called Swiftly for more efficient route information for our passengers.
- Began conducting assessment for Transit Center Building upgrades.
- Purchased fleet safety software for all Buses and vehicles (dash cameras, real time GPS, telematics maintenance, etc.) called Samsara.

FY 2026 Goals

- Rebuild our mobile app service and our website.
- Add new CNG pumps at our Maintenance Location (401 Scott).
- Enhance 12 Bus Shelters
- Phase I of Transit Center Building Renovations.

Performance Measures

Utilities Sewer

Mission Statement

To provide the community with safe drinking water at a fair and reasonable cost and to treat its' wastewater so it can be discharged in an environmentally sound manner. Continuously planning for the future while valuing and respecting our employees and customers.

Key Functions

- To collect wastewater from customers and businesses and remove its pollutants before discharging or reusing it.
- To transport wastewater via gravity sewers, force mains, and pumping equipment to move wastewater in pipes from homes and businesses to the Wastewater Treatment plants.
- Efficiently convey wastewater from residential, commercial, and industrial sources to treatment facilities.
- Regularly inspect, clean and repair sewer lines to ensure optimal functioning and prevent blockages or leaks.

FY 2025 Accomplishments	FY 2026 Goals
• Completion of S Laredo Turbo Blower System • Improvement of S Laredo plant sludge dewatering system operations • Inspected over 400 manholes for defects • Repaired 45" sanitary sewer collector	• Minimize foul odors from plants • Increase training opportunities for employees to attain proper certifications • Create plan for manhole maintenance • Clean 54" sanitary sewer collector

Fleet Management

Mission Statement

Assist and support vehicular needs of the City of Laredo Departments to keep their fleet operational.

Key Functions

- Give all emergency vehicles and essential city support equipment high priority
- Maintain fuel services available for all vehicles and departments 24 hours day
- Research and identify best equipment in market for department's needs
- Research new software to maintain fuel usage and storage

FY 2025 Accomplishments	FY 2026 Goals
• The installation 21,000lbs. vehicle lift • Auctioned off obsolete equipment from Fleet Inventory (182) units • Hired all Vacant positions	• Complete Heavy equipment repair area roof for annex Diesel Shop • Begin the construction on Solid Waste Maintenance Shop.

Risk Management

Mission Statement

To attract, maintain, and develop a quality workforce by providing employee training, benefits, security, and safety to the City of Laredo organization; while minimizing the potential for risk and exposure to liabilities.

Key Functions

- Assess, develop, implement and train on strategies to mitigate losses within the City of Laredo.
- Build a strong safety culture within each City department.
- Address safety concerns and advocate for properly executed safety practices.
- Provide acute care to City of Laredo employees, dependents, and retirees.
- Administer Health Related Internal Policies and Programs.
- Asses/Treat/ Case Manage Workers' Compensation claims.

FY 2025 Accomplishments	FY 2026 Goals
• Implement the Hearing Awareness Campaign for all employees exposed to noise at or above 85 decibels. • Implemented the Safety Shout-Out Incentive Program for employees identified using proper personal protection equipment and safe practices at work sites • Provided 1,349 flu vaccines to employees and dependents. • Wellness Incentive Program training participation increased by 328%. • From October 2024 through May 2025, 955 employees and their dependents received free medical care services through the after-hours Nuestra Salud Health Clinic. We estimate a total of 1,433 individuals will be served by the end of the full fiscal year.	• Expand the Hearing Awareness Campaign to all employees exposed to noise levels of 85 decibels or more by assessing noise levels across departments and ensuring appropriate hearing protection is used where needed • Implement a Safety Incentive Recognition Award for employees using proper PPE and using safe practices to perform their job duties • Implement paperless safety reporting & litigation claims management operations • Reinstate the text messaging portal to be used for safety-related tips & messages to registered City employees • Expand access to Buena Vida services by offering them at no cost to spouses of employees enrolled in the City's medical plan. • Collaborate with the Health and Benefits Division to reduce medical and pharmaceutical claims through proactive disease prevention, effective treatment of health conditions and complications.

Information Services & Telecommunications

Mission Statement

Through its eleven divisions, the Information Services and Telecommunications Department serves internal and external customers by providing technology services, infrastructure, and telecommunications to positively impact our growing and diverse community. Our department's goal is to positively impact areas such as IT operations, open government, sustainability, citizen access, and public safety.

Key Functions

- Maintain and manage the 800 MHz P25 Trunked Two-Way Radio Communication System.
- Provide support to all city departments to improve efficiency and productivity in daily operations and in the planning and implementation of enterprise software.
- Promote new technology to minimize downtime, security risks, and improve the stability and reliability of equipment and software used by City Departments
- Provide technical support to City Departments in planning, implementing, and maintaining IP-based Telecommunications for the City's Networks, Wi-Fi, and IP-based security cameras.
- Data Publication and Management
- Cybersecurity Training, Network, Application, Information, Operation, and Physical Security

FY 2025 Accomplishments	FY 2026 Goals
• Cisco Duo (Multi-factor authentication) • Password Complexity Change (improves cybersecurity stance) • Rapid7 Rollout (cybersecurity SIEM) • Replacement of the IBM AS400 servers • Upgrade of the Bridge Department's network circuits to improve performance. • Upgraded BOS system at Bridge • Joined the UTRGV RSOC • 9-1-1 Calls received – 187,019	• Backup Prime Site for Public Safety Radio • Replace over 100 EOL Cisco switches • Implement Microsoft 365 solution • Upgrade the RTCS system at Bridge • Right-sized CoL cybersecurity insurance • Refresh the Open Data portal • Implement Carbyne Apex for the South Texas Region (Webb, Jim Hogg, Starr, Zapata)

Performance Measures

Health & Benefits

Mission Statement

To attract, maintain, and develop a quality workforce by providing employee training, benefits, security, and safety to the City of Laredo organization; while minimizing the potential for risk and exposure to liabilities.

Key Functions

- Provide the most competitive health benefits program to eligible City employees
- Monitor the health industry standards and other public entities
- Review and compare other medical plans to find additional preventive coverages
- Maintain cost effective controls through managed care programs
- Maintain the Health & Benefits Program solvent by reviewing rate structure and policy & procedures periodically for potential changes
- Utilize City's Benefits Enrollment system to simplify and streamline the administration process of the benefits program

FY 2025 Accomplishments	FY 2026 Goals
• Increased participation into the CDHP Plan by increasing the Health Savings Account (H.S.A) employee contribution from $600 to $750 • A new plan rate structure to provide a broader spread between medical tier plans was approved. • Proposed equitable dependent coverage by covering 50% of dependent premiums for police, fire and civilians.	• Increase preventative care utilization among employees enrolled in medical plans • Decrease the utilization of ER visits for non-emergent care. • Increase employee use of Telehealth/MD LIVE. • Increase participation into the HMO Plan by educating our employees on the benefits and highlighting cost savings.

City Annuity

Mission Statement

Our mission is to ensure the fiscal integrity and long-term sustainability of the City Annuity Fund dedicated to health/life insurance benefits for retired Firefighters, Police Officers, and designated civilian retirees.

Key Functions

- Monitor health and life expenses on a monthly basis.
- Ensure that sufficient funds for retiree health and life benefits are maintained.

FY 2025 Accomplishments	FY 2026 Goals
• Maintained and ensured full funding for annual retiree health premiums. • 2024-2025 Voluntary Retirement Incentive Program (21 Retirees added to the City Annuity Fund) • 2025 Voluntary Retirement Incentive Program (Former United Water Employees)	• To ensure that sufficient funds for retiree health and life benefits are maintained.

CAPITALIMPROVEMENT PLAN
CIP - Overview

Capital Improvement Plan (CIP) Overview

The Capital Improvement Plan (CIP) is a strategic planning tool that guides the identification, evaluation, and financing of major capital projects anticipated over a five-year period. It designates specific funds to monitor all activities and expenditures associated with each project and incorporates projected revenues and potential funding sources. The CIP is formally adopted by the Mayor and City Council and is subject to annual review and updates to ensure continued relevance and responsiveness to community needs.

Benefits of the Capital Improvement Plan

The Capital Improvement Plan serves as a critical planning and financial tool for the City of Laredo, supporting responsible governance and effective delivery of public services. The CIP provides the following key benefits specific to the City:

- Clear Assessment of Local Needs
- Alignment with Community Interests and Long-Term Goals
- Promotion of Financial Stability
- Enhanced Collaboration in City Governance

Capital Improvement Project Classification

Capital improvement projects for the City of Laredo encompass the acquisition, construction, renovation, or major improvement of physical assets that provide long-term value and service to the community. These investments are critical to supporting public infrastructure, expanding municipal services, and preserving City assets.

- **Minimum Investment Threshold**

Equipment purchases must meet or exceed $5,000, in accordance with the City's current capitalization policy.
Infrastructure improvements must meet or exceed $25,000 in total project cost.

- **Long-Term Use and Value**

The asset must provide a useful service life of at least five (5) years and result in the creation, enhancement, or preservation of a tangible capital asset owned by the City.

- **Non-Routine Nature**

The project should not constitute routine maintenance or minor repairs, which are instead expensed as incurred through operational budgets.

CIP Oversight & Implementation

The implementation and oversight of the Capital Improvement Plan (CIP) shall be a collaborative effort led by City Management, with active participation from the Engineering, Budget, and Finance Departments, and in coordination with all City departments.

- **City Manager Oversight:** Leads overall coordination, development and administration, and ensures alignment with strategic goals and budget.
- **Engineering Department:** Identifies, scopes, estimates, and prioritizes projects; ensures technical and regulatory compliance.
- **Budget Department**: Evaluates project alignment with City priorities and integrates the CIP into the multi-year financial plan.
- **Finance Department:** Oversees fiscal aspects, manages debt and grants, and ensures adherence to policies, and accounting standards.
- **Departmental Coordination:** All departments submit project requests with justification and timelines, aligned with citywide goals.
- **Infrastructure Needs Assessment:** Identifies and prioritizes critical vs. discretionary infrastructure needs to guide planning.
- **Annual Review and Council Adoption:** CIP is updated annually and formally adopted as part of the City's budget process.
- **Monitoring, Reporting and Accountability:** Regular updates of costs, scope or schedule, and financial reports are required for transparency and oversight of scope, cost, and schedule.
- **Public Transparency:** A quarterly public report on CIP progress and spending will be published to promote trust and accountability.

Project Evaluation, Prioritization and Classification

Capital improvement projects in the City of Laredo undergo a comprehensive and multi-layered evaluation process. Projects are reviewed and ranked by departmental staff, the City Manager's Office, and key support departments including Engineering, Budget, and Finance. This collaborative process ensures that each project is evaluated not only on individual merit but also on its alignment with broader strategic objectives and community needs.

Projects should also be evaluated for their potential to advance equity and environmental sustainability. Priority consideration may be given to projects that address underserved neighborhoods, promote climate resilience, or support inclusive community development.
Rankings are regularly updated to reflect changes in available funding, project timelines, economic development opportunities, and evolving priorities of Laredo's residents.

In addition to strategic alignment, the City conducts a thorough assessment of both current and future infrastructure needs. This evaluation distinguishes between critical requirements and discretionary enhancements. The decision-making process is data-driven, relying on tools such as the Pavement Condition Index (PCI), facility condition assessments, asset management data, and historical performance metrics to ensure objectivity and long-term value in project selection. This approach promotes efficient and equitable use of capital resources across the community.

Capital Project Priority Levels

To guide funding and implementation, capital projects are classified according to their level of priority:

- **Mandated Projects** – Required to comply with federal, state, or local laws and regulations, or necessary to safeguard public health and safety.

- **Obligated Projects** – Linked to secured external funding or prior contractual or financial commitments.

- **High-Priority Projects** – Address pressing needs related to safety, infrastructure reliability, or economic resilience.

- **Maintenance Projects** – Focused on preserving and extending the life of existing infrastructure through preventive or corrective action.

- **Desirable Projects** – Enhance the quality of life or community amenities but are not essential in the near term.

CAPITAL IMPROVEMENT PLAN

CATEGORIES

Table of Content

To ensure a comprehensive and balanced capital program, all Capital Improvement Projects in the City of Laredo are further grouped into the following eight categories based on their purpose and infrastructure type:

Mobility Infrastructure

- Streets and Sidewalks
- Bridges
- Traffic System
- Transportation
- Land Acquisition

Public Health and Safety

- Law Enforcement
- Fire Protection
- Solid Waste Management
- Health

Utilities Infrastructure

- Water Infrastructure
- Waste Water Infrastructure
- Secondary Water source
- Storm Drainage

Culture and Recreation

- Parks and Recreation
- Libraries
- Cultural Centers
- Arts

Port Laredo

- International Bridges Improvements
- Logistics
- Aviation

Information Technology

- Technological Improvements
- Digital Infrastructure

Facilities Improvements

- Repairs, expansions or Renovations to existing City Buildings

Neighborhood Improvements

- Council Priority Funds
- Mayor Priority Funds

Grouping projects in this way allows the City to strategically plan, prioritize, and allocate resources to address a wide range of needs—from improving transportation networks and utility systems to enhancing public safety, recreational spaces, and the quality of life in local neighborhoods.

This structured and strategic framework ensures the City's Capital Improvement Plan is balanced, data-informed, and aligned with the evolving needs of the Laredo community.

Capital Projects Evaluation and Ranking Process

Following this internal review, the Mayor and City Council evaluate the staff rankings and perform their own prioritization during regular and budget work sessions. Throughout this process, input from the citizens of Laredo—whether through public meetings, community engagement efforts, or direct feedback—helps guide elected officials in aligning capital investments with public interest. The initial list of proposed projects is typically extensive at the start of the budget cycle, but is gradually reduced to align with the city's most essential needs, financial constraints, and the expectations of the community.

Available funding for capital projects is determined by a mix of sources, including certificates of obligations and tax notes, state and federal grants, system revenues, private contributions, the Sports and Community Venue tax fund, and general fund allocations. Projects not approved for funding are removed from the current year's plan, but may return in future budget cycles for reconsideration.

The Mayor, Council, and City department heads evaluate and prioritize capital projects based on the following criteria: the greatest overall benefit to the community, usefulness across all departments, highest return on investment, and, in the case of tied rankings, the lowest cost.

City Needs

Departments Recommendations

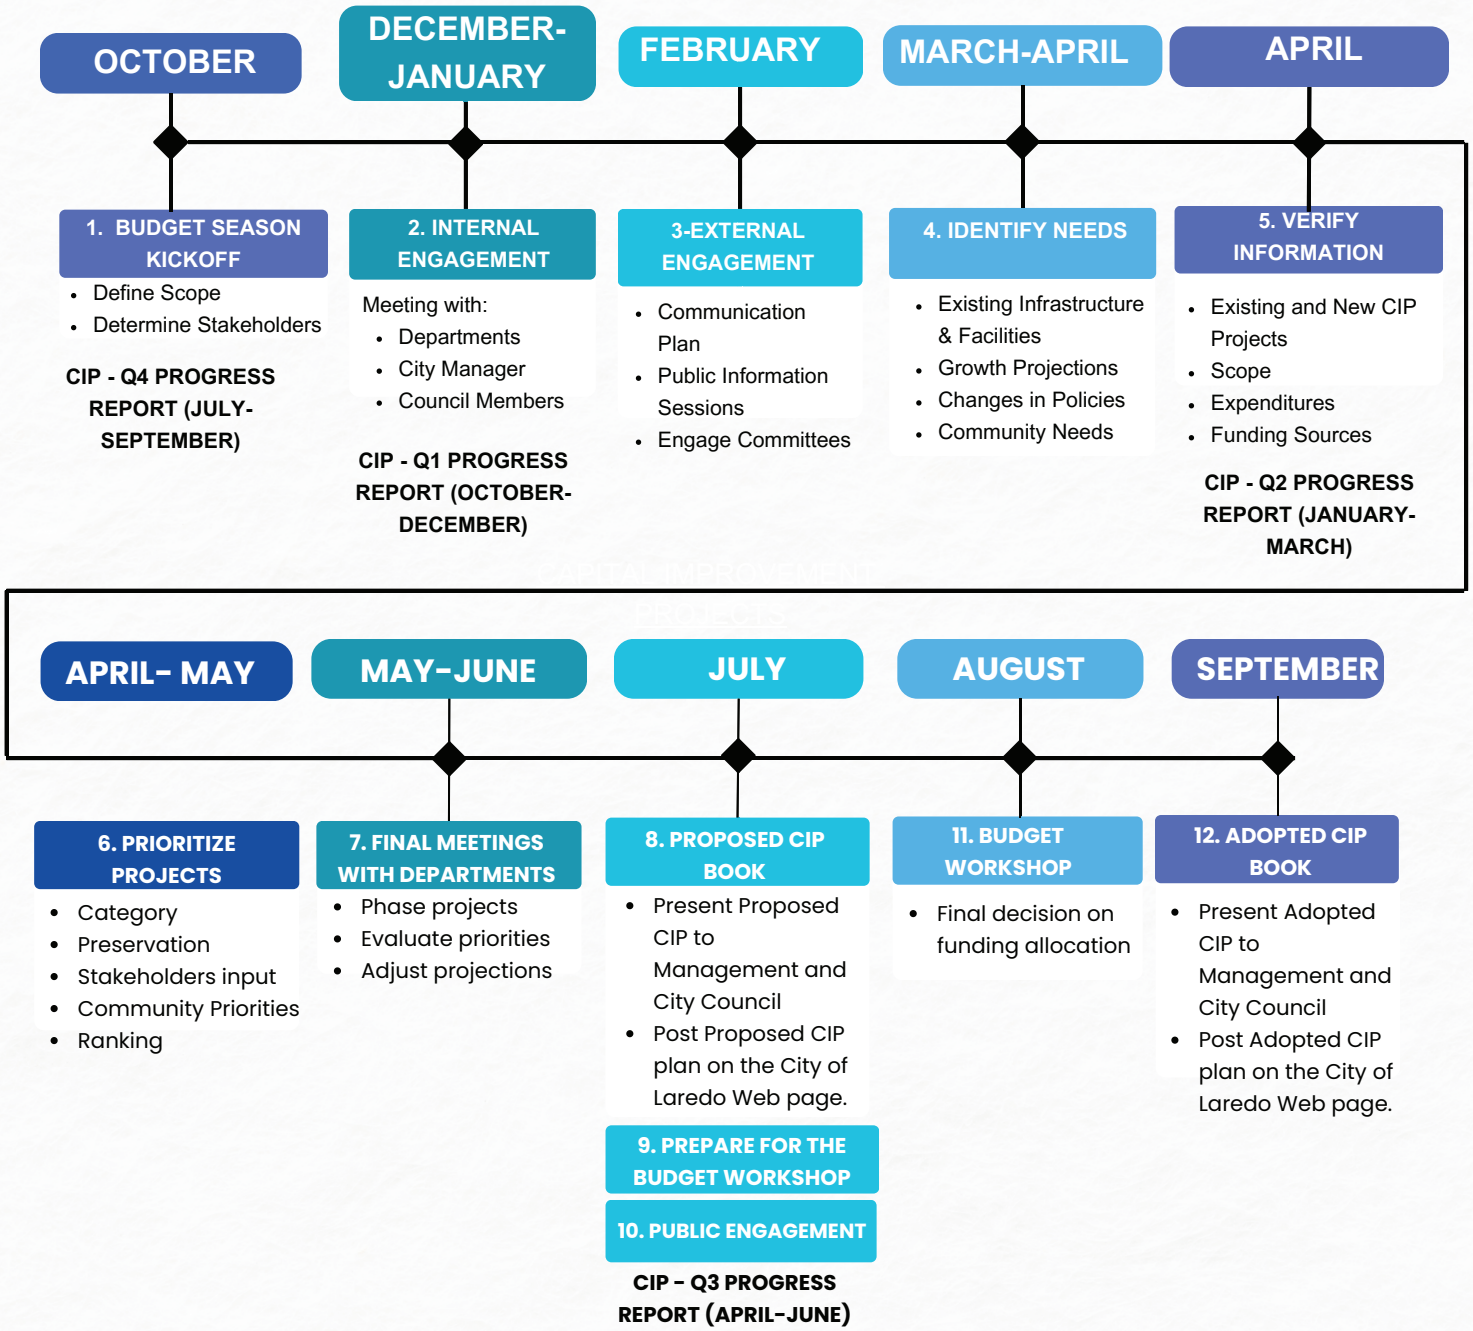
Departments Evaluation

Mayor & City Council Consideration

CAPITAL IMPROVEMENT PLAN

BUDGET PROCESS

Table of Content



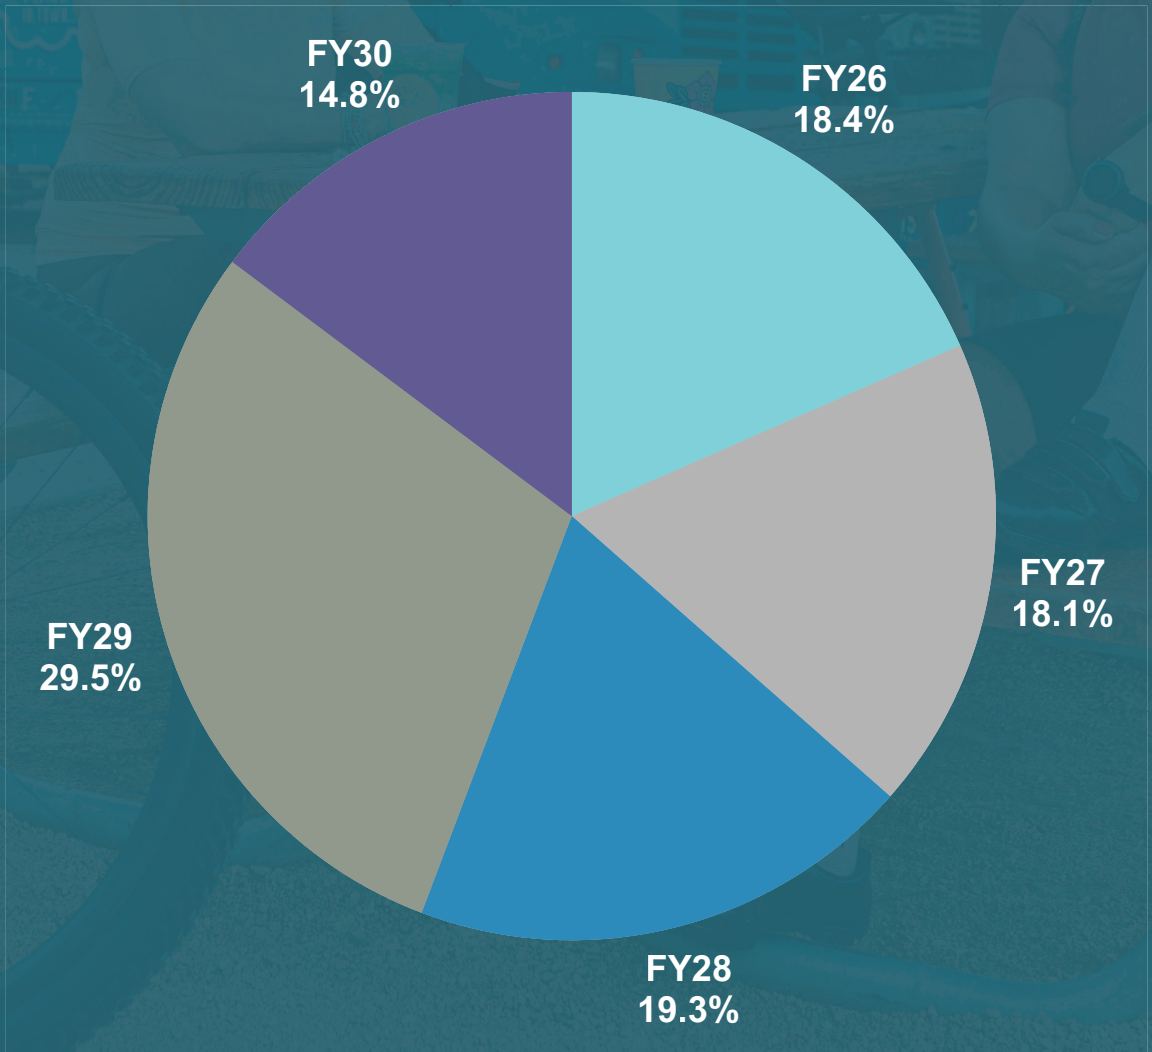
The City of Laredo's fiscal year runs from October 1 through September 30. The budget process typically begins in January with internal planning and the development of departmental requests. It continues through the spring with evaluations, public meetings, and budget workshops, and concludes in September with the City Council's adoption of the Annual Operating and Capital Improvement Budget

CAPITAL IMPROVEMENT PLAN FY2026-FY2030

The City operates under a project-length budget for each capital project fund in use by the City. The budgets for capital projects do not lapse at the end of the fiscal year, but remain in effect until project completion or re-appropriation by the Mayor and Council.

In recent years, capital project funding has primarily been supported through Contractual Obligation Bonds. Additionally, grants have served as a significant funding source for city development and transportation-related initiatives.

The City remains committed to investing in and maintaining its capital assets, including streets, parks, public safety facilities, and other public infrastructure. For FY2026, the estimated capital project budget is $535,790,781, with a projected total investment of $2,910,564,800 over the FY2026–FY2030 period.



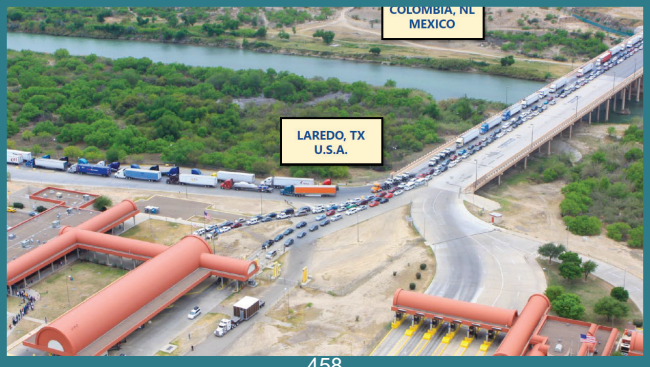
FY26 CIP
Categories Summary

In Fiscal Year 2026, the City of Laredo is making targeted investments across eight major capital categories, totaling over half a billion dollars in infrastructure and community improvement projects.

Mobility Infrastructure receives the largest allocation, with nearly $200 million dedicated to improving road connectivity, traffic flow, and multi-modal accessibility. This includes major projects like the Concord Hills and Springfield Avenue extensions, the Buena Vista Access Road, Mines Road improvements, and the realignment of critical corridors like Flecha and Las Cruces. Intersection improvements at McPherson and Shiloh, as well as enhanced bus stops and bicycle facilities, further support a safer, more efficient transportation network.

Utilities Infrastructure projects account for over $131 million and focus on maintaining and expanding the City's water and wastewater systems. Key efforts include the construction of a 1 million-gallon South Laredo Booster Station and elevated storage tank, a citywide meter replacement program, clarifier upgrades at El Pico, improvements to the raw water pump station, and several major waterline extensions and relocations across districts. Wastewater rehabilitation and modernization efforts also include decommissioning of the Laredo-Colombia WWTP, piping upgrades, and new collection lines to increase system capacity and resilience.

Facility Improvements, totaling over $70 million, target the restoration and modernization of city-owned facilities. Projects range from general building maintenance and administrative upgrades to large-scale renovations at the Plaza Theater, Sames Auto Arena, and El Metro Transit Center. Infrastructure enhancements at the Zacate Creek WWTP and laboratory upgrades at the Jefferson Water Treatment Plant also fall under this category, ensuring operational efficiency and compliance across city assets.



FY26 CIP
Categories Summary

Public Health and Safety improvements total $63 million and will significantly expand the capacity of Laredo's emergency and health services. New police and fire stations are planned for the Buena Vista and warehouse districts, alongside vehicle purchases, renovations to the Santa Rita Recharge Center, and the development of a master plan for Animal Care Services' surgical facility.

Culture and Recreation - Major projects include the Boulevard of the Americas Blocks 1 & 2, which will provide a revitalized public corridor with improved green space and community access. The ORLP – Zacate Creek Project focuses on conservation and connectivity through outdoor recreation amenities. Investments in the Veterans Museum and Laredo Center for the Arts Renovations reinforce efforts to preserve the city's historical identity and cultural institutions.
To encourage active lifestyles and recreational opportunities, the City is advancing trail development through the River Vega and Riverbend Hike & Bike Trail Projects, both of which will expand the city's network of pedestrian and cycling paths. Additionally, the installation of artificial turf at Slaughter Soccer Fields will improve playability and year-round access for residents and youth leagues.

Port Laredo projects represent over $23 million in investments to support international trade and air connectivity. These include the expansion of the Colombia Solidarity and World Trade Bridges, taxiway reconstruction at the airport, and improvements to the airport terminal and surrounding infrastructure—all designed to strengthen binational logistics and economic competitiveness.

Lastly, **Information Technology** receives close to $3.7 million to modernize the City's digital infrastructure. Investments include wastewater system IT upgrades, construction of a new data center, and a comprehensive refresh of network hardware to improve service delivery, data management, and internal operations.

FY26 CIP Funding Sources Summary

In Fiscal Year 2026, the City of Laredo's Capital Improvement Plan totals $535,790,781, with funding drawn from a diverse mix of federal, state, local, and internal sources. This strategic blend of revenues reflects the City's commitment to fiscal responsibility, interagency collaboration, and long-term infrastructure investment.

TxDOT and the Texas Water Development Board (TWDB) lead all funding sources, contributing approximately $75.7 million and $64 million respectively. These investments support major mobility and water infrastructure projects across the city.

Federal allocations, such as the $39.4 million Federal Earmark and $12.4 million from the FTA, further strengthen the city’s ability to fund high-impact initiatives in transportation and transit.

At the local level, funding is bolstered through long-term financing instruments such as Certificates of Obligation (COs), Tax Notes, and Public Property Finance Contractual Obligations (PPFCOs). Notably, the FY2026 Plan includes $32,959,831 from the 2025 CO, $25,668,065 from the 2025 Tax Notes, and $24,032,344 from the 2025 PPFCO—tools that allow the City to address immediate infrastructure needs while managing costs prudently over time.

Additional contributions include $33.2 million from a 2024 Utilities Revenue Bond, $28.7 million from a Proposed Utilities Revenue Bond, and $21.4 million in Developer Contributions, which demonstrate a healthy mix of enterprise-based and private-sector funding. Other sources such as the Sports and Community Venue Tax Fund, System Revenue, and the Airport Fund contribute significantly to project delivery across multiple departments.

Impact of the CIP on the Operating Budget

The City of Laredo's operating budget is directly affected by the Capital Improvement Program (CIP) budget. When considering whether to move forward with a project, the City must evaluate how the project will impact ongoing costs. Depending on the type of project, CIP investments may either increase or reduce future costs. These operating impacts play an important role in deciding which projects are included in the CIP.

Existing facilities, infrastructure, and equipment often require increasing spending for rehabilitation, renovation, and upgrades. Changes in best practice or state and federal regulations may also require additional investments to improve safety and address community needs. At the same time, many capital improvements benefit the City's long-term financial health and improve resident's quality of life. Projects such as redeveloping underused areas or expanding infrastructure to support new growth can generate additional revenues, which help fund future maintenance, improvement, and expansions of City services. Some examples of cost considerations include:

Animal Control – The department requires additional supplies and the hiring of a veterinarian to ensure that medically necessary procedures can be properly performed.

Traffic – New traffic signals installed through the city help manage traffic flow and improve driver safety. These signals require annual maintenance to ensure proper operations. Upgrading signals can also result in long tern cost savings.

In addition, the following table lists current CIP projects that have measurable impact on ongoing operating cost, either increasing cost, decreasing cost, or generating new revenue, in the current fiscal year. The total shown represents the estimated net change to the operating budget when available:

Projects Budget Impact

Department	Project #	Budget Impact Description	2026
Animal Control	18-ACF-003	Veterinarian salary $162,000 and purchase of additional supplies $6,220	168,220
Engineering - Traffic	13-TRAF-010	Estimated operations and maintenance for traffic signal between Ejido Ave and Chacota St	3,510
Engineering - Traffic	13-TRAF-011	Estimated operations and maintenance for traffic signal between Killam Industrial Blvd and Sara Rd	3,510
Engineering - Traffic	19-TRAF-009	Estimated operations and maintenance for traffic signal at international Blvd and Simon Bolivar Blvd	3,510
Engineering - Traffic	19-TRAF-010	Estimated operations and maintenance for traffic signal at Boucky Houdman Blvd and Simon Bolivar Blvd	3,510
Engineering - Traffic	22-TRAF-009	Estimated operations and maintenance for traffic signal at Carriers Dr. and S. Unitec Dr.	3,713

HIGHER EDUCATION

TEXAS A&M INTERNATIONAL UNIVERSITY

Date Established: Established in 1970 as a division of Texas A&I, and as a separate University in 1977 as a division of the University System of South Texas. The University became a member of the Texas A&M University System on September 1, 1989.

Programs Offered: The University offers 55 baccalaureate, master's and Doctor of Philosophy degrees in International Business Administration and Criminal Justice. TAMIU is home to the College of Arts and Sciences, the A. R. Sanchez, Jr. School of Business, the College of Education, the College of Nursing and Health Sciences with its Dr. F. M. Canseco School of Nursing, and the Graduate School.

Population Served: Undergraduate and graduate-level students seeking 55 degrees in liberal arts, education, psychology, criminal justice, business and international trade, science and technology, and healthcare.

Regions Served: Students enrolled at TAMIU are primarily from the South Texas region but also come from across the U.S. and around the world. Many graduate programs are fully online, allowing students from anywhere to enroll.

Number of Classrooms/Labs:	98	**Number of Full-Time Faculty:**	270
Part-Time Employees	57	**Number of Part-Time Faculty:**	228

CITY OF LAREDO, TEXAS

Budget and Finance Terminology
DEFINITION GLOSSARY

To assist the reader of the City of Laredo Annual Budget, this glossary details both specialized and technical terminology that is essential to sound financial and budgetary management in day-to-day operations. The following keywords are used throughout this glossary:

A

ACCOUNTING SYSTEM- The total set of records and procedures which are used to record, classify, and report information on the financial status and operations of an entity.

ACCRUAL ACCOUNTING- A basis of accounting in which revenues are recognized in the period in which they are earned and expenses are recognized in the period incurred, regardless of the timing of related cash flows.

ACTIVITY- A special unit of work or service performed.

ADMINISTRATIVE TRANSFER- See "Transfer".

ADOPTED BUDGET - See "Budget".

AD VALOREM TAX- This form of tax is based "according to value" of property and is used as the source of revenue to pay general obligation debt and to support the General Fund.

ALL FUNDS SUMMARY- The comprehensive summary of all budgeted funds.

ALLOTMENT- To allot is to divide an appropriation into amounts that may be encumbered or expended during a time period.

AMENDED BUDGET- Represents the original adopted budget plus any amendments passed after October 1st of the respective fiscal year. This figure does not include prior year encumbrances or re-appropriation.

APPROPRIATION- (1) A legal authorization granted by the City Council to establish legal authority for City officials to make expenditures and/or expenses or incur obligations for specific purposes. It does not include prior year encumbrances or re-appropriations. (2) An authorization made by the City Council which permits officials to incur obligations against and to make expenditures of governmental resources. Appropriations are usually made for fixed amounts and typically granted for a one-year period.

APPROVED BUDGET- As used in fund summaries and department summaries within the budget document, represents the budget as originally adopted by the City Council. It does not include prior year encumbrances or re-appropriations.

ASSESSED VALUATION- A value that is established for real or personal property for use as a basis for levying property taxes. An assessed valuation represents the appraised valuation less any exemptions.

ASSETS- Property owned by the City which has monetary value.

AUDIT- A comprehensive examination as to the manner in which the government's resources were actually utilized concluding in a written report of its findings. (1) A financial audit is a review of the accounting system and financial information to determine how government funds were spent and whether expenditures were following the legislative body's appropriations. (2) A performance audit consists of a review of how well the government met its stated goals. (3) An accounting audit is intended to ascertain whether financial statements fairly present financial positions and results of operations.

B

BAD DEBT- In the United States, the National Bank Act defines a bad debt as an unsecured debt on which interest or payment is past due and unpaid for six months and which is not in process of collection. In some instances, an entity will set aside a reserve on their books to off-set losses from bad debts.

BALANCED BUDGET- Is one in which total financial resources available for a given fiscal year, including projected revenues plus the unreserved balance from the prior year, are equal to or greater than the appropriations for that year.

BALANCE SHEET- A financial statement that discloses the financial position of an entity by disclosing its assets, liabilities and equity as of a specific date.

BANK DEPOSITORY AGREEMENT- A contract between a municipality and a depository, negotiated and entered into in accordance with the specifications of the Local Government Code, of which sets forth the agreements between the parties regarding banking services.

BASE BUDGET- An on-going expense for personnel, contractual services and the replacement of supplies and equipment required to maintain service levels previously authorized by the City Council.

BEGINNING BALANCE- The beginning balance is the residual non-restricted funds brought forward from the previous fiscal year or ending balance.

BOND- A debt instrument embodying a written promise to pay a specified sum of money, the face value or principal, at a specific date or dates in the future (maturity date), together with periodic interest at a specified rate. The most common types of bonds are general obligation and revenue bonds. Bonds are typically used for long-term debt to pay for specific capital expenditures, e.g. buildings, streets and bridges or utility expansion and/or repair.

BOND-GENERAL OBLIGATION (G.O.)- A bond which is secured by the full faith and credit of the issuer. G.O. bonds issued by local units of government are secured by a pledge of the issuer's ad-valorem taxing power. They are usually issued to pay for general capital improvement projects, e.g. parks and street construction. In Texas, G.O. bonds must be authorized by a public referendum.

BOND PROCEEDS-Funds derived from the sale of bonds for the purpose of constructing major capital facilities.

BOND REVENUE- Bonds whose principal and interest are paid from earnings of an enterprise fund.

BUDGET- A budget is a plan of financial operation embodying an estimate of proposed expenditures and the means of financing them. The term generally indicates a financial plan for a single fiscal year and is used in either of two ways: (1) the term can designate the financial plan which is to be presented to the appropriating body for adoption, a.k.a. Proposed Budget, or (2) can designate the financial plan which has been approved by the governing body, a.k.a. Adopted Budget.

BUDGET ADJUSTMENT- A legal procedure utilized during the fiscal year by the City staff and City Council to revise any given budget appropriation. City staff has the prerogative to adjust expenditures within its particular departmental budget.

BUDGET DOCUMENT- The instrument used by the budget making authority to present a comprehensive financial program to the City Council. The adopted budget document presents the authorization made by the City Council for City officials to obligate and expend appropriated resources.

BUDGET MESSAGE- The opening section of the budget that provides the City Council and the public with a general summary of the most important aspects of the budget, changes from the current and previous fiscal years, and the views and recommendations derived from annual budget negotiations.

BUDGET ORDINANCE- The official enactment by the City Council establishing the legal authority for City officials to obligate and expend resources.

BUDGETARY CONTROL- The control or management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available revenues.

BUDGETED FUNDS- Funds that are planned for certain uses but have not been formally or legally appropriated by the legislative body. The proposed budget document that is submitted for City Council approval is composed of budget funds.

C

CAPITAL ASSETS- City assets of significant value that having a useful product life of 10 years or more. These assets are also known as fixed assets.

CAPITAL EQUIPMENT BUDGET - CAPITAL OUTLAY- The portion of the annual operating that appropriates funds for the purchase of capital equipment items. These expenditures are often separated from regular operating items, e.g. salaries, utilities and office supplies. The Capital Outlay Budget includes funds for capital equipment purchases, e.g. typewriters, vehicles, furniture, machinery, building improvements, micro-computers and special tools, which are usually distinguished from operating items according to their value and projected useful product life.

CAPITAL IMPROVEMENT PROGRAM (CIP)- An account of all capital improvements which are intended to provide long-lasting physical value and are proposed to be undertaken over a five-year fiscal period. The plan includes the anticipated beginning and ending dates for each project, the corresponding amount to be expended in each year and the method of financing each improvement.

CAPITAL IMPROVEMENT PROGRAM BUDGET- A financial plan that is separate from the operating budget but, rather, is an account of the estimated costs associated with construction projects designed to improve the value of government assets, e.g. street improvements, sewer lines, buildings, recreational facilities and large-scale remodeling.

CAPITAL IMPROVEMENT PROJECT- Capital improvement projects tend to be one-time capital

investments, including the purchase of land and facilities, and engineering and construction costs related to infrastructure items (e.g. streets, bridges, drainage and street lighting), having an estimated useful life of five years or more. Generally, maintenance activities, e.g. street maintenance, replacement of vehicles-equipment and minor remodeling of facilities commonly associated with on-going operations for public purposes, are not considered Capital Improvements.

CAPITAL IMPROVEMENT PROJECT ACTIVITY- Any one of the following groups:

A. PLANNING & ENGINEERING: Includes architectural and engineering services, cultural resource surveys, real estate appraisal services, and special studies which may include cost benefit analysis and conceptual design alternatives.

B. RIGHT-OF-WAY ACQUISITION: Includes the purchase or acquisition of easements, land for right-of-way, and sites for construction, appraisal and relocation costs and demolition for site clearance.

C. UTILITY RELOCATION: Includes relocation costs necessary to replace utility capital improvements to prepare a site or right-of-way for construction or other appropriate project activities, with such costs commonly paid for by appropriate utility revenues.

D. CONSTRUCTION: Includes costs for construction or re-construction of capital improvements, e.g. buildings, streets, bridges, curbs, sidewalks, storm drains, flood control facilities and recreation facilities.

E. OTHER: Includes costs for initial capital equipment, e.g. firefighting apparatus, major recreational equipment and library books normally associated with development of a municipal facility.

CAPITAL OUTLAY- Real or personal property that has a value equal to or greater than the capitalization threshold for the particular classification of the asset with an estimated life of greater than one year. Capital assets include land, buildings and improvements, machinery and equipment, computer equipment, vehicles and office furniture.

CASH BASIS ACCOUNTING- A basis of accounting that recognizes transactions for revenues when received and expenditures when paid.

CASH MANAGEMENT- The management of cash necessary to pay for government services while investing temporary cash excesses in order to earn interest revenue. Cash management involves forecasting the inflows and outflows of cash, mobilizing cash to improve its availability for investment, establishing and maintaining banking relationships and investing funds in order to achieve the highest interest and return available for temporary cash balances.

CERTIFICATE OF DEPOSIT- A negotiable or nonnegotiable receipt for monies deposited in a bank or financial institution for a specified period for a specified interest rate.

CERTIFICATE OF OBLIGATION (CO)- Debt instruments secured by the ad-valorem taxing power of a city for short-term or long-term debt, pending on the particular project, which is authorized by the City Council and does not require prior voter approval.

CHARACTER CODE- A basis for distinguishing types of expenditures. The five major characters used by the City are:
01-Personnel Services, 02-Materials & Supplies; 03Contractual Services; 04-Other and 05-Capital Outlay. The City utilizes a fourteen-digit account code to identify line items. Digits 1-3 represent the fund number, digits 4-5 represent the department number, digits 6-7 represent the division number, digits 8-9 represent the activity basic, digit 10 represents the sub activity, digits 11-12 represent the element and digits 13-14 represent the object code.

CHART OF ACCOUNTS - A chart detailing the system of general ledger accounts.

CHAPTER 380 – Authorizes municipalities to offer loans and grants of city funds or services at little or no cost to promote state and local economic development and to stimulate business and commercial activity.

CITY COUNCIL- The current elected officials of the City as set forth in the City's Charter.

CITY MANAGER- The individual appointed by the City Council who is responsible for the administration of the affairs of the City.

CLOSING ORDINANCE- A document detailing the closure of all funds and accounts and providing for necessary adjustments at the Department level at the end of a fiscal budget year.

COMMERCIAL PAPER- A short-term unsecured promissory note, supported by a bank line or letter of credit, which has a maturity of one to 270 calendar days.

COMMODITIES- Items of expenditure in the operating budget which, after use, are consumed or show a material change in their physical condition, and are characterized as having limited value and rapid depreciation, e.g. office supplies and motor fuel.

COMPETITIVE BIDDING PROCESS- The process under Texas State Law which requires cities to advertise, solicit and publicly open sealed bids from prospective vendors for purchases of $10,000 or more. After a review period, the City Council awards the bid to the successful bidder.

CONTINGENCY- A budgetary reserve set aside for emergencies or un-foreseen expenditures not otherwise budgeted.

CONTRACTUAL SERVICES- Goods and services acquired under contract which the City receives from an internal service fund or an outside company. Professional services, utilities, rentals and insurance are examples of contractual services.

COUNCIL PRIORITIES- Together with the financial estimates and revenue forecasts, serves as the foundation for the development of the proposed annual budget.

CURRENT TAXES- Taxes that are levied and due within one year.

D

DEBT SERVICES- The City's obligation to pay the principal and interest of all outstanding debt instruments according to a pre-determined payment schedule.

DEBT SERVICE RATE- See "Property Tax Rate".

DEBT SERVICE RESERVE- The fund which may be used to pay debt services of revenue bonds if the sources of the pledged revenues do not generate sufficient funds to satisfy the debt service requirements. The reserve fund is either funded in whole or in part from the proceeds of the bonds or is allowed to gradually accumulate over a period of years through required payments of pledged revenues. If the reserve fund is used in whole or in part to pay the debt service, the issuer usually is required to replenish the reserve fund from the first available funds or revenues. A typical reserve requirement might be the maximum annual debt service requirement for any year remaining until the bonds reach maturity.

DEFICIT- A deficit is the excess of expenditures over revenues during a single accounting period, in the case of proprietary funds, the excess of expenses over income during an accounting period.

DELINQUENT TAXES- Taxes which remain unpaid on and after the date on which a penalty for non-payment is imposed.

DEPRECIATION- (1) Expiration in the service life of capital assets attributable to normal wear and tear, deterioration and in-adequacy or obsolescence. (2) That portion of the cost of a capital asset which is charged as an expense during a particular period.

DISBURSEMENT- Payment for goods and services in the form of cash or by check.

DIVISION- An organizational unit within a department's structure representing the major functional divisions of work.

E

EFFECTIVE TAX RATE- The rate which will generate the same tax levy next year from the properties on this year's tax roll.

ENCUMBRANCE- Funds which are set aside or committed for a future expenditure. Encumbrances include obligations in the form of purchase orders, contracts or salary commitments which are chargeable to an appropriation and for which a part of the appropriation is reserved.

ENTERPRISE FUND- A governmental accounting fund used to account for operations that are financed and operated similarly to private business enterprises where the intent of the governing body is to recover the cost of providing goods through user fees. Rate schedules for these services are established to ensure that revenues are adequate to meet all necessary expenditures.

ESTIMATED REVENUE- The amount of projected revenue to be collected during the fiscal year. It may also be defined as the proposed financing sources estimated to finance the proposed projected expenditures.

EXPENDITURE- Decrease in the use of net financial resources for the purpose of acquiring and providing goods and services.

EXPENSES- Outflows, the expiring of assets, incurring liabilities during a period by delivering or producing goods, rendering services and/or carrying out other activities that constitute the entity's ongoing major or central operations.

F

FIDUCIARY FUNDS- Funds used to report assets held in a trustee or agency capacity for others and which therefore cannot be used to support the government’s own programs. The fiduciary fund category includes pension (and other employee benefit) trust funds, investment trust funds, private purpose trust funds, and agency funds.

FISCAL YEAR- The twelve-month period designated by the City signifying the beginning and ending period for recording financial transactions. The City of Laredo has specified October 1st to September 30th as its fiscal year.

FIXED ASSET- Assets of a long-term nature that are intended to continue to be held or used, such as land, buildings, machinery, furniture and other equipment.

FIXED COST- A fixed cost, e.g. rent, which does not change with increases or decreases in the amount of services provided.

FULL FAITH AND CREDIT- A pledge of the general taxing power of a government to repay debt obligations, typically used in reference of bonds.

FULL TIME EQUIVALENT (FTE)- The number of working hours that represents one full-time employee during a fixed time period, such as one month or one year. For the City of Laredo one FTE is equivalent to one employee designed to work 2080 during our fiscal year.

FUND- An independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein. Each fund is segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations. Eight major fund types and two account groups are commonly used: General Fund, Special Revenue Funds, Debt Service Fund, Capital Projects Funds, Enterprise Funds, Internal Service Funds, Expendable Trust Funds, Pension Trust Fund, General Fixed Assets account group and General Long-Term Debt account group.

FUND BALANCE- A positive fund balance or excess of assets over liabilities is a surplus fund. A negative fund balance is called a deficit.

FUND SCHEDULE- A financial forecasting statement that combines beginning and ending balances, and includes estimated revenues for any period of time.

FUND SUMMARY- See "Fund Schedule".

FUNDING SOURCE- A funding source is the specifically identified dollars allocated to meet budgeted requirements and expenses.

FUNDING STATEMENT- Usually pertains to a detailed breakdown of revenue or expenditures, e.g. grants and other awards.

G

GENERAL & ADMINISTRATIVE COST- Cost associated with the administration of City services.

GENERAL FUND- The largest fund within the City, it accounts for all financial resources of the government except for those required to be accounted for in another fund. General Fund revenues include property taxes, licenses & permits, local taxes, service charges, and other types of revenue. This fund includes the basic operating services of the City.

GENERAL GOVERNMENT- Refers to a group of activities associated with the administrative function of the City.

GENERAL LEDGER- A file that contains a listing of the various accounts necessary to reflect the financial position and results of operation of the government.

GENERAL OBLIGATION BONDS- See "Bond - General Obligation".

GENERALLY ACCEPTED ACCOUNTING PROCEDURES (GAAP)- Uniform minimum standards of and guidelines to financial accounting and reporting.

GOVERNMENT FINANCE OFFICERS ASSOCIATION (GFOA)- The organization that awards the Distinguished Budget Presentation Award.

GOVERNMENTAL FUNDS- Funds generally used to account for tax-supported activities. There are five different types of governmental funds: the general fund, special revenue funds, debt service funds, capital projects funds, and permanent funds.

GRANT- A contribution by one government unit or funding source to another unit. The contribution is usually made to aid in a part of a specified function, but it is sometimes also for general purposes.

GRANT MATCH- City costs for “in-kind" services required to match Federal or State grants and programs.

H

HEALTH MAINTENANCE ORGANIZATION (HMO)- It is designed to keep costs low and predictable with one doctor to coordinate your care.

HEALTH SAVINGS ACCOUNT (HSA)- Is an individually-owned, tax-advantaged account that you can use to pay for current or future IRS-qualified medical expenses.

HIGH DEDUCTABLE HEALTH PLAN (HDHP)- A high deductible health plan in which you must meet your deductible and discounted BCBSTX out-of-pocked expenses before insurance starts paying 100% of all eligible medical expenses.

I

INDIRECT COST- A necessary expense for the functioning of the organization as a whole that cannot be directly assigned to one service.

INTER-FUND TRANSFERS- Amounts transferred from one fund to another.

INTER-GOVERNMENTAL GRANT- See "Grant".

INTER-GOVERNMENTAL REVENUE- See "Revenue - Inter-governmental".

INTERNAL SERVICE FUND- A fund used to account for the financing of goods or services provided by one department to another department on a cost reimbursement basis.

INVENTORY- A detailed listing of property currently held by the City showing quantities, descriptions and values of the property, and units of measure and unit prices.

INVESTMENT- Securities and real estate purchased and held for the production of revenues in the form of interest, dividends, rentals and/or base payments.

L

LEVY- To impose taxes, special assessments or service charges for the support of City activities.

LIABILITY- Debt and other legal obligations arising from transactions which must be paid, renewed or refunded at some future date. The term does not include encumbrances.

LINE-ITEM BUDGET- A budget that lists each expenditure category separately along with the dollar amount budgeted for each specified category.

LONG-TERM DEBT- Debt with a maturity of more than one year after the date of issuance.

M

MAINTENANCE & OPERATION RATE- See "Property Tax
Rate".

MAJOR FUND- Any fund whose revenues or expenditures, excluding other financing sources and uses, constitute at least or more than ten percent of the revenues or expenditures of the appropriated budget.

MANDATE-(1) Defines changes to the current level of service which is required to comply with Federal, State and Local laws and/or ordinances. (2) A contractual obligation or the operation and maintenance requirement for a completed capital improvement.

MATURITIES- The dates on which the principal or stated values of investments or debt obligations mature and may be reclaimed.

MODIFIED ACCRUAL BASIS OF ACCOUNTING- A basis of accounting that combines accrual and cash basis of accounting. It recognizes revenues in the accounting period in which they become measurable and available to pay current liabilities., Expenditures are recorded in the period that the liabilities are incurred. This accounting basis is the standard for most governmental funds.

N

NET WORKING CAPITAL- Current assets fewer current liabilities.

NON-MAJOR FUND- Any fund whose revenues or expenditures excluding other financing sources and uses, constitute less than ten percent of the revenues or expenditures of the appropriated budget.

NON-RECURRING REVENUE- Resources recognized by the City that are unique and occur only one time or without distinct pattern.

O

OFFICIAL BUDGET- The annual budget as is adopted by the City Council.

OPERATING BUDGET- The portion of the budget that pertains to daily operations that provide basic services for the fiscal year.

OPERATING EXPENSE- Operating expenses are proprietary fund expenses that directly relate to the fund's primary service activities.

OPERATING FUND- Resources derived from recurring revenue sources used to finance the General Fund, Enterprise Funds and "pay-as-you- go" Capital Improvement Projects.

ORDINANCE- A formal legislative enactment by the governing body of a municipality. If it is not in conflict with any higher form of law or ordinance, such as a state statue or constitutional provision, it has the full force and effect of law within the boundaries of the municipality to which it applies.

OVERHEAD- The element of cost necessary in the production of an article or the performance of a service which are of such a nature that the amount applicable to the product or service cannot be determined readily. Typically, overhead relates to those objects of City expenditures that do not become an integral part of the

finished product or service, e.g. rent, electricity, supplies, management and supervision.

P

PERFORMANCE BUDGET- A budget that focuses upon activities rather than line items. Work load and unit cost data are collected in order to assess the efficiency of services. Typical data collected might include: miles of street paved per year, cost of paved streets per mile, tons of garbage collected per man hour, or cost per man hour of garbage collection.

PERFORMANCE MEASURES- Specific quantitative and qualitative measures of work performed as an object of the department. Quantitative measures are defined as observable and are displayed in numerical format. Qualitative measures are defined as non-observable and are displayed in narrative format.

PERMANENT FUNDS- Governmental fund type used to report resources that are legally restricted to the extent that only earnings, and not principal, may be used for purposes that support the reporting government's programs.

PERSONNEL SERVICES- All cost related to compensating employees of the City including employee benefit costs, e.g. City contributions for retirement, social security, and health & life insurance.

POSITIONS AUTHORIZED- Full-time and part-time positions budgeted in the personnel services category and included in the Departmental Position Listing that was approved by Council for the fiscal year.

PREFERRED PROVIDER ORGANIZATION (PPO)-
Flexibility to choose doctors, hospitals, & other health care providers you use to get care

PROGRAM BUDGET- A budget that focuses upon the goals and objectives of an agency or jurisdiction rather than upon its organizational budget units or object classes or expenditures.

PROPERTY TAX (AD-VALOREM TAX)- Property taxes are levied on both real and personal property according to the property's value and the tax rate. Property values are established by the Webb County Appraisal District.

PROPERTY TAX RATE- The property tax rate consists of two elements: (1) the maintenance and operation rate (MOR) and (2) the debt service rate (DSR). In MOR, revenues received are deposited in the General Fund and can be used for any public purpose. MOR is subject to the provisions of State statute and an increase in the effective rate greater than eight percent is subject to a voter initiated "roll-back" election. DSR is set based upon the City's debt service requirements. In DSR, funds received from this rate are deposited in the Debt Service Fund and are used solely to pay the principal and interest on present and projected debt. MOR and DSR yield the total property tax rate for the current fiscal year.

PROPOSED BUDGET- See "Budget".

PROPRIETARY FUND- An account that shows actual financial position and operations as distinguished from budgetary accounts, e.g. actual assets, liabilities, reserves, fund balances, and revenues & expenditures.

PURCHASE ORDER SYSTEM- A City's system for authorizing the purchase of specified merchandise or services and creating the charge for them.

R

RATING- The creditworthiness of a City as evaluated by an independent agency, such as Moody's or Standard & Poor's.

RE-APPROPRIATION- By City Council action, an Operating Budget spending authorization lapses on September 30th of each fiscal year. Any authorization not expended or encumbered is no longer legally allowed to be expended, and the dollars associated with the authorization "fall" to the ending balance. Those items that are seen as important are brought to the City Council to be "re-appropriated" in the new fiscal year.

RECONCILIATION- A detailed analysis of changes of revenue or expenditure balances within a fund.

REDUCTION- To reduce line item expenses due to budgetary constraints.

REFUNDING- A procedure whereby an issuer re-finances an outstanding bond issue by issuing new bonds. Reasons for refunding are to reduce the issuer's interest cost or to remove a burdensome or restrictive covenant imposed by the terms of the bonds being re-financed. The proceeds of the new bonds are either deposited in escrow to pay the debt service on the outstanding obligations when due, or they are used to immediately retire the outstanding obligations. The new obligations are referred to as the "refunding bonds" and the new outstanding obligations being re-financed are referred to as the
"refunded bonds" or the "prior issue."

REPLACEMENT COSTS- The cost of a property on a certain date which can render similar service that does not necessitate the same structural form as the property to be replaced.

REQUISITION- A written request from a department to the purchasing office for specified goods or services. This action precedes the authorization of a purchase order.

RESERVE- (1) An account used to indicate that a portion of a fund's equity is legally restricted for a specific purpose and is therefore not available for general appropriations [designated]. (2) An account used to indicate a portion of a fund's equity is legally restricted, yet not for a specific purpose [un-designated].

RESOURCE- Total dollars available for appropriations, including estimated revenues, fund transfers and beginning fund balances.

RETAINED EARNINGS- The equity account reflecting the accumulated earnings of the various Utility Funds.

REVENUE- Increases in the net current assets of a fund due to the performance of a service or the sale of goods. They include items such as tax payments, fees for a specific service, fines, forfeitures, grants, receipts from other funds and interest income. Revenues are recognized when they become measurable and reasonably assured to be available to support operations.

REVENUE BONDS (RB)- When a government issues bonds which do not pledge the full faith and credit of the jurisdiction, it issues limited liability revenue bonds. Typically, pledges are made to dedicate one specific revenue source to repay these bonds.

REVENUE ESTIMATE- An estimate of how much revenue will be earned from a specific revenue source for some future period, typically a future fiscal year.

REVENUE– INTERGOVERNMENTAL- Revenue received from another government entity for a specific purpose.

REVENUE– SPECIAL- Specific revenues that are legally restricted to expenditures for specific purposes.

RISK MANAGEMENT- (1) An organized attempt to protect a governmental entity against accidental loss in the most economical method. (2) The liability, either realized or potential, related the City's day-to-day operations.

S

SINKING FUND- A sinking fund is an account into which a debt issuer makes periodic deposits to ensure the timely availability of sufficient monies for the payment of debt service requirements. The revenues to be deposited into the sinking fund and payments are determined by the terms of the bond contract.

SPECIAL REVENUE FUNDS- Governmental fund type used to account for the proceeds of specific revenue sources (other than for major capital projects) that are legally restricted to expenditures for specified purposes.

T

TAX NOTE- A promissory note evidencing a tax loan made to a Participant by the company pursuant to the terms of this program.

TAX LEVY- The total amount of funds to be raised by general property taxes for operating and debt service purposes specified in the Annual Tax Ordinance that is determined by the Webb County Appraisal District.

TAX RATE- The amount of tax levied for each $100.00 of assessed property valuation.

TAX RATE LIMIT- The maximum legal property tax rate at which a municipality may levy a tax. The limit may apply to taxes raised for a particular or general purpose.

TAXES- Taxes are compulsory charges levied by a government for the purpose of financing services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits, such as special assessments. The term does not include charges for services rendered only to those paying such charges, e.g. sewer services.

TRANSFERS- (1) Transfers are the authorized exchanges of cash or other resources between funds. (2) The General Fund supports central services for other funds or departments; the reimbursement of these services to the General Fund is an Administrative Transfer.

TRUST FUNDS- Accounting entities used to account for monies held by the City in a trustee capacity for organizations, programs or other funds.

U

UN-DESIGNATED FUND BALANCE- That portion of a fund balance that is unencumbered from any obligation of the City.

UN-ENCUMBERED BALANCE- The amount of an appropriation that is neither expended nor encumbered. It is essentially the amount money still available for future purchases.

UNIT COST- The cost required to produce a specific product or unit of service, i.e. the cost to purify one thousand gallons of water.

USER CHARGES - USER BASED FEES- The payment of a fee for direct receipt of a public service by the party benefiting from the service.

UTILITY FUNDS- The funds used to account for operations of the City's electric, water, sanitary sewer and solid waste disposal activities.

V

VOUCHER- A document indicating that a transaction has occurred. It usually contains the accounts related to the transaction.

Y

YIELD- The rate earned on a monetary investment.
